WELCOME

We are so glad you came, as we are celebrating our **40th** show! There is a Music Wall of Fame on both sides of the stage, displaying programs from over the years. Thank you, Rene Trussell, for putting the display together.

It is amazing how many people have performed and the amount of talent that has been on this stage! In addition, there have been many “behind the scenes” people listed in the programs that have been very important to the show’s success. Thank you to each person who has donated their time and talent! The benefits to the school and its students include annual scholarships (up to 4 a year), band uniforms, blinds, stage curtains, chairs, music stands, band instruments, and help with the cost of a new walk-in cooler/freezer, to name a few.

Last but not least, thank you to the audiences that have supported our efforts financially! You come back each year, so you must enjoy it. I can’t tell you how much that means to the people working hard to put on a good show. The band, especially, puts in a lot of hours outside of practice. So, if you like what you hear, encourage them with your applause! Enjoy the show!
