

# Sutherland's Summer Reading Challenge

Dr. Clay and Sutherland's teachers challenge our students to reach their Summer Reading Challenge goal.

Your child should strive to reach the goal listed for the grade completed during the 2021-2022 school year. Ex. If your child completed 2<sup>nd</sup> grade this year, over the summer he/she should strive to reach the 2<sup>nd</sup> grade goal.

Any student meeting his or her goal will receive special recognition in the fall. Remember, in order to be rewarded, the reading challenge goal must be fully completed according to the criteria below.

Children who practice their reading skills over the summer will maintain the skills that were mastered during the school year. We encourage all parents to take their children to visit the children's section of the Appomattox Regional Library located at Eastside Enhancement Center. The summer literacy activities offered at the library are fun and interactive. For young readers, getting your very own library card can be a great motivation to read. To promote your child's literacy development, avoid the 'summer slide' and keep him/her reading over the summer!

## ***READING CHALLENGE GOALS***
