Safe2SpeakUp alerts are sent directly to LMHS Administrators, Student Assistance Counselors and School Counselors. Thanks to some hard work and efforts by some of our LMHS students, we now have a QR code and a link that can be used more easily for student reporting. The QR code will be posted at various locations around school and the link will be made available in the Updates as well as on the LMHS webpage on the district website.

### High School Safe2Speakup

Please note that if you report anonymously, the investigation may take longer to conduct. Reports to school administration are seen during normal school hours 7:30 am-4:00 pm Monday – Friday when school is in session. If it is outside of this time or an extreme emergency, please dial 911.

### **Information on the Speaker on Human Trafficking on Friday, November 10**

Teachers may sign up to bring classes to hear a speaker on human trafficking in the Auditorium on Friday, November 10, at 12:00 p.m. An excerpt on the speaker is included below:

From Chains Interrupted:

*The survivor that we have to speak at Linn Mar is a teen. I think that her story will have the greatest impact on your student body and her story will be very relatable to them. I have been speaking with her mom, who said that it will only take her about 20-30 minutes for her to share her story. I was thinking we could start with a speaker explaining what human trafficking is; the force, fraud and coercion components; the laws pertaining to victims who are under 18; the grooming process and where traffickers find people to groom. This would lead to the number one place that people are being groomed into exploitation - the internet. This is where this particular survivor was groomed into trafficking and would lead right into her story. We could then have our speaker follow up with what students can do if they think they or someone they know is being groomed or trafficked.*
