

Rice Lake Area School District School-wide Title I Program 2022-23 Plan

Qualifying School: Tainter Elementary (Reviewed/Revised 11/7/22)

Goal: By the end of the 2022-23 school year, we will decrease the achievement gap between our lowest performing sub group (SWD, Economically Disadvantaged, ELL) and our highest performing subgroup (W) by 10% as measured by formative and summative assessments.

Strategy 1: Administer the FastBridge Assessment/Screeners to kindergarten – fourth grade students 3 times per year and collaboratively conduct data analysis of student data to determine intervention needs.

Strategy 2: Administer diagnostic assessments 3 times per year as needed to determine skill deficits and intervention needs

Strategy 3: Provide on-going professional development for teachers.

Strategy 4: All Interventionists have an opportunity to participate in ongoing staff development through collaboration, in-house training, and attendance at local and state conferences and workshops.

Ten Criteria for School-wide Program

Criteria 1: A comprehensive needs assessment of the entire school (including the needs of migrant children as defined in Section 1306) with information about the academic achievement of children in relation to the Wisconsin Academic Content Standards must occur.

- Data review meetings are conducted three times per year after the FASTBRIDGE screenings are completed.
- Formative assessment data is reviewed on a regular basis and interventions are adjusted as needed.
- Assessment data: Fastbridge and diagnostic assessments
- Poverty and demographic data
- Professional development needs

Criteria 2. School-wide reform strategies

a. Provide opportunities for all children to meet the state's proficient and advanced levels of student academic achievement.

b. Use effective methods and instructional strategies based on scientific research that:

- Strengthen the core academic program in the school.
- Increase the amount and quality of learning time, before-and after-school and summer programs opportunities, and a rich and accelerated curriculum.
- Include strategies for meeting the educational needs of historically underserved populations.

c. Address the needs of all children in the school, especially those of low achieving children and those at risk of not meeting the state academic content standards who are members of a population targeted by the school-wide program. The services of such a program might include:

- Counseling, pupil services, and mentoring services.
- College and career awareness and preparation, such as college and career guidance, personal finance education, and innovative teaching methods, which may include applied learning and team-teaching strategies.
- The integration of vocational and technical education programs.

d. Address how the school will determine if such needs have been met.

e. Are consistent with the state plan and any local improvement plans.

a.	• All students will have access to a literacy-rich general education setting based on Wisconsin adopted state standards that includes individualized instruction, formative assessments, and benchmark assessments.
b.	• Staff development is being provided to develop consistent literacy instruction. • Continue literacy interventions. • All summer school courses may include a reading and writing component. • Offer reading/writing classes during summer school for grades one-four.
c.	• After School Programming (Boys and Girls Club after school academic assistance) • Students receive regular classes with the school counselor and access to small groups. • Mental health services are available and provided based on need.
d.	• Building data reviews are held three times per year. • Progress monitoring records are kept and reviewed on a regular basis. • Review year end data including counseling records and PBIS data.
e.	• District has implemented an RTI process. • Title 1 goal is in line with building goal and supports components of the district growth plan
