

CTE / High School Registration Form

2024-2025 - Rising Grade 9

In an effort to offer students equitable educational opportunities, UCPS has created a standardized registration form. Please refer to the Program of Studies for course descriptions, grade level and prerequisite requirements. The Programs of Studies is available through the guidance department and online at the UCPS High School Education web page (<http://www.ucps.k12.nc.us/Page/6405>). Every effort will be made to offer the courses selected by each student. If there is a course conflict or low student enrollment, the alternate choices will be used.
