| * Students may choose to take Health and one semester of Physical Education in Summer School. One semester of Physical Education must be taken at LHS during the school year. At the time of selecting classes, all students will be enrolled in both semesters of Physical Education and if selected, Health. Adjustments in the schedule will be made in August once the grades and credits earned are confirmed. If planning to take Summer School Physical Education or Health please provide 2 Alternate Course Options to replace Physical Education and/or Health in your Course Selections area above. |                                                                                                  |                                                                                            | <b>1405 - 1406</b>                                                        | <b>(DC) Intro to Engineering Design</b> (Algebra I enrollment or credit)                      |                                                                         |
