**Please Note:** These are estimated times and we ask that the student be out 5-7 minutes before there estimated times. These times will be adjusted after the first few weeks of school.

If you see an address listed that looks like this example: ~~-36 Willow Lane~~ This symbolizes the student has not utilized transportation for an extended period of time.  
Please be visible, or call/email the bus coordinator to remove the line from this address.

**Please Note:** Students may only ride on the bus assigned to them. At this time they will not be able to ride on another students bus.

The nationwide bus driver shortage could lead to changes in the drivers' routes. If we don't get the number of bus drivers that we need, we will need to combine more routes and/or make other adjustments.
