Trustees Call for an Election

A resolution calling for a Trustee Election and possible mill levy to operate and maintain the general funds was reviewed. The resolution does not have to state a dollar value for the mill levies at this time. As the resolution states, “any portion of the election that is not required, the Board of Trustees authorizes the election administrator to cancel that portion of the election.” So, before the election is set by the County Election Department, another resolution will be needed to be approved. At that time, the Board will decide if they want to run a levy, and if so, the amount of the levy would need to be determined.

An Elementary motion was made by Julie Hinkle, seconded by Shane Flowers, to approve the resolution calling for an election.

A High School motion was made by Jeff Branson, seconded by Shayne Vandivort, to approve the resolution calling for an election.

Both motions passed unanimously.
