Dear Charlestown School Alumni:

As you stand poised to graduate from Chariho High School and make plans to continue your education it may seem like a long time since you last attended Charlestown school. However, we the Parents, Teachers, and Staff of the Charlestown School Parent Teacher Organization still take pride in your accomplishments. For that reason, Charlestown School PTO will award a \$1,000.00 scholarship, The Madison Miller Memorial Scholarship, to a graduating senior of Chariho High School who is an alumnus of Charlestown Elementary School.

The following is a list of requirements you must meet before applying for this scholarship.

- 1      You must have attended Charlestown School from September of the 3<sup>rd</sup> grade through June of 4<sup>th</sup> grade.
- 2      You must be accepted by an accredited postgraduate school and will be beginning no later than September 2024.
- 3      You must provide a letter of recommendation from a teacher at Chariho High School.
- 4      You must provide a copy of your transcripts.
- 5      You must provide a one page essay (typed and double spaced) telling us about yourself and your future plans and how Charlestown school may have influenced them. Please include your home address.

This scholarship is not based on financial need. We require the letter of recommendation and your transcripts to verify that you are a consistent student and have a reasonable chance of graduating from your chosen postgraduate school.

Applications are due no later than April 4, 2023.

The judging will be done anonymously by a committee of teachers and PTO members. The winner will be announced at your senior awards night.
