YOUR SCHOOL DAY..

All students will have

- Math,
- English
- Social
- Science
- Electives
- Spartan Time

Your schedule has you moving from teacher to teacher through out the day.

SPARTAN TIME

- Meets every day after lunch
- Character education activities
- Social Connections
- Reading and academic check in's
- FUN!

MATH PLACEMENT & PROGRESSION

- The first step in providing a meaningful education for student is the determination of appropriate coursework. The faculty of ROCORI schools will utilize data gained from student records to determine the appropriate placement of students in core academic subjects. The school has an objective data-driven process to place students in the appropriate core courses.
- **Math Course Progression:** Many students and parents are concerned with math course placement in the middle school and how it translates to future opportunities in the high school. Students who qualify to take pre-algebra in grade 6, algebra in grade 7, and geometry in grade 8 have consistently performed at or above the 90th percentile on standardized assessments, including their three most recent standardized assessments. RMS uses data from assessment results and trends for individual students when placing them math courses. RMS uses data from the Minnesota Comprehensive Assessments (MCAs) and the STAR test.

ACADEMIC INTERVENTIONS

- Math and Reading Skills
- The Response to Intervention (RtI) Team has established a data-based process for determining the placement of students in skills. To be assigned a Skills class, a student will have performed “below the benchmark” on standardized assessments.

6TH GRADE MUSIC CHOICES FOR NEXT YEAR!

Hello from our Music Department...

- Tony Hutar
- Stephanie Randolph
- Kim Morford

6TH GRADE BAND

Band Instructor, Tony Hutar is planning to visit our 5th grade classes and have them try instruments at the end of this school year. This will help determine what instrument your student may be interested in.

These are the band instruments we start students on in 6th grade: Flute, Clarinet, Alto Sax, Tenor Sax, Trumpet, French Horn, Trombone or Baritone. We will have percussion tryouts in November (after our first concert).

Questions contact Tony Hutar at hutara@rocori.k12.mn.us

GENERAL MUSIC

6th graders have the option to join General Music instead of Band or Choir. General Music is limited to 35 students per section. The number of sections offered will be based on registration numbers. This class will be offered on a first come, first serve basis. Any student that does not get into General Music will be placed into Choir.
