Safe2SpeakUp is an application on all LMHS student school-issued computers that allows a student to report something unsafe or to ask for help for a personal crisis for self or someone else at any time. Safe2SpeakUp alerts are sent directly to LMHS Administrators, Student Assistance Counselors and School Counselors. Thanks to some hard work and efforts by some of our LMHS students, we now have a QR code and a link that can be used more easily for student reporting. The QR code will be posted at various locations around school and the link will be made available in the Updates as well as on the LMHS webpage on the district website.

High School Safe2Speakup
See Something. Say Something.

****This reporting tool is for High School students only. ****

Student reporting helps keep our schools safe. **Please click on the appropriate link below to report a concern to school administration and counselors.** A QR code has been posted around LMHS that will also take you directly to this link. Please note that if you report anonymously, the investigation may take longer to conduct. Reports to school administration are seen during normal school hours 7:30 am-4:00 pm Monday – Friday when school is in session. If it is outside of this time or an extreme emergency, please dial 911.

Construction Impacts to Parking Begins after March 8 – PARKING ALERT

March 8 will be the last school day we will use the West (Door #1) parking area (14 parking spaces, 10 ADA parking spaces, 4 district vehicle spaces). It will also be the last day for some time that we will use the western-most area of the South Parking Lot (approximately 71 parking spaces). **Please be aware that these locations will no longer be available when we return from spring break on March 18.** Additional ADA locations are planned to be added near the Door #2 and Door #14 areas. Other Information

Physical Plant and Equipment Levy (PPEL)

Registered voters [who reside](#) in the Linn-Mar CSD are eligible to vote ahead of the special election on **Tuesday, March 5.**

From now until Monday, March 4, in-person absentee voting is available at the [Linn County Auditor's Office](#) (935 2nd Street SW, Cedar Rapids). This option can be completed weekdays from 7:30 a.m. to 4:30 p.m. A valid ID will be required to vote.

On the ballot is the Physical Plant and Equipment Levy (PPEL) renewal for Linn-Mar CSD. The voted PPEL must be renewed every 10 years and provide revenue that has been used to address facility and equipment needs throughout the district. This list includes roof repairs, school bus replacement, technology purchases, school security improvements, and more. More information can be found on the [district website](#).

If the voted PPEL is renewed, it will remain in place through 2035 at the existing rate of \$1.34 per \$1,000 of taxable property value. This will generate approximately \$3.5 million to \$4.7 million annually, based on the district's taxable valuation increasing by 3.5% each year.

If you plan to vote on election day (March 5), the polls will be open from 7:00 a.m. to 8:00 p.m. You will need to show a valid ID and polling locations can be found on the [Iowa Secretary of State website](#).
