

CMS PERFORMING ARTS DEPARTMENT

Instrumental Music Study Permission Form

Dear Parents,

Before school begins in the fall, your child will attend an instrumental demonstration and/or presentation given by a middle school instrumental teacher and students. This opportunity will afford your child a chance to hear and see the various instruments offered in middle school music program.

Please understand that at this time specific instruments will not be assigned, but you and your child will choose whether he/she desires to be in band (woodwinds, brass, percussion) or orchestra (violin, viola, cello, or bass). Instrumental teachers throughout the district will arrange informational meetings for parents and students. Instrument selection will occur before the beginning of the 2022-23 school year. Please do not arrange to purchase or rent your child's instrument until after confirmation from an instructor.

Band or orchestra is a regularly scheduled, yearlong elective class at the middle school and part of the regular school day. Your child will receive a letter grade each quarter for this class. Please understand this will be the only opportunity to register your child for beginning level, instrumental music study. Beginning classes start only in the sixth grade and continue sequentially through twelfth grade. Interested parents need to complete this form.
