GREETING

Hey, Bobcats! Let's get ready for Winter Homecoming Week! The week is filled with spirit dress-up days for our middle and high school students, several athletic games and competitions, Hall of Fame inductions, crowning of Mr. and Miss Whiteford, and the Winterfest Dance as the finale. Based upon our Strategic Plan's Shared Beliefs, we believe community support is valuable in promoting student success. We hope our community will take this opportunity to attend one of the many games or events this week as we have much to celebrate, and our students are encouraged by the support. We are better Together - We are Whiteford!

PORTRAIT OF A GRADUATE

The Whiteford Agricultural School District's Portrait of a Graduate will represent our school district's vision for the 21st century skills, character traits, and/or social-emotional competencies that students need to succeed in college, career, and life.

- What are the hopes, dreams, and aspirations that our community has for its students?
- What are the skills and mindsets our children need for success in this rapidly changing, complex world?
- What are the implications for the design of the learning experiences—and equitable access to those experiences—we provide in our school system?

The first survey was completed by stakeholders in March 2023 asking to identify their top 10 competencies for a graduate of Whiteford I. These survey results narrowed the list of competencies from 30 to 11. A second survey was conducted in May 2023 to narrow the list to the top 6 competencies. Those six competencies are: Responsibility, Communication, Critical Thinking, Confidence, Leadership, and Adaptability.

We are seeking volunteers to join a committee to continue work in creating a Whiteford Portrait of a Graduate. The next committee meeting will be held on Thursday, February 29, 2024 at 5:30pm. If you are interested in attending, please contact Scott Huard at: scott.huard@whiteford.k12.mi.us.

SCHOOL THREATS ARE NO JOKE

Now, more than ever, we need to maintain a partnership with parents/guardians to convey a consistent message to our students that regardless of intentions, it is not okay to talk about violence towards individuals, groups, or the school community on social media platforms or with friends. We are asking parents or guardians to clearly communicate with their student(s) that violent threats and behaviors are not acceptable. A discussion around possible consequences such as school suspension or expulsion, or prosecution by the Monroe County Prosecutor's Office for making threats of violence would also be appropriate. We ask that parents/guardians continue to stress the importance of how/when to report concerning behavior by utilizing the [OK2SAY](#) student safety program, Monroe County Sheriff's Dispatch Center, and/or communicating directly to a Whiteford staff member or school administration. Together, we can be vigilant in identifying possible threats of violence!

ENROLLMENT PROJECTIONS SURVEY

We are seeking some information from families regarding Kindergarten enrollment projections as well as interest in a Young 5 or Transitional Kindergarten Program. Please complete the following survey if you will be enrolling Kindergarten student(s) in the future based upon your current situation: [Whiteford Kindergarten Enrollment Survey](#).
