

District Policy Update

(Reminder)

The 2023 Iowa Acts, Chapter 96 (House File 604), signed by Governor Reynolds on May 26, 2023, requires the Iowa Department of Education to develop and distribute a model policy for school districts and charter schools that, if adopted, satisfies a school district's or charter school's responsibilities under Iowa Code 279.79 established by the Act. These model policies are intended to support a school district and charter school in meeting the requirements of new Iowa Code section 279.79 and in developing policies for different grade levels that describe how a school district or charter school may discipline a student for making a threat of violence or causing an incident of violence that results in injury or property damage or assault.

Districts are required to:

- Publish the district policy on the district website (2023 Iowa Acts, Chapter 96 [House File 604], section 7, new section 279.79, subsection 1).
- Provide each parent or guardian with a copy of the policy and require the parent or guardian acknowledge receipt of the policy in writing or electronically (2023 Iowa Acts, Chapter 96 [House File 604], section 8).
- Starting in the 24-25 school year, this will be required as part of student registration via PowerSchool.

The policy can be located here - [502.15 Discipline of Students Who Make Threats of Violence or Cause Incidents of Violence](#). We are required by law that parents/guardians acknowledge the receipt of this policy through the student handbooks. You are also being sent the link for the updated LMHS Student Handbook (below) and a form (below) for you to complete. Please fill out the form for each building you have children. Safe2SpeakUp is an application on all LMHS student school-issued computers that allows a student to report something unsafe or to ask for help for a personal crisis for self or someone else at any time. Safe2SpeakUp alerts are sent directly to LMHS Administrators, Student Assistance Counselors and School Counselors. Thanks to some hard work and efforts by some of our LMHS students, we now have a QR code and a link that can be used more easily for student reporting. The QR code will be posted at various locations around school and the link will be made available in the Updates as well as on the LMHS webpage on the district website.

Serious Threat-Intruder ‘Barricade and Prepare to Fight’ Drill on Tuesday, January 23, 2024 9:01 a.m.

At 9:01 a.m., the Intercom will ask teachers and staff to go through the ‘Drill’.

Students will stay in the classroom for this drill. This is a ‘NON-Active’ drill. The focus is knowing what to do and where to locate yourself in the classroom. This drill will not take long but we ask all to take this seriously without creating panic.

Re-emphasize Point I: *Get out of the Building.*

- a. It is important to simply get out of the building as quickly as possible.**
- b. If there is a logjam getting out a door, go to the next closest door – the point being to not wait to get out and to find the next quickest exit and get out of the building.**
- c. If cannot leave the building, then barricade and prepare to fight. THIS IS TODAY’s FOCUS.**

Major Points of this ‘Drill’:

- a. ‘Barricade’:** Teachers will show students what items to quickly move in front of classroom door(s) to prevent, or at least disrupt, anyone from entering the room.
- b. ‘Prepare to Fight’:** Students will be shown where they will locate in room once they have barricaded doors. (Students would spread throughout the room and locate behind desks/tables/etc. and away from sightline of someone outside the door(s)). **Students will be told to ‘arm’ themselves with any objects** that they can use to throw/distract any perpetrator that may penetrate the barricade.
- c. ‘Get out of the room and out of the building’:** Students will be informed the goal is still to get out of the room and out of the building as they are able. If perpetrator has been distracted/disabled enough to get out of the room, do so quickly and then get out of the building at the nearest exit.
- Once this is done, then 1st Period/1st Block will begin.

Depression Screening Available the Week of January 22, 2024

The teen years are marked by a rollercoaster ride of emotions – difficult for teens, their parents, and educators. Linn Mar Counselors will be offering Depression Screening the week of January 22 with parental informed consent. They are focusing on 9th and 10th grades for screenings; however, 11th and 12th students will be screened upon parent request also. This tool cannot provide a diagnosis of depression, but it does give an indication of whether a young person should be referred for evaluation by a mental health professional. Parents can view a copy of the screener at: <https://forms.gle/zpDCxy5mygHg9DZVA>.

If you would like your high school student(s) screened, please fill out the following consent form by January 16: <https://forms.gle/MAhTCdzhEY4RAsgt9>
