Do you know an outstanding high school student who would be a great candidate for Oklahoma Youth Expo/Leadership Summit?

East Central Electric Cooperative will be sponsoring two students to attend Leadership Summit.

Students will spend the day performing different leadership activities and work with other students for group leadership projects.

Students will get to hear from nationally renowned speakers that will discuss the importance of being a leader in our communities and teach them about self-reflection and self-development.

Each student will receive a \$500 scholarship, certificate, shirt, and branded items during the event.

Please complete the Leadership Summit Nomination Form and attach a letter of recommendation to the form.

You will get to hear from two amazing speakers.

Rhett Laubach and Kelly Barnes are Oklahoma natives and have collectively spent over 40 years sharing leadership messages with students and adults in the education, agriculture, insurance, health, transportation, and sales industries. Their presentation style is very interactive and engaging and the content they will share is both tangible and relevant to the student leaders who will be attending the conference.

The content Rhett and Kelly will share is focused on how to make the most of the service and growth opportunities in front of you today and in the future. The attendees will increase their understanding of how leaders create change, overcome obstacles, and serve others through their behavior and attitude.

You can learn more information about Rhett at www.YourNextSpeaker.com.
