# MUSIC TOGETHER

## Gathering on the Green's Education & Outreach Program

Through Music Together, Gathering on the Green partners with music industry professionals to develop and offer programs that benefit our community partners. Using music as a tool to aid in education, healing, expression, appreciation, and positively impacting lives. Our goal is to excite people about the arts by exposing them to all aspects of the music and entertainment business. Our community partners represent all ages, ethnicities, and socioeconomic groups.
