Once the lead rises above fifteen (15), the leading team can no longer press.

Pressing will be allowed for 7th & 8th graders. However, in the interest of fundamentals and competitive play, pressing will not be allowed if the losing team is down by fifteen (15) or more points throughout the game. Once the lead rises above fifteen (15), the leading team can no longer press.

Free Throws

- 1 & 1 shots will take place during the 7th – 9th team fouls of each half
- 2 shots will be awarded after the 10th team foul of each half

Scorekeeping

Each team/coach shall provide a parent/spectator to serve as the scorekeeper or timekeeper for each game. Both of these individuals must sit at the official's sideline table located at half court during the game.

Technical Fouls:

Technical fouls can be assessed against a team or any of its members by the game's officials for any number of reasons including unsportsmanlike conduct by players and/or coaches.

Any technical foul assessed against one team will result in the other team being awarded two (2) points and the ball. Coaches and/or players receiving two or more individual technical fouls during the weekend will be automatically ejected for the remainder of the weekend.

Time Limits:

Each game will consist of two (2), 16-minute halves. All games will be timed using a running clock system, with the clock being stopped only for time-outs and at each whistle during the last two (2) minutes of regulation play and overtime periods of play. There will be a three (3) minute break at halftime. Time will be allotted for a pre-game warm-up but in order to keep the game within the allotted time period, the length of the rest periods may be altered at the discretion of the referees.

If regulation play ends in a tie, an overtime period of two (2) minutes will be allotted. Next two (2) overtimes would consist of one (1) minute periods. If the score still remains tied after the 3rd overtime, a sudden death shoot-off will occur with the current players on the floor shooting from the free throw line. Each overtime period will begin with a jump ball.

Game times are approximate. Teams should be ready to play when game ahead finishes. Games may start up to 30 minutes earlier than expected!!

Timeouts:

Each team will be allotted two (2) timeouts per game, and one (1) each overtime period if needed. Unused time-outs cannot be carried over. An official's time-out is not charged to either team.
