

Academic and Social Emotional Areas of Emphasis

ELA ~ Balanced approach to language arts instruction to include accessibility to high-interest books of student choosing and instructional appropriateness, data driven instruction including goals and feedback, strategies to build reading stamina, opportunities for students to talk in response to texts, and intentionality in increasing rigor and developing critical thinking skills.

Math ~ Work across the grades to build on the knowledge of math skills and acquisition over time ~ specifically numbers sense and using math manipulatives and application for problem solving strategies. School-wide focus on mastery of fact fluency.

SEL ~ Capturing Kids Hearts ~ Research-based studies show that school culture is a core piece of raising student achievement. CKH is the tool through which we foster a culture of caring, connection, and personal responsibility.

Theory of Action ~ Strengthening Rigor, Responsiveness and Differentiation

CAPTURING KIDS HEARTS

- ◇ CKH is a relationship-building approach to discipline that creates self-managing groups. Students and teachers collaborate to create social expectations via a contract that guides daily classroom interactions.
- ◇ An environment is created that emphasizes positivity through "good things" and "affirmations", which are shared daily.
- ◇ The school focuses on a social and emotional theme each month with opportunities for daily lessons and application in the classroom.
