JOINTLY DEVELOPED & FEEDBACK

Parents, students, and staff shared ideas, which were used in the development of the School-Parent Compact in addition to feedback from the Parent Involvement survey, input at meetings, and evaluation of current parent engagement practices. Parents are welcome to contribute comments at any time, including at our Annual Title I meetings, Parent -Teacher conferences and PTO meetings. All feedback throughout the year will be collected and reviewed by parents and school staff during the annual School-Parent Compact revision meeting.
