

Lawrence Public Schools

Overview of 2024 Accountability Data

Lynn Catarius, Ph.D.
LPS Office of Assessment and Accountability
October 9, 2024

The 2024 accountability reporting represents the third year back to the full accountability system.

Measure	2019	2020	2021	2022	2023	2024
MCAS	Full	Canceled- COVID School Closures	Partial and Remote	Full	Full	Full
Accountability Percentile						
Progress towards targets						

Refresher: The Massachusetts' accountability system is designed to measure how a school/district is performing and what kind of support it may need. The system considers:

Accountability Indicators	
Achievement	MCAS scores in English language arts, math and science
Student Growth	MCAS student growth percentiles (SGP) in English language arts and math
High School Completion	Four-year cohort graduation rate
	Extended engagement rate: the five-year cohort graduation rate plus the percentage of students from the cohort who are still enrolled in school
	Annual dropout rate
English Language Proficiency	Progress made by students towards attaining English language proficiency (percentage of students in grades 1-12 meeting annual targets required in order to attain English proficiency in six years, measured by ACCESS testing)
Additional Indicators:	Chronic Absenteeism: Percentage of students in grades 1-12 missing 10% or more of the days they were enrolled
	Advanced Coursework Completion: Percentage of 11th and 12th graders completing at least one course (Advanced Placement, International Baccalaureate, dual enrollment for college credit and other rigorous courses identified by DESE)

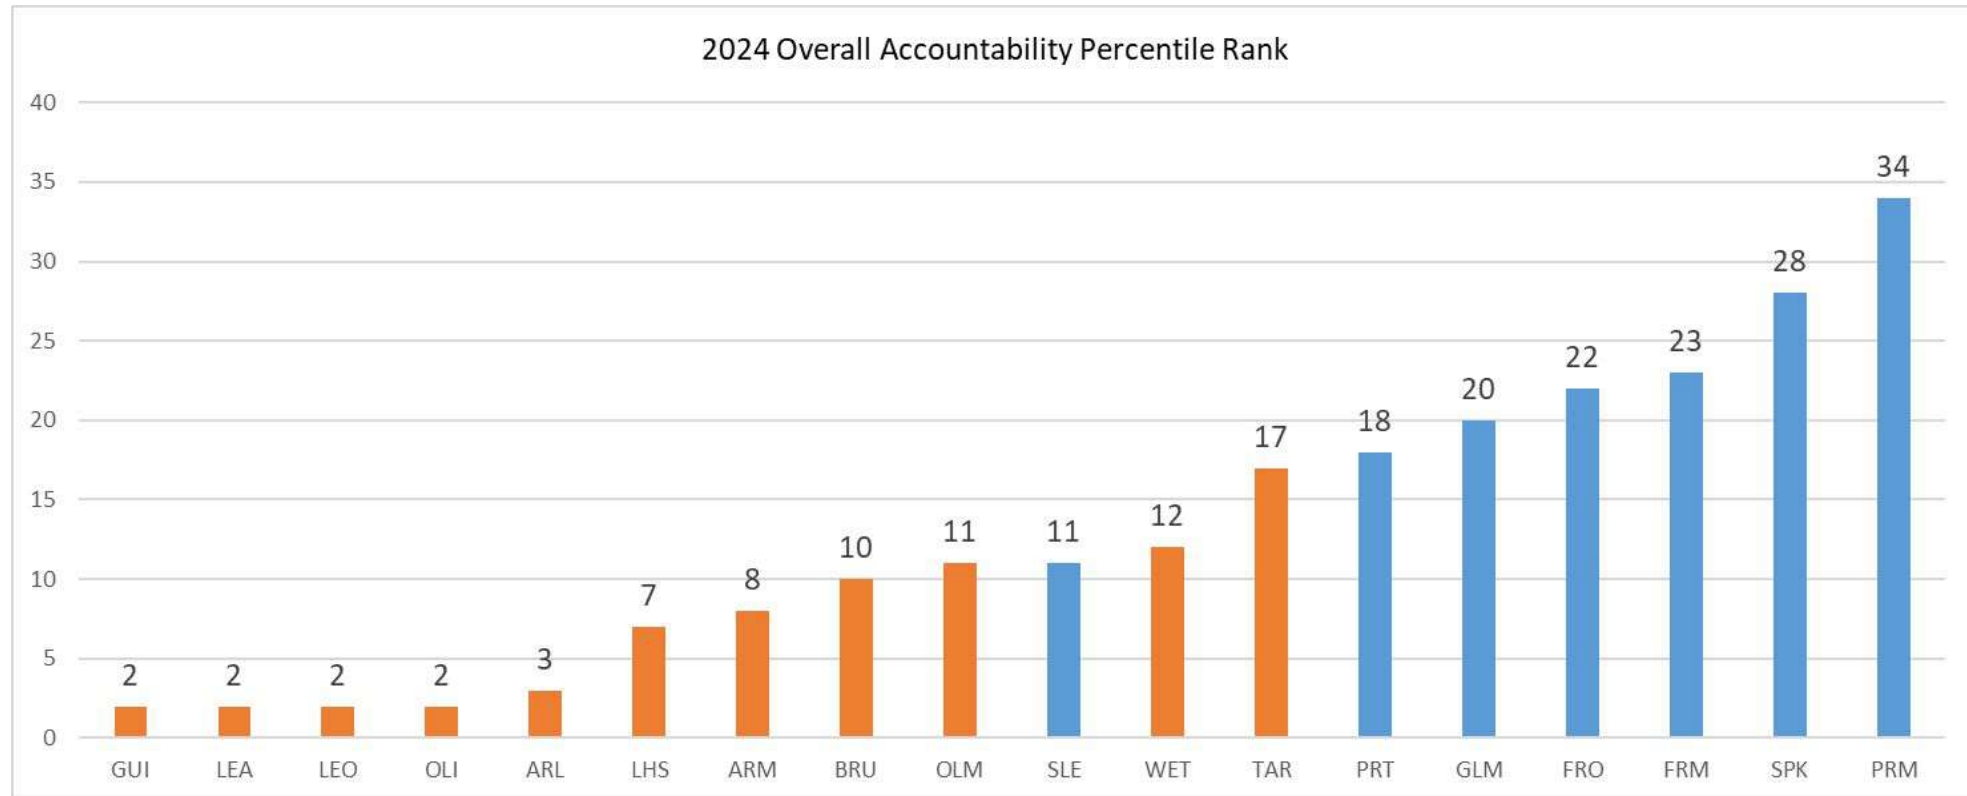

Overall School Accountability Ranking

The performance of each school relative to other schools statewide that serve the same grade levels

Classification is based on the Overall Accountability Percentile

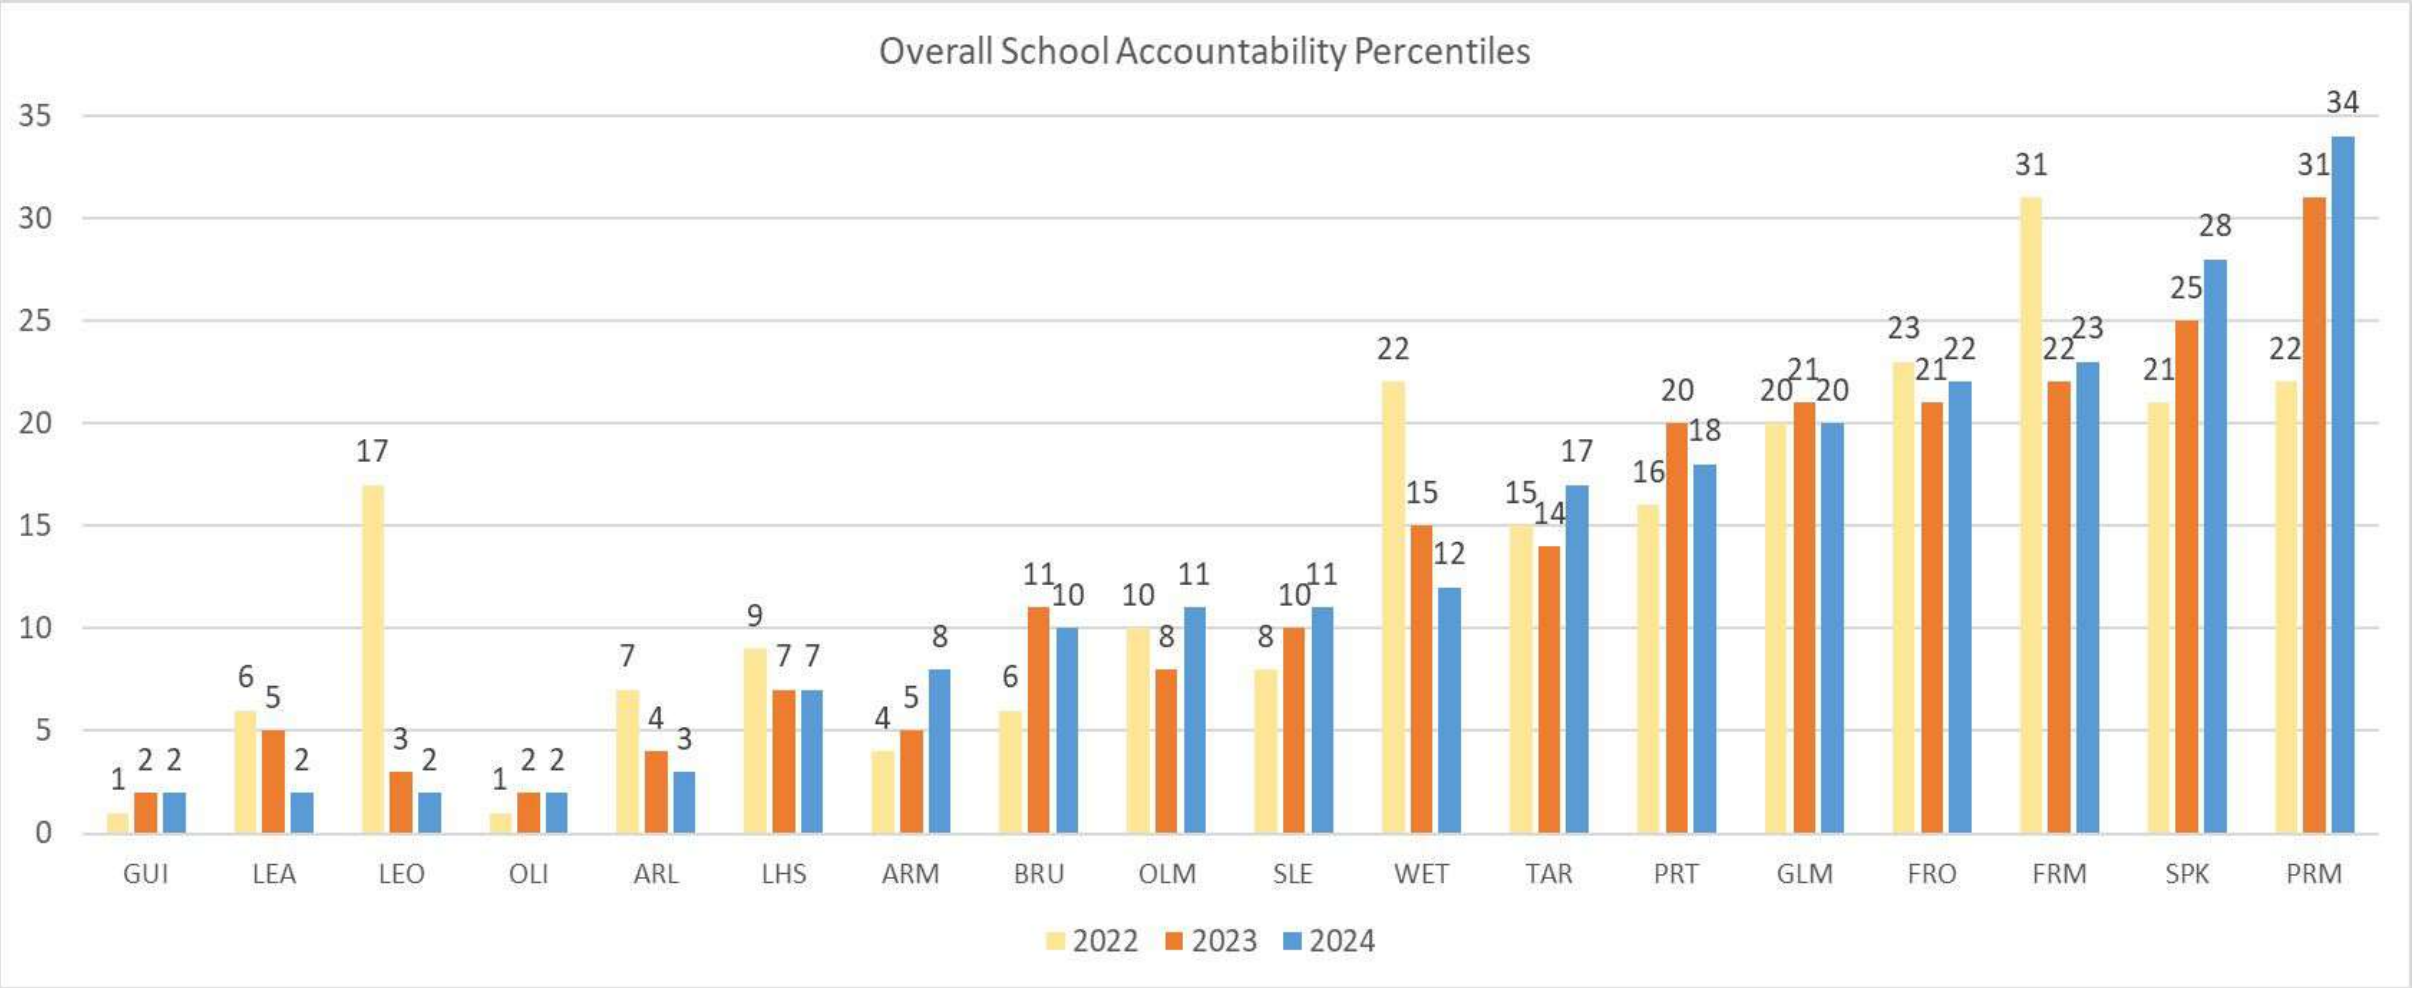

All Massachusetts schools with sufficient data are classified into one of two accountability categories:

- **Schools requiring assistance or intervention** have an accountability percentile of 10 or lower; have low subgroup performance; or identified as underperforming school
- **Schools not requiring assistance or intervention** have an accountability percentile of 11 or greater and no low subgroup performance.

Overall School Accountability Percentiles 2022 - 2024

8 schools increased, 7 schools decreased; 3 schools unchanged

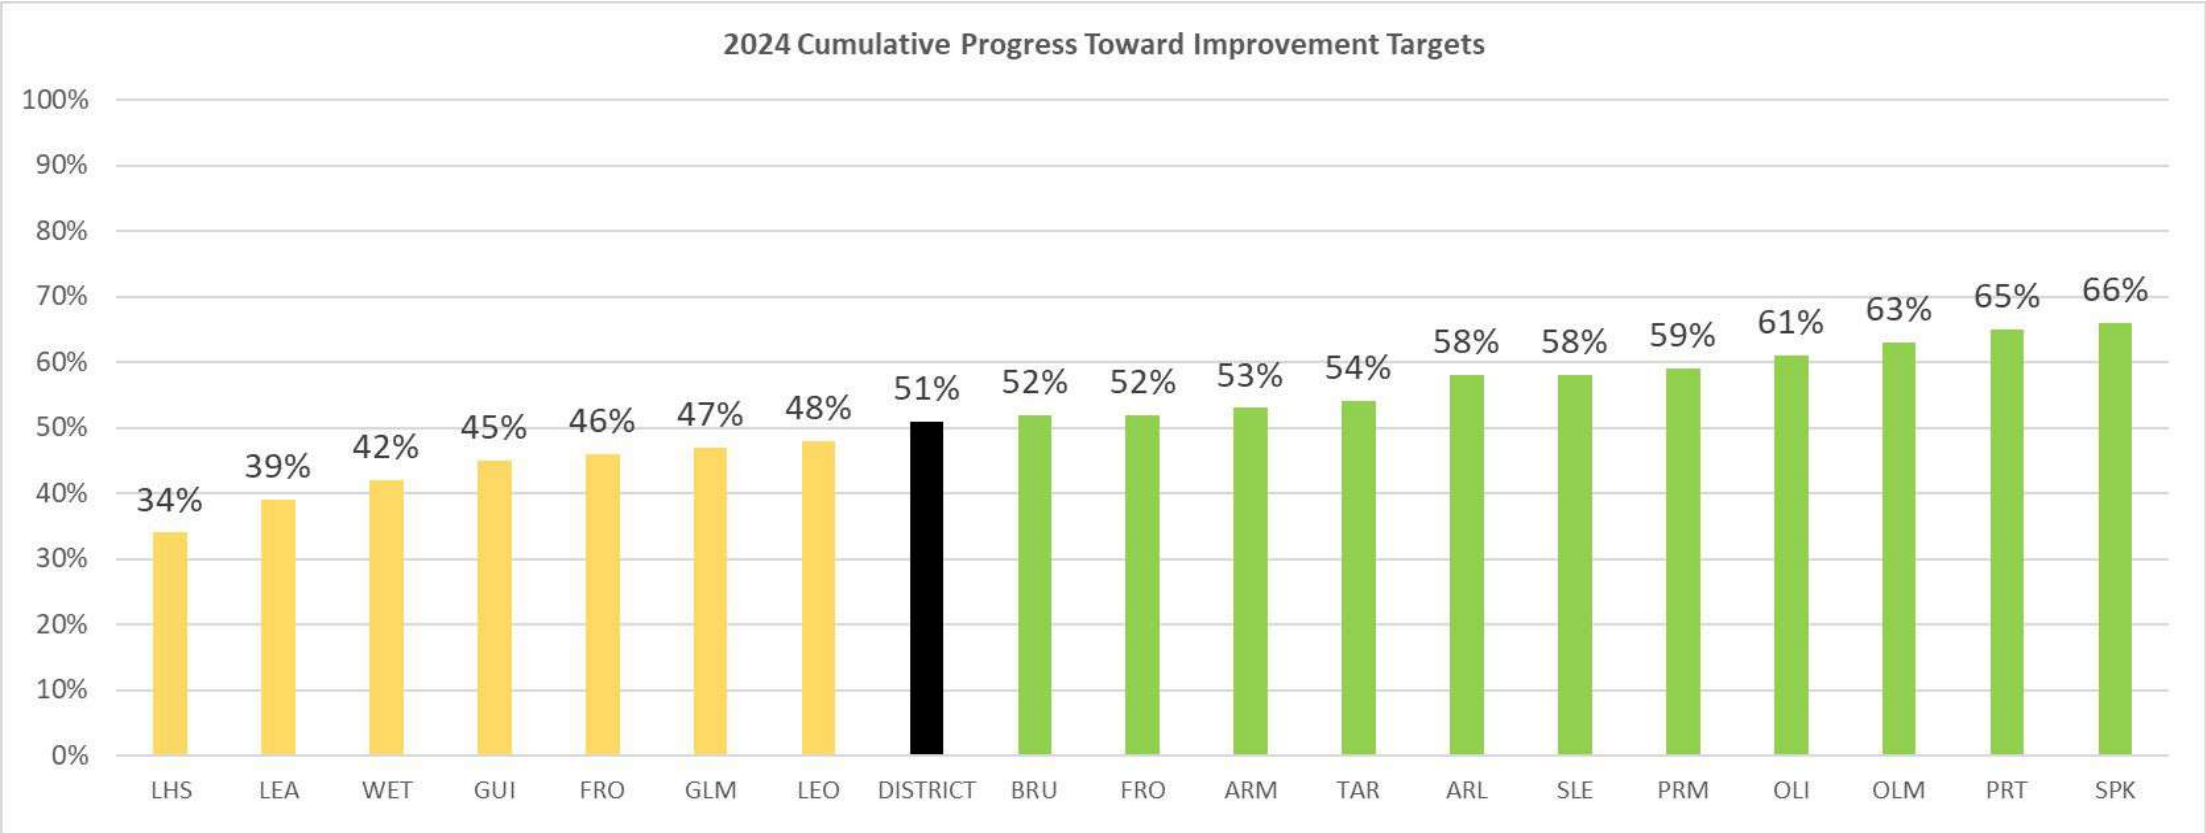

Progress toward Improvement

A school's progress toward State set improvement targets

2024 Cumulative Overall Progress toward Improvement Targets

The overall target cumulative percentage indicates the degree to which a school has met their improvement targets.

	Limited or No Progress toward Targets (0-24% of points)	Moderate Progress toward Targets (25-49% of points)	Substantial Progress toward Targets (50-74% of points)	Meeting or Exceeding Targets (75-100% of points)
2024	0 schools	7 of the 18 schools	11 of the 18 schools	0 of the 18 schools

2023 and 2024 Cumulative Overall Progress toward Improvement Targets

The overall target cumulative percentage indicates the degree to which a school has met their improvement targets.

The district, as a whole, increased percent of possible points from **45% to 51%.**

- 10 of the 18 schools had increases in the overall percent of points earned toward improvement targets

Percentage of Points Earned by Subgroup

	Limited or No Progress toward Targets (0-24% of points)	Moderate Progress toward Targets (25-49% of points)	Substantial Progress toward Targets (50-74% of points)	Meeting or Exceeding Targets (75-100% of points)
2023	20%	36%	38%	6%
2024	12%	48%	34%	6%

2024 Percentage of Points Awarded	District			Schools																	
	Overall	Non-HS (70%)	HS (30%)	ARL	ARM	BRU	FRM	FRO	GLM	GUI	LEA	LEO	LHS	OLI	OLM	PRM	PRT	SLE	SPK	TAR	WET
Overall: average of "All Students" and "Lowest Performing" Subgroups	55%	60%	43%	50%	59%	38%	42%	48%	50%	35%	44%	56%	23%	65%	79%	55%	67%	55%	53%	50%	46%

WET	42%	50%	0%	50%	42%	75%	25%	-	0%	59%

Closing the Achievement Gap: The progress of the *Lowest Performing Students* subgroup was higher than that of the *All Students* subgroup for nearly every school. **We are closing the achievement gap!**

* Indicates a school requiring assistance or intervention

Achievement

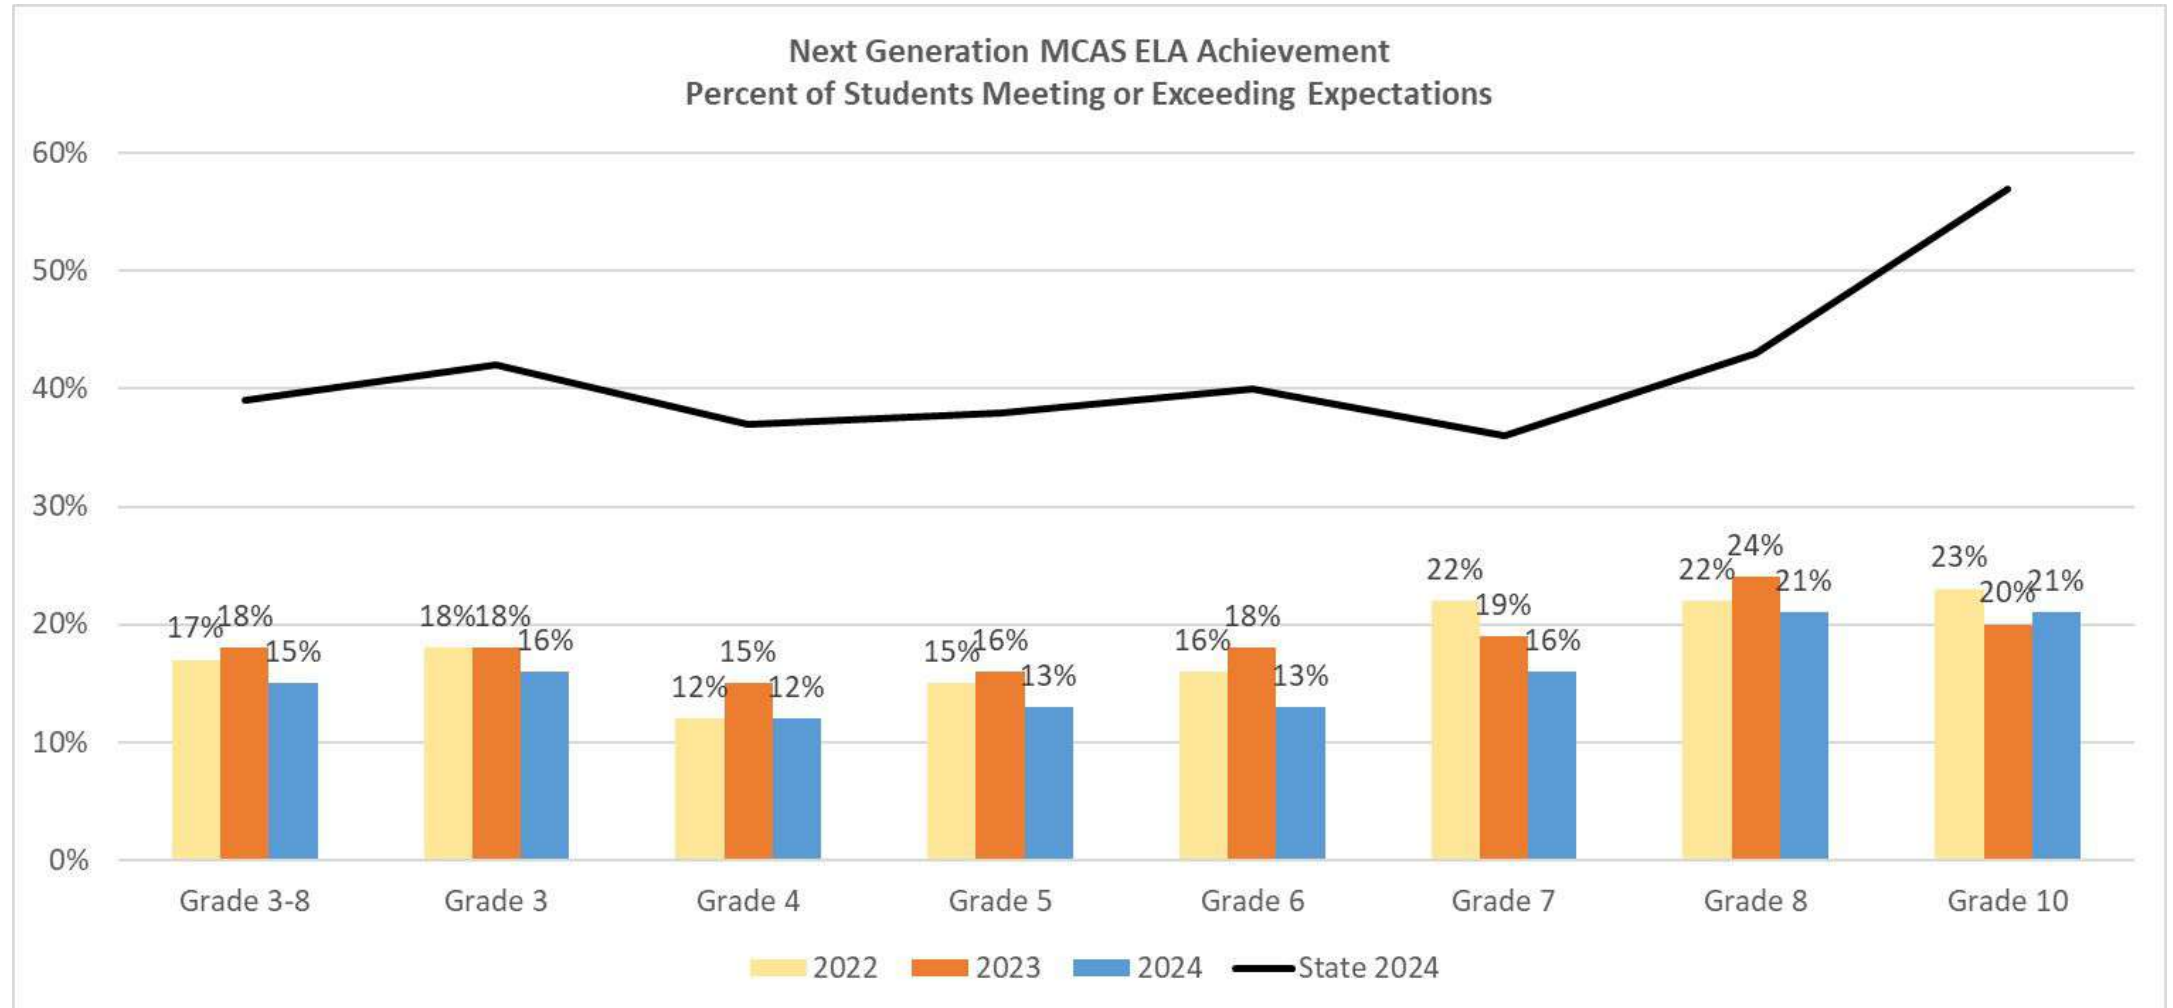

Next-Generation MCAS: ELA & Math Grades 3-8 and 10

Next-Generation MCAS: Science Grades 5 and 8

Next Generation MCAS: Science Grade 10

Achievement: English Language Arts

Below is the percentage of students that scored *Meeting or Exceeding Expectations* on the Next-Generation ELA MCAS tests in 2022, 2023 and 2024 with State 2024 comparison.

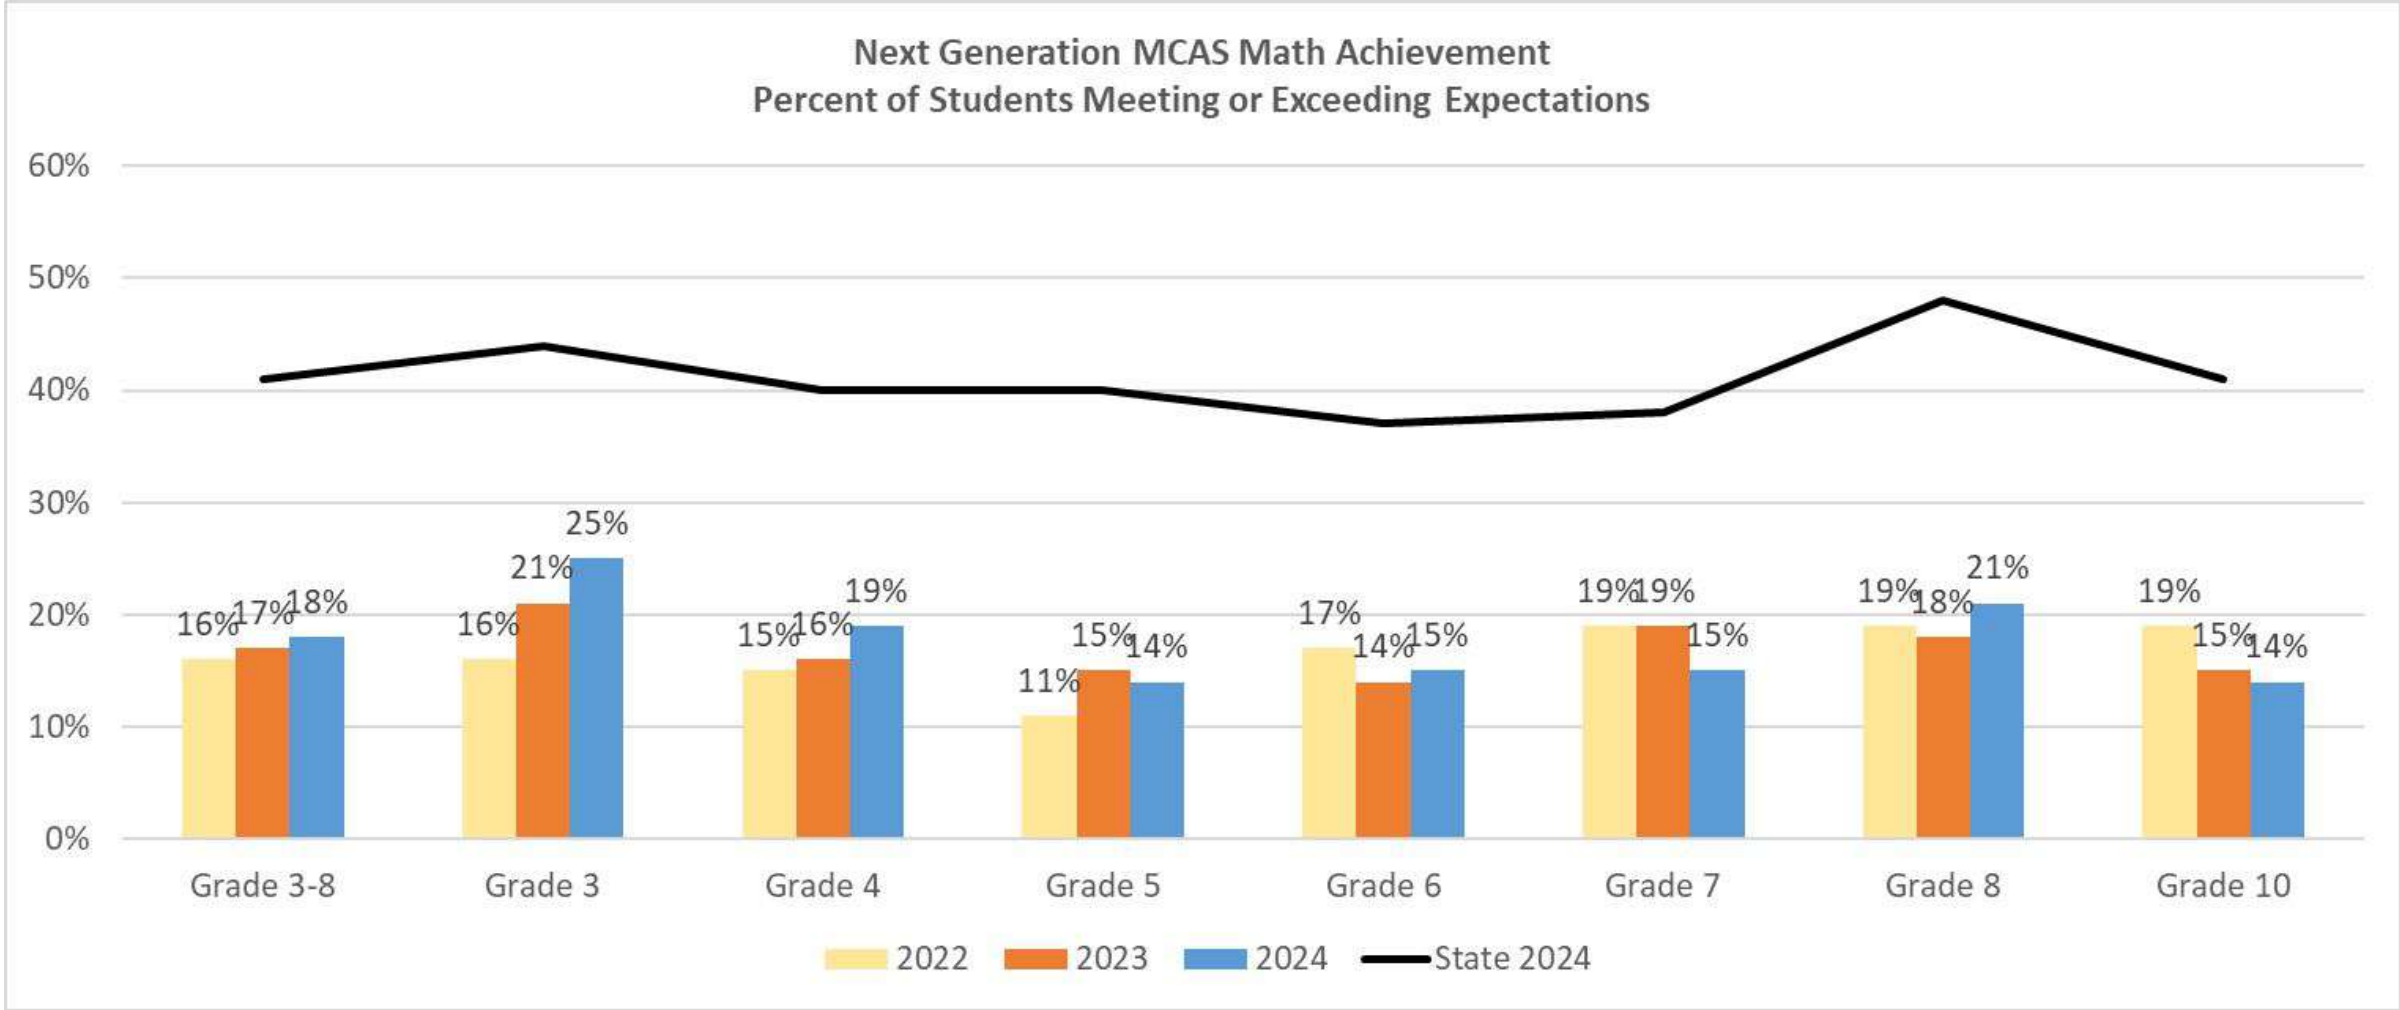

Below is the comparison of the percentage of students that scored *Partially Meeting, Meeting or Exceeding Expectations* (Passing Categories) on the Next-Generation ELA MCAS tests in 2022, 2023 and 2024 with State comparison for 2024.

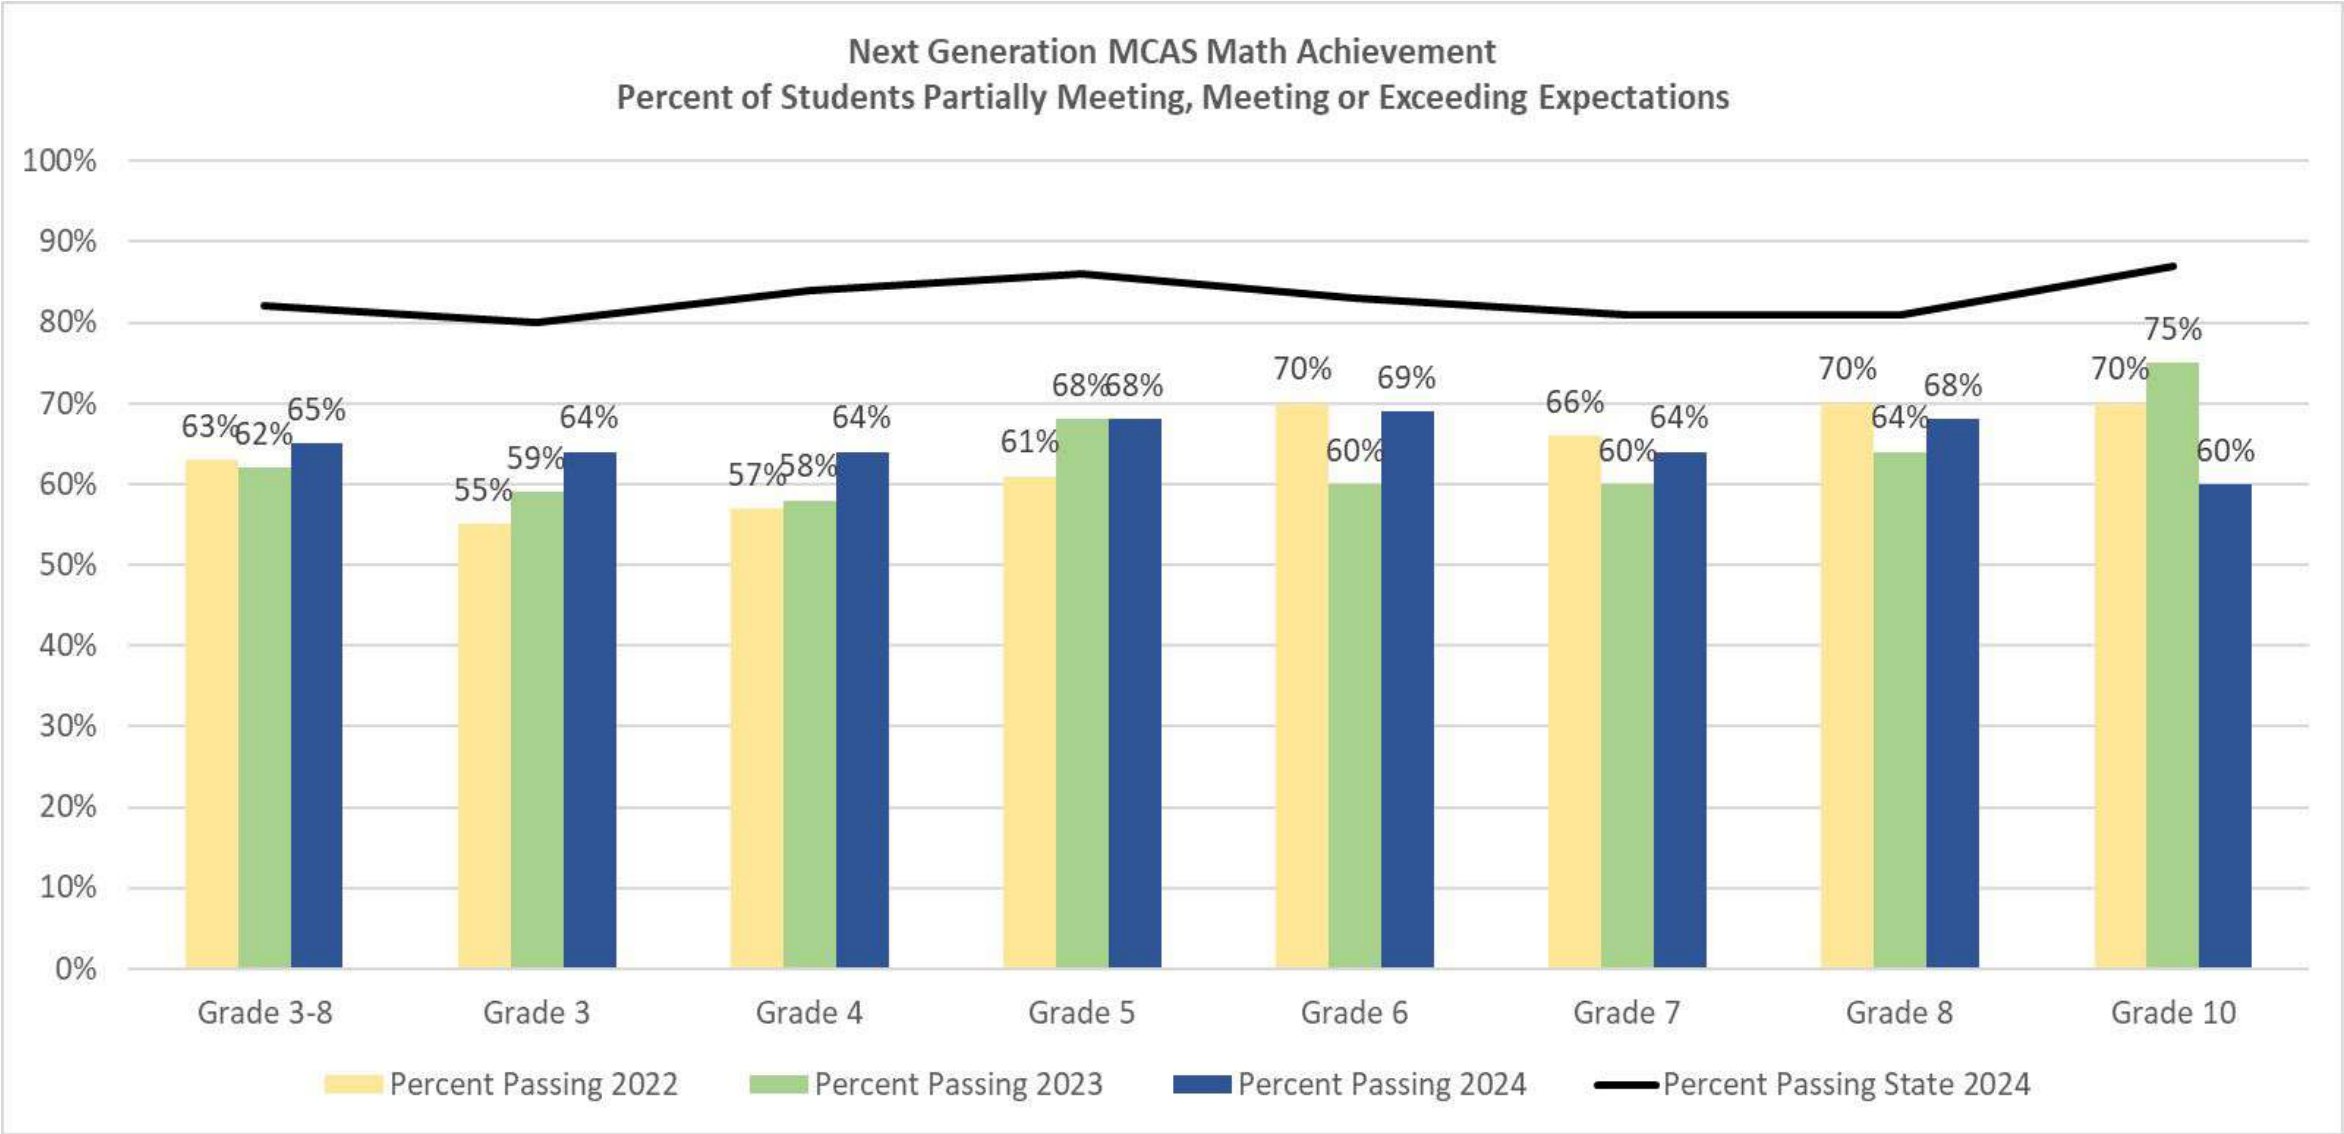

Achievement: Mathematics

Below is the percentage of students that scored *Meeting or Exceeding Expectations* on the Next-Generation Math MCAS tests in 2022, 2023 and 2024 with State 2024 comparison.

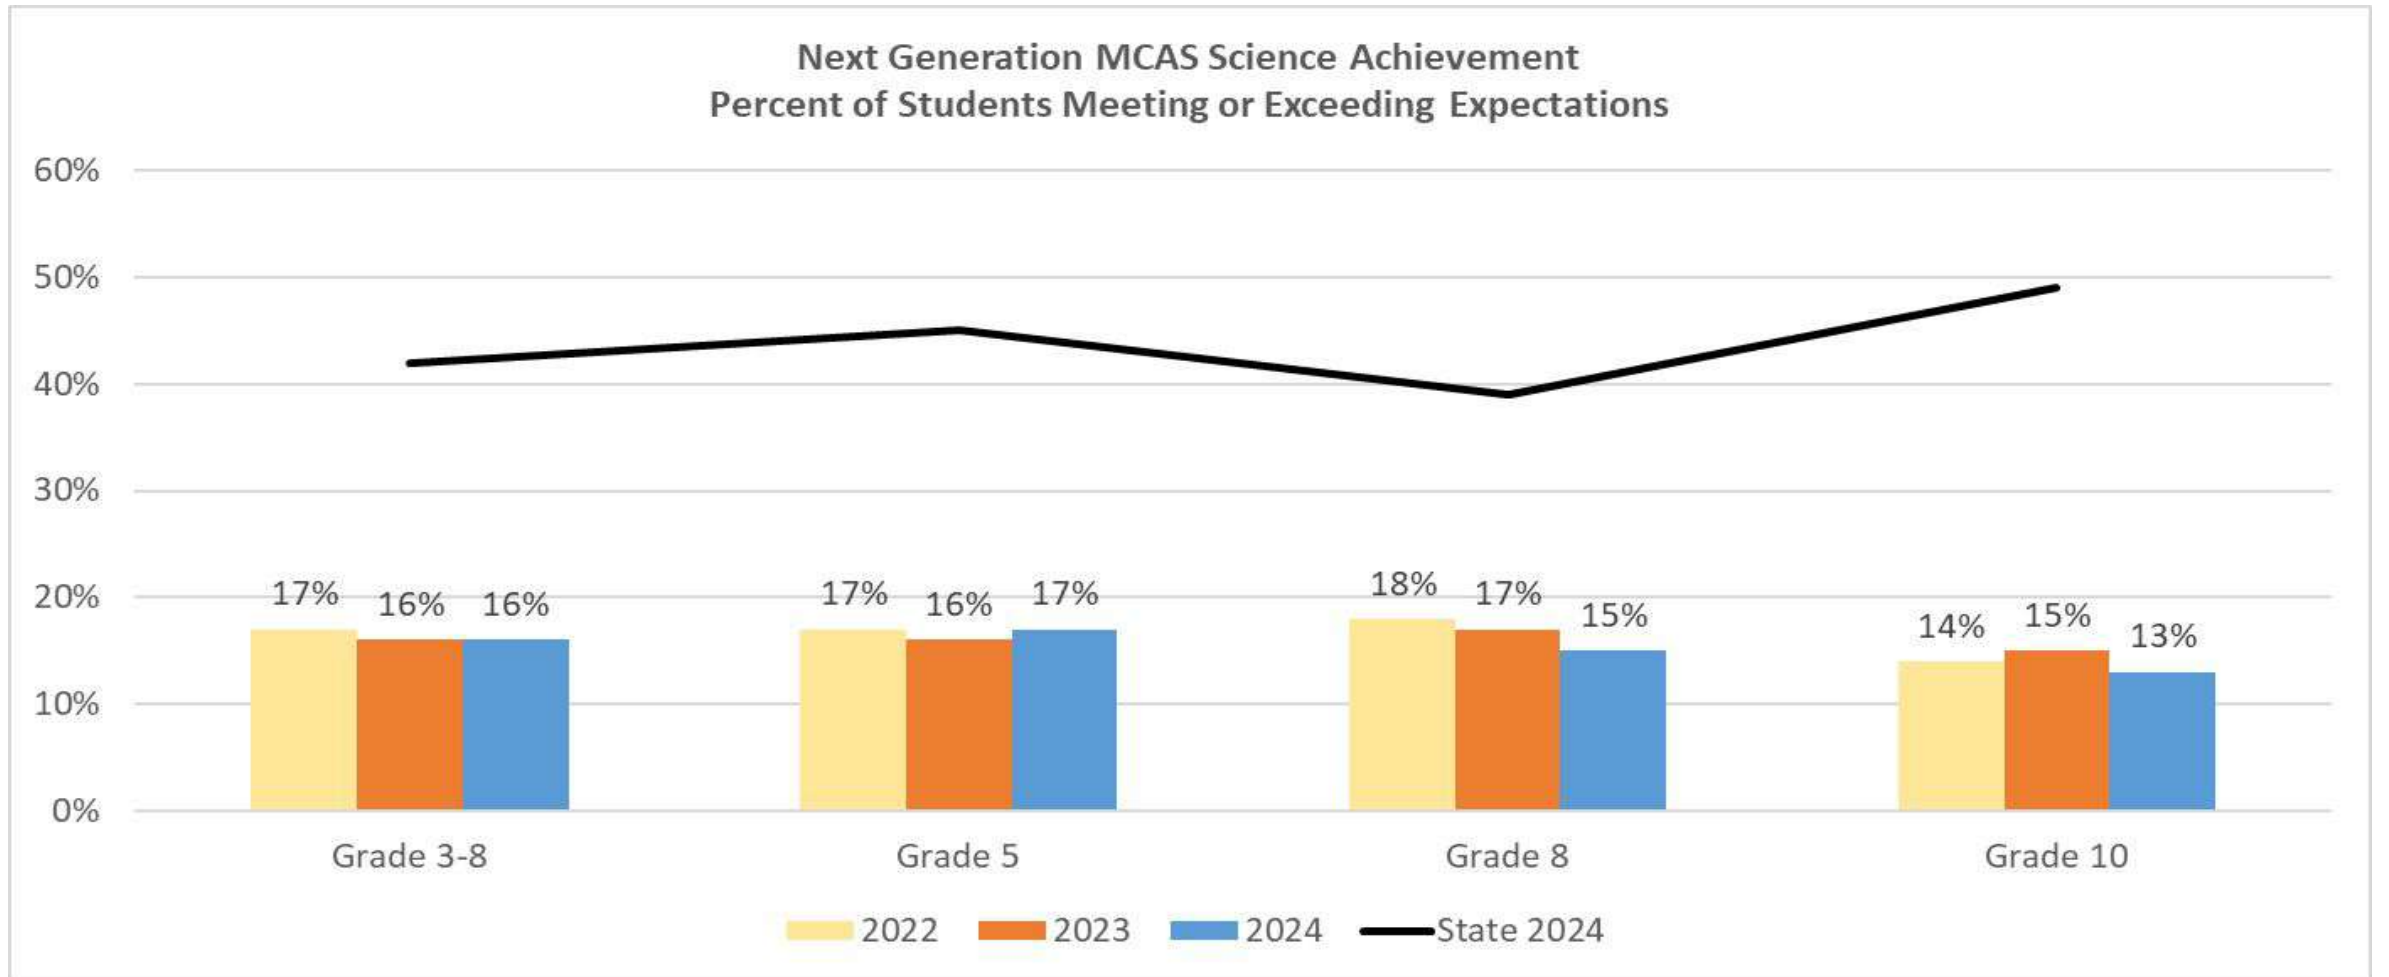

Below is the comparison of the percentage of students that scored *Partially Meeting, Meeting or Exceeding Expectations* (Passing Categories) on the Next-Generation Math MCAS tests in 2022, 2023 and 2024 with State comparison for 2024.

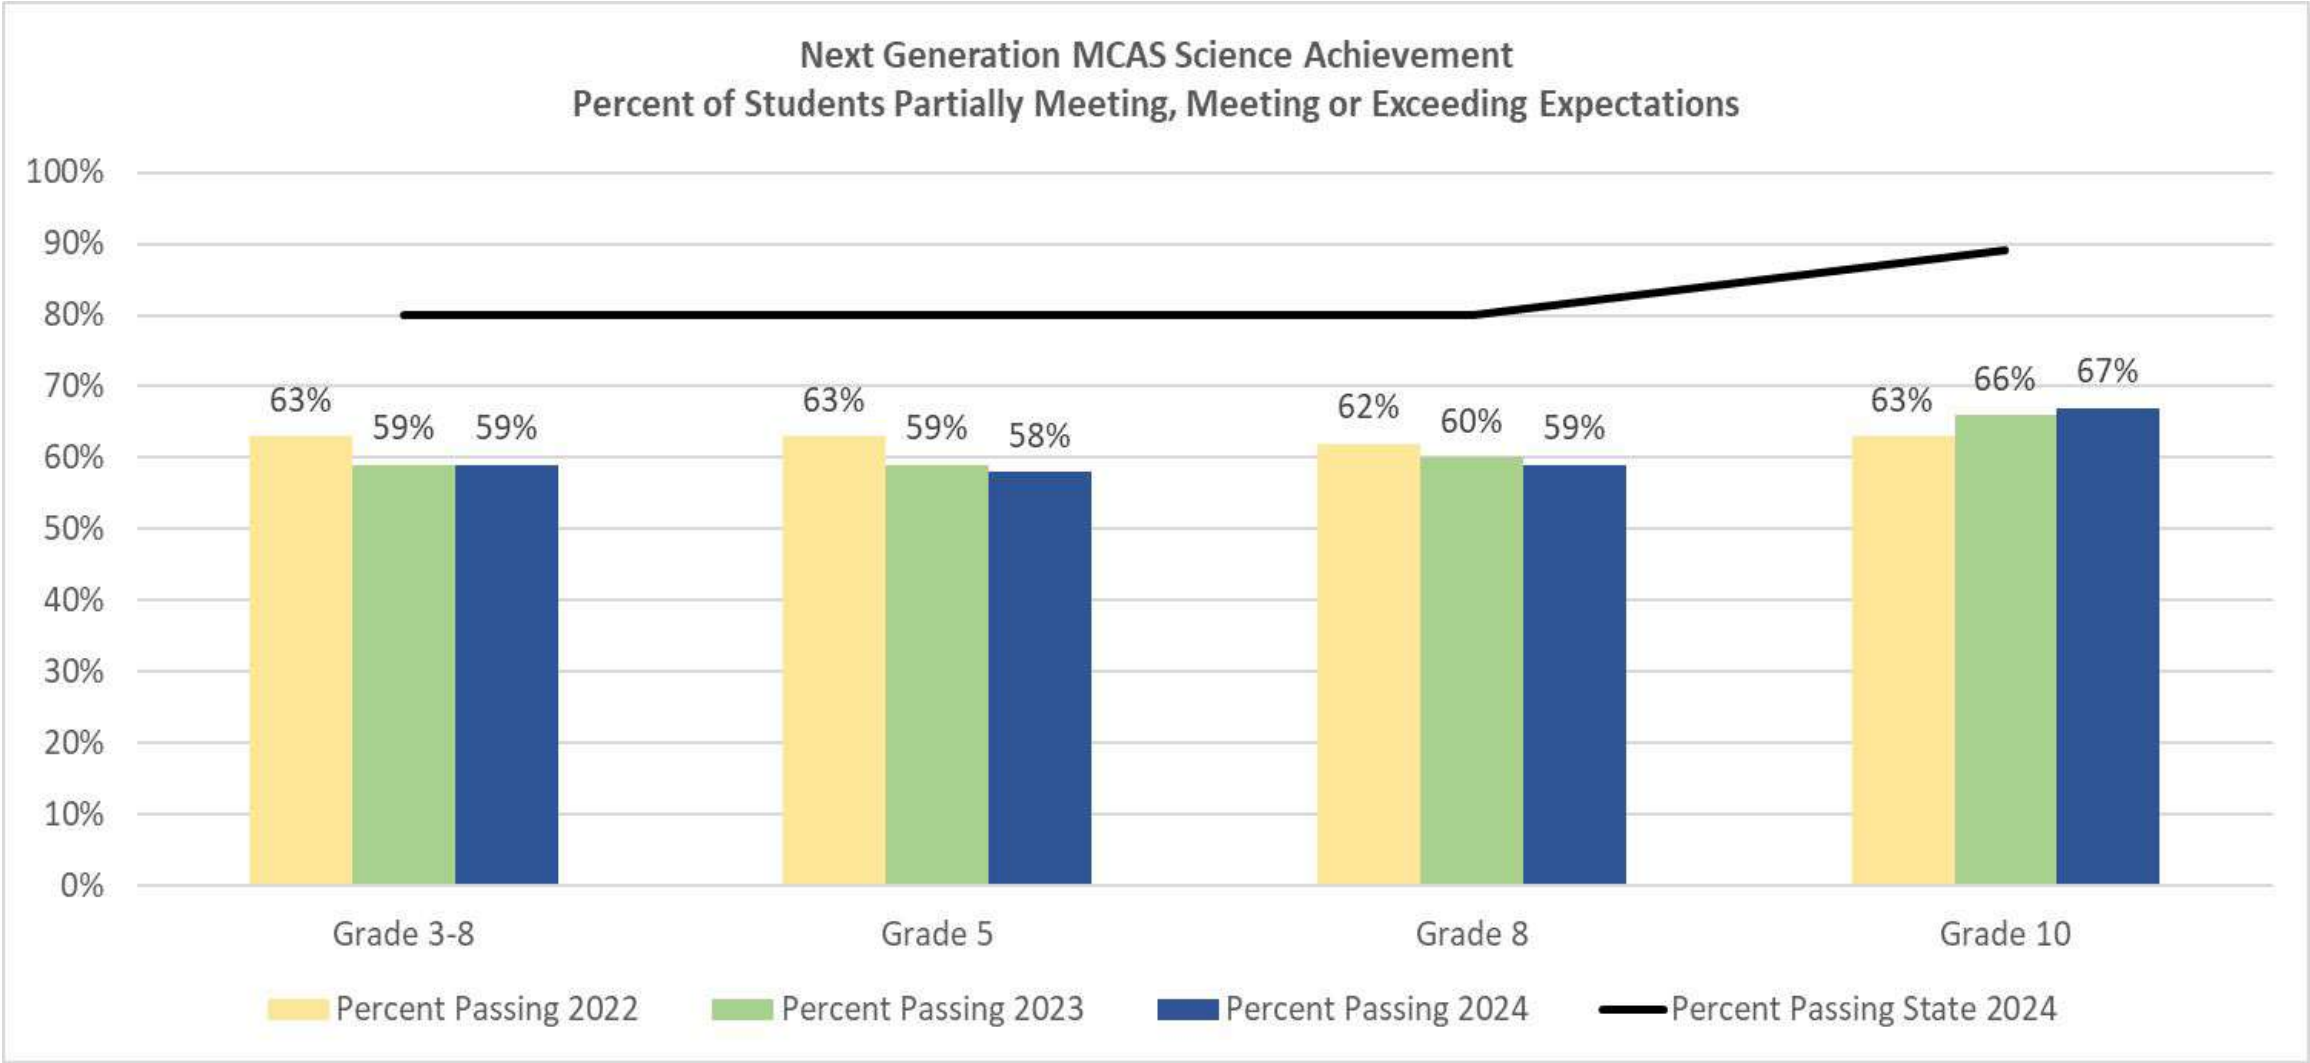

Achievement: Science

Below is the percentage of students that scored *Meeting or Exceeding Expectations* on the Next-Generation Science MCAS tests in 2022, 2023 and 2024 with State 2024 comparison.

Below is the comparison of the percentage of students that scored *Partially Meeting, Meeting or Exceeding Expectations* (Passing Categories) on the Next-Generation Science MCAS tests in 2022, 2023 and 2024 with State comparison for 2024.

MCAS Achievement by School

Percent of schools that maintained or increased the percentage of students Meeting/Exceeding Expectations from 2023 to 2024: ELA 17%; Math 56%; Science 43%

Percent of Students Meeting or Exceeding Expectations						
School	2023 ELA	2024 ELA	2023 Math	2024 ELA	2023 Science	2024 Science
DISTRICT Non-HS	18	15	17	18	16	16

WET	20	16	22	23	13	15

Indicates school improved or maintained performance in 2024

Student Growth Percentile

Answers the question, “How much did a student grow over from the previous MCAS Administration compared to his or her academic peers?”

MCAS Growth in English Language Arts and Mathematics

Groups with an average Student Growth Percentile of 50 or higher are considered “meeting target” for this indicator.
An average SGP <40 indicates *low growth*, 40-59 indicates *typical growth*, and 60+ indicates *high growth*.

2023 SGP met or exceeded the
target of 50:

ELA 28%, Math 44%

2023 SGP 40-49 below the
target of 50, but still in *typical
growth* Range:

ELA 72%, Math 44%

2023 SGP below 40:

ELA 0%, Math 11%

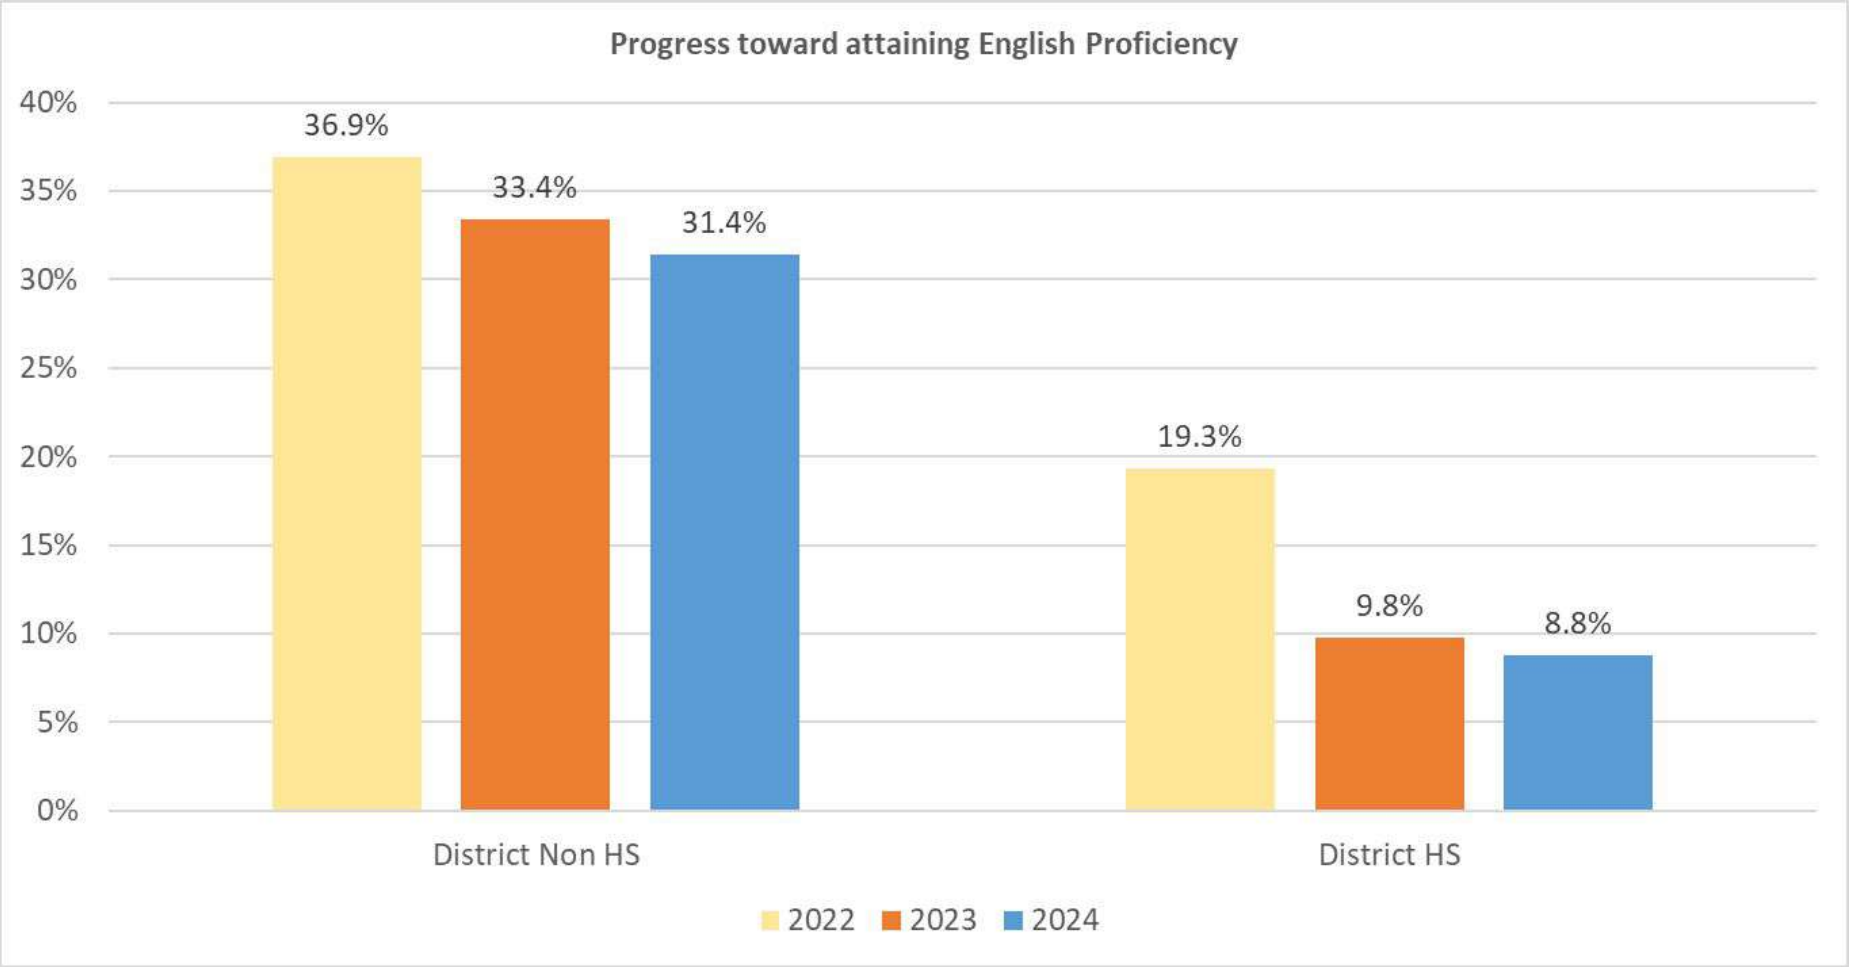

School	2024 ELA Average SGP	2024 Math Average SGP
DISTRICT Non-HS	50	52
DISTRICT HS	40	32
ARL	41	44
ARM	47	56
BRU	49	52
FRM	56	46
FRO	40	44
GLM	54	56
GUI	43	47
LEA	41	35
LEO	41	53
LHS	40	32
OLI	45	44
OLM	55	56
PRM	55	57
PRT	42	46
SLE	46	41
SPK	57	64
TAR	46	56
WET	48	44

Progress toward Attaining English Proficiency

The percent of English learners that made expected progress toward attaining English proficiency

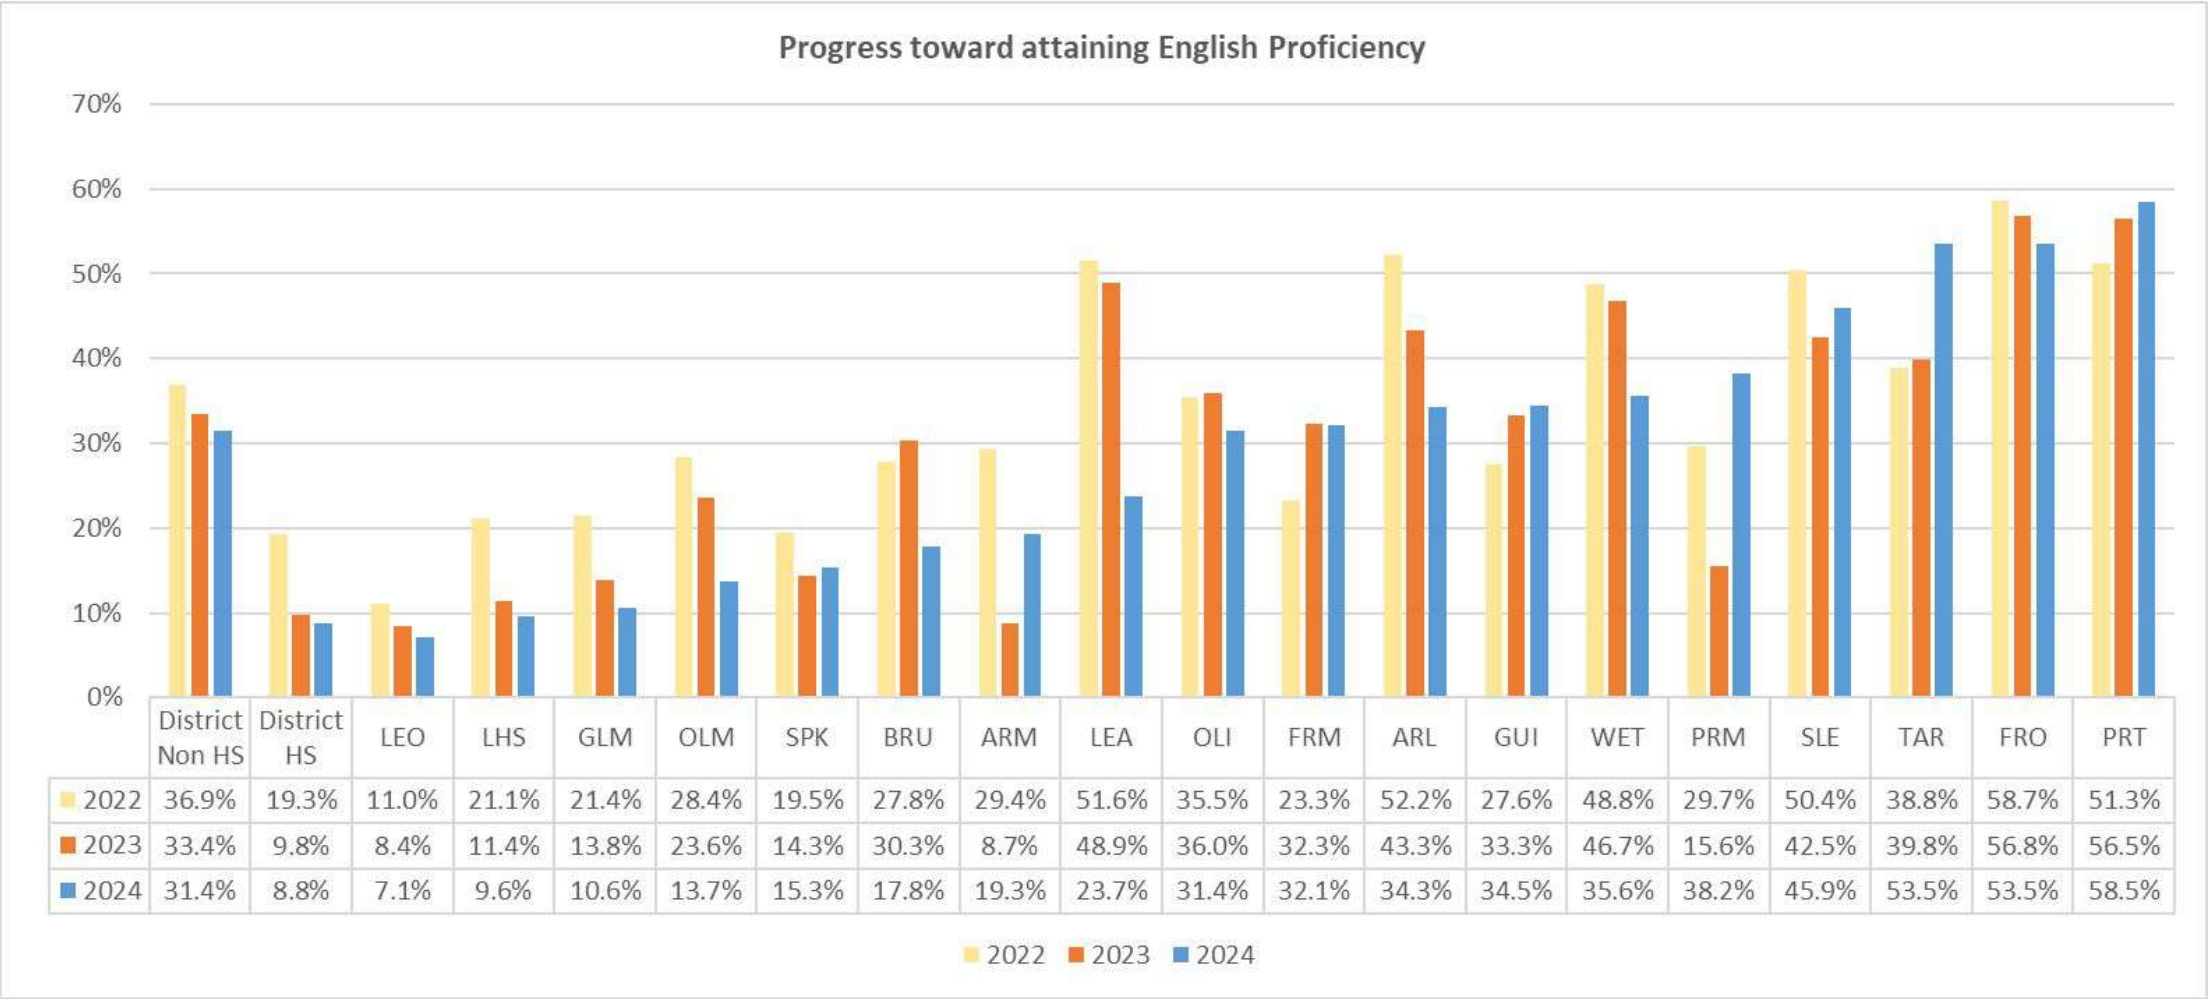

Progress toward Attaining English Language Proficiency

District wide, the percent of English learners that met their English proficiency target decreased again in 2024.

Progress toward Attaining English Language Proficiency

5 Schools Met/Exceeded Target; 3 Schools No Change; 2 Schools Improved Below Target; 8 Schools Declined

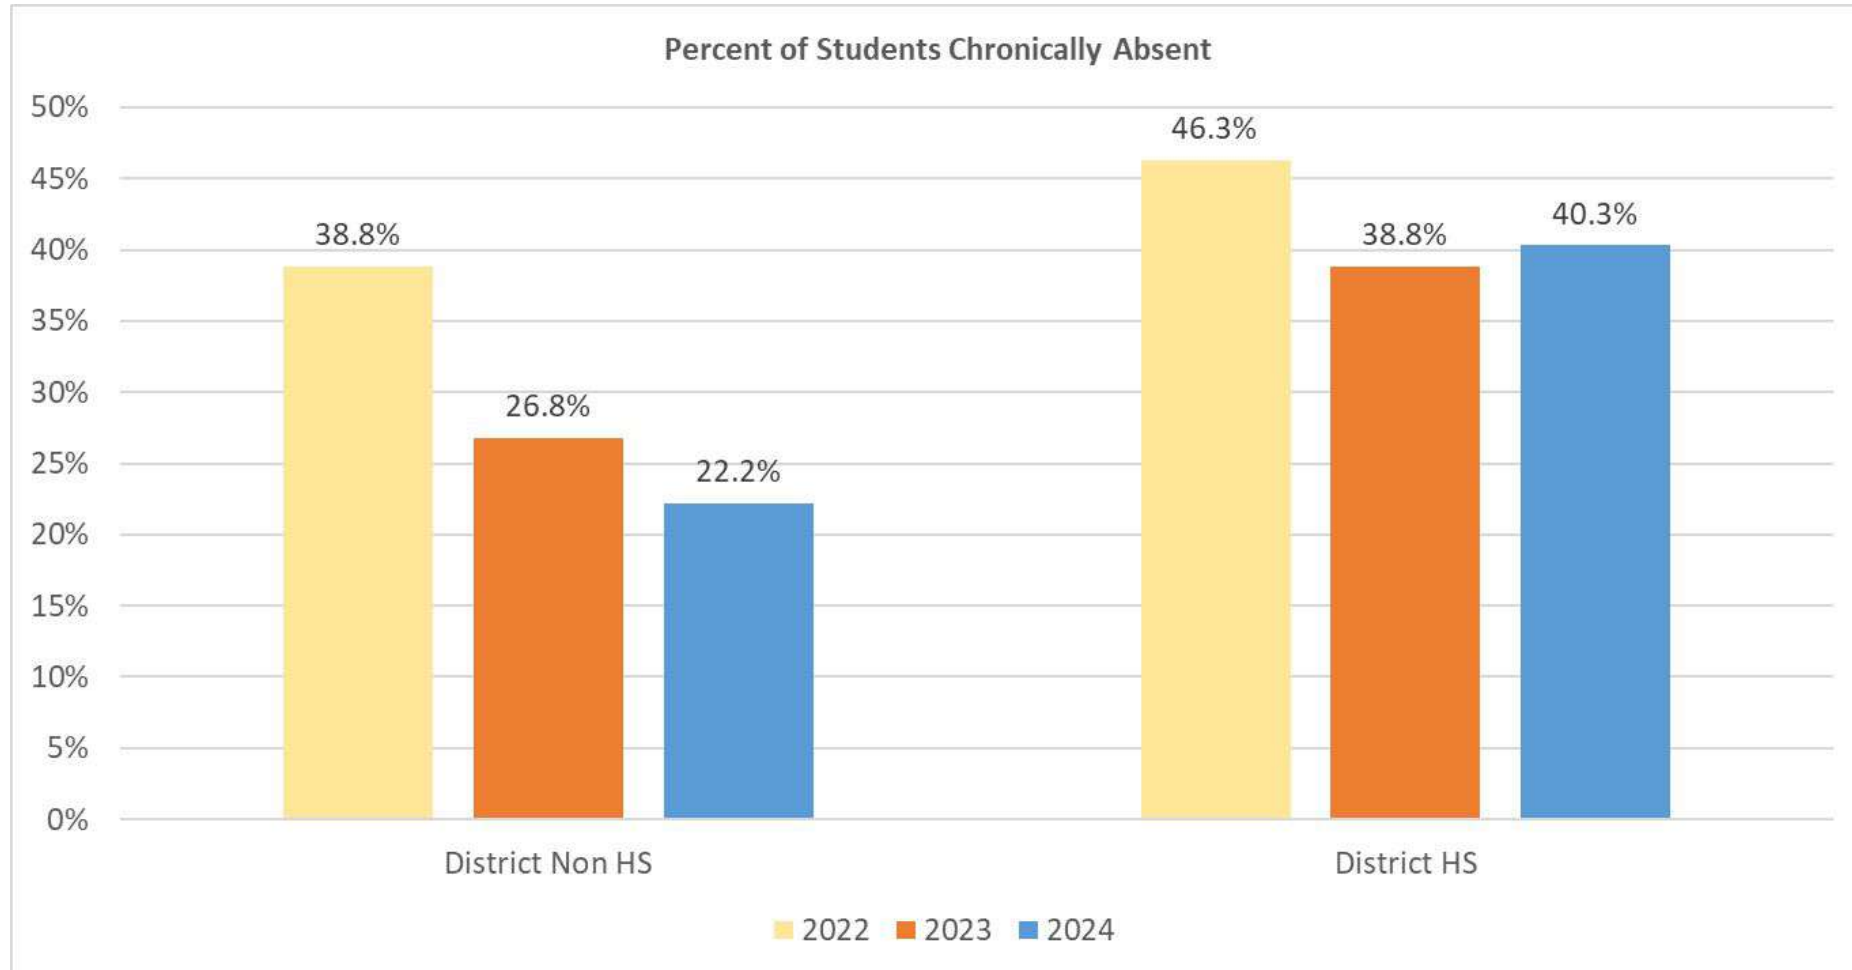

Chronic Absenteeism

The percent of students missing 10% or more of their days enrolled

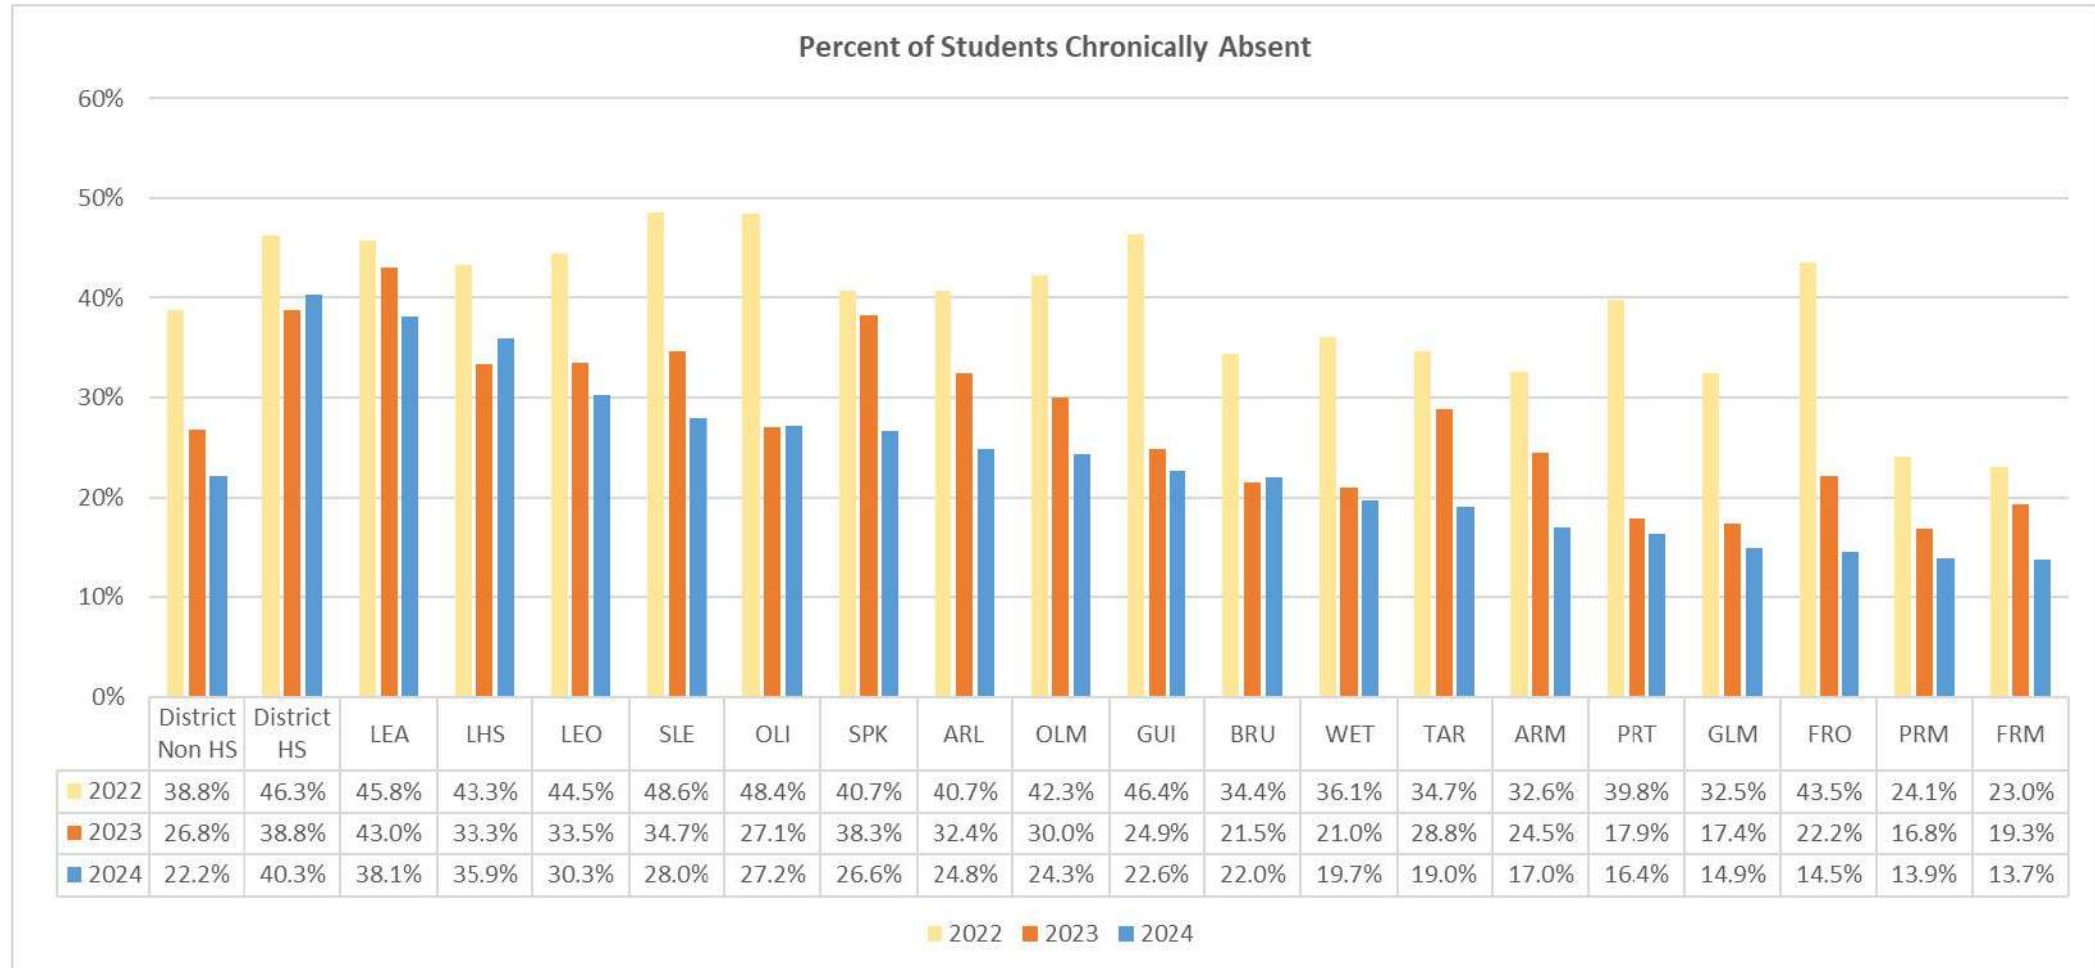

Chronic Absenteeism

Chronic absenteeism continued to decrease in grades 1-8, however, a slight increase in grades 9-12 was noted.

Chronic Absenteeism

11 of 18 schools Exceeded Target!! An additional 2 schools Met Target

High School Performance Indicators

Four-year Graduation Rate

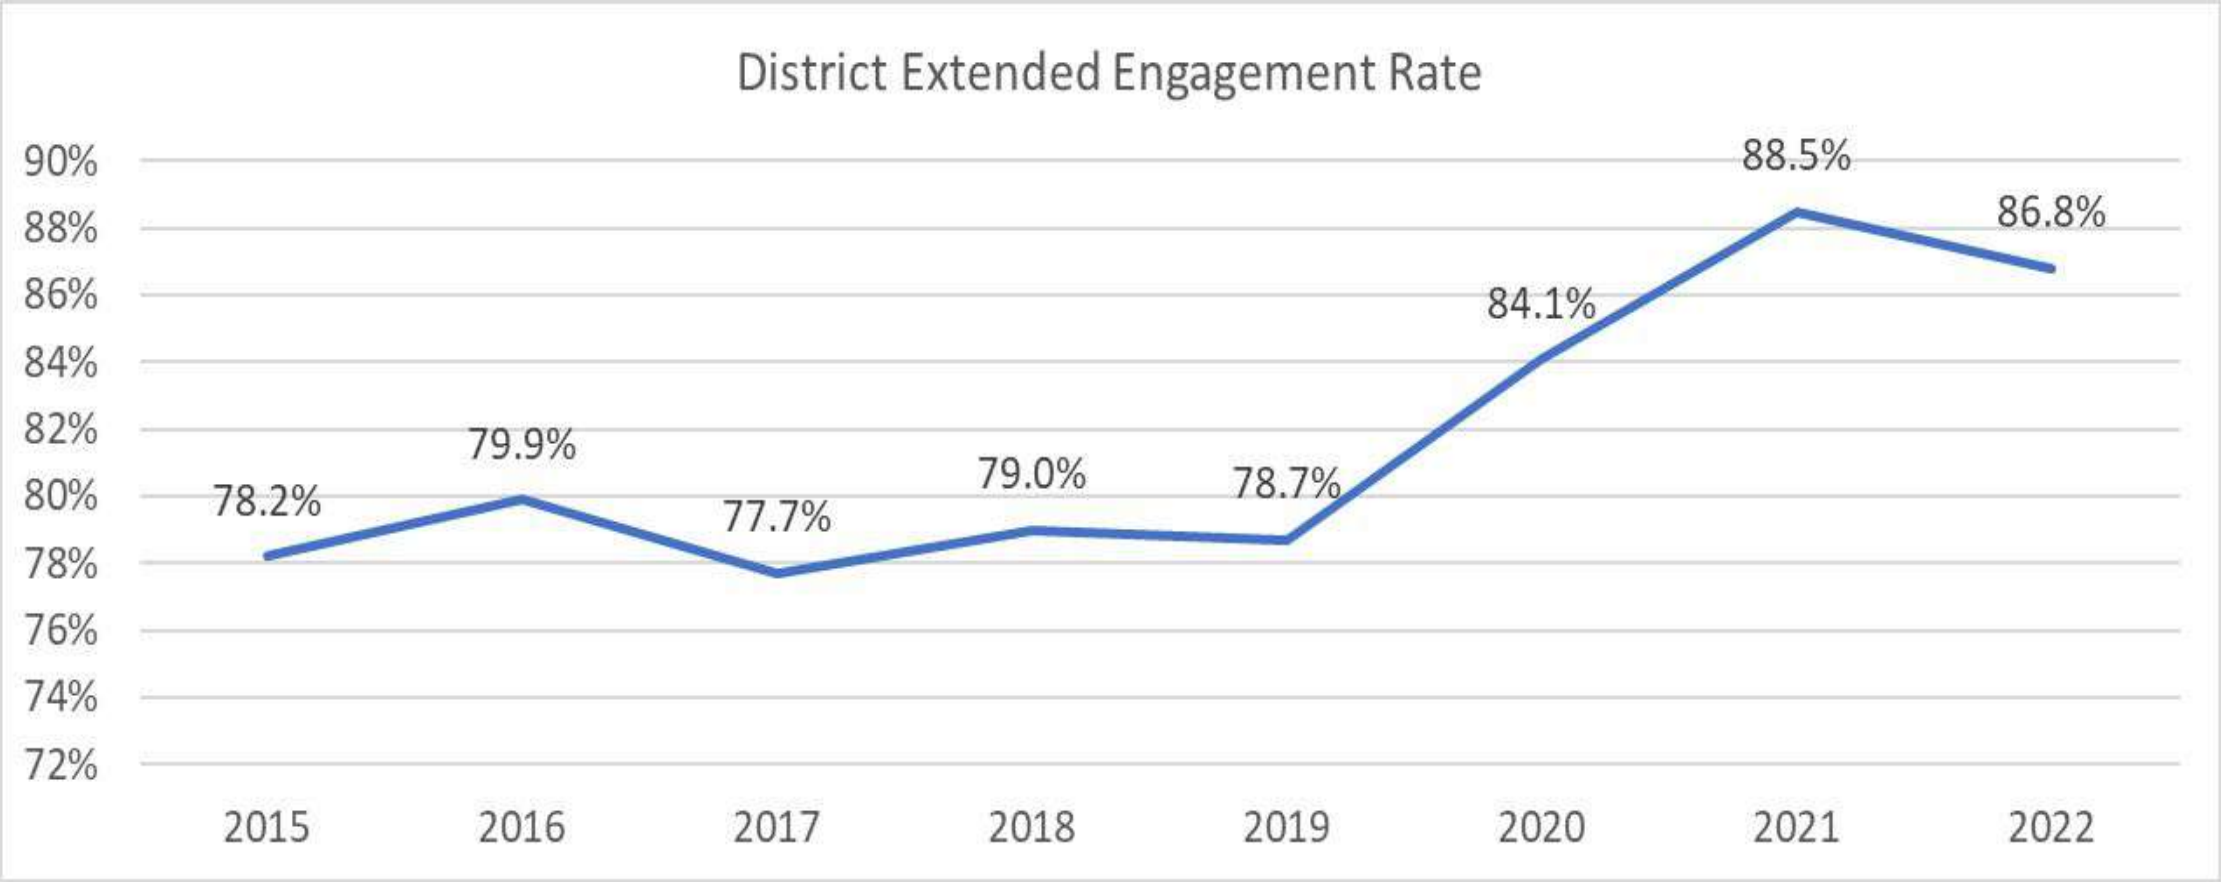

The 2023 graduation rate declined back to pre-pandemic rates.

1 year lag: 2024 accountability calculations use the 2023 4-year graduation rate.

Extended Engagement Rate

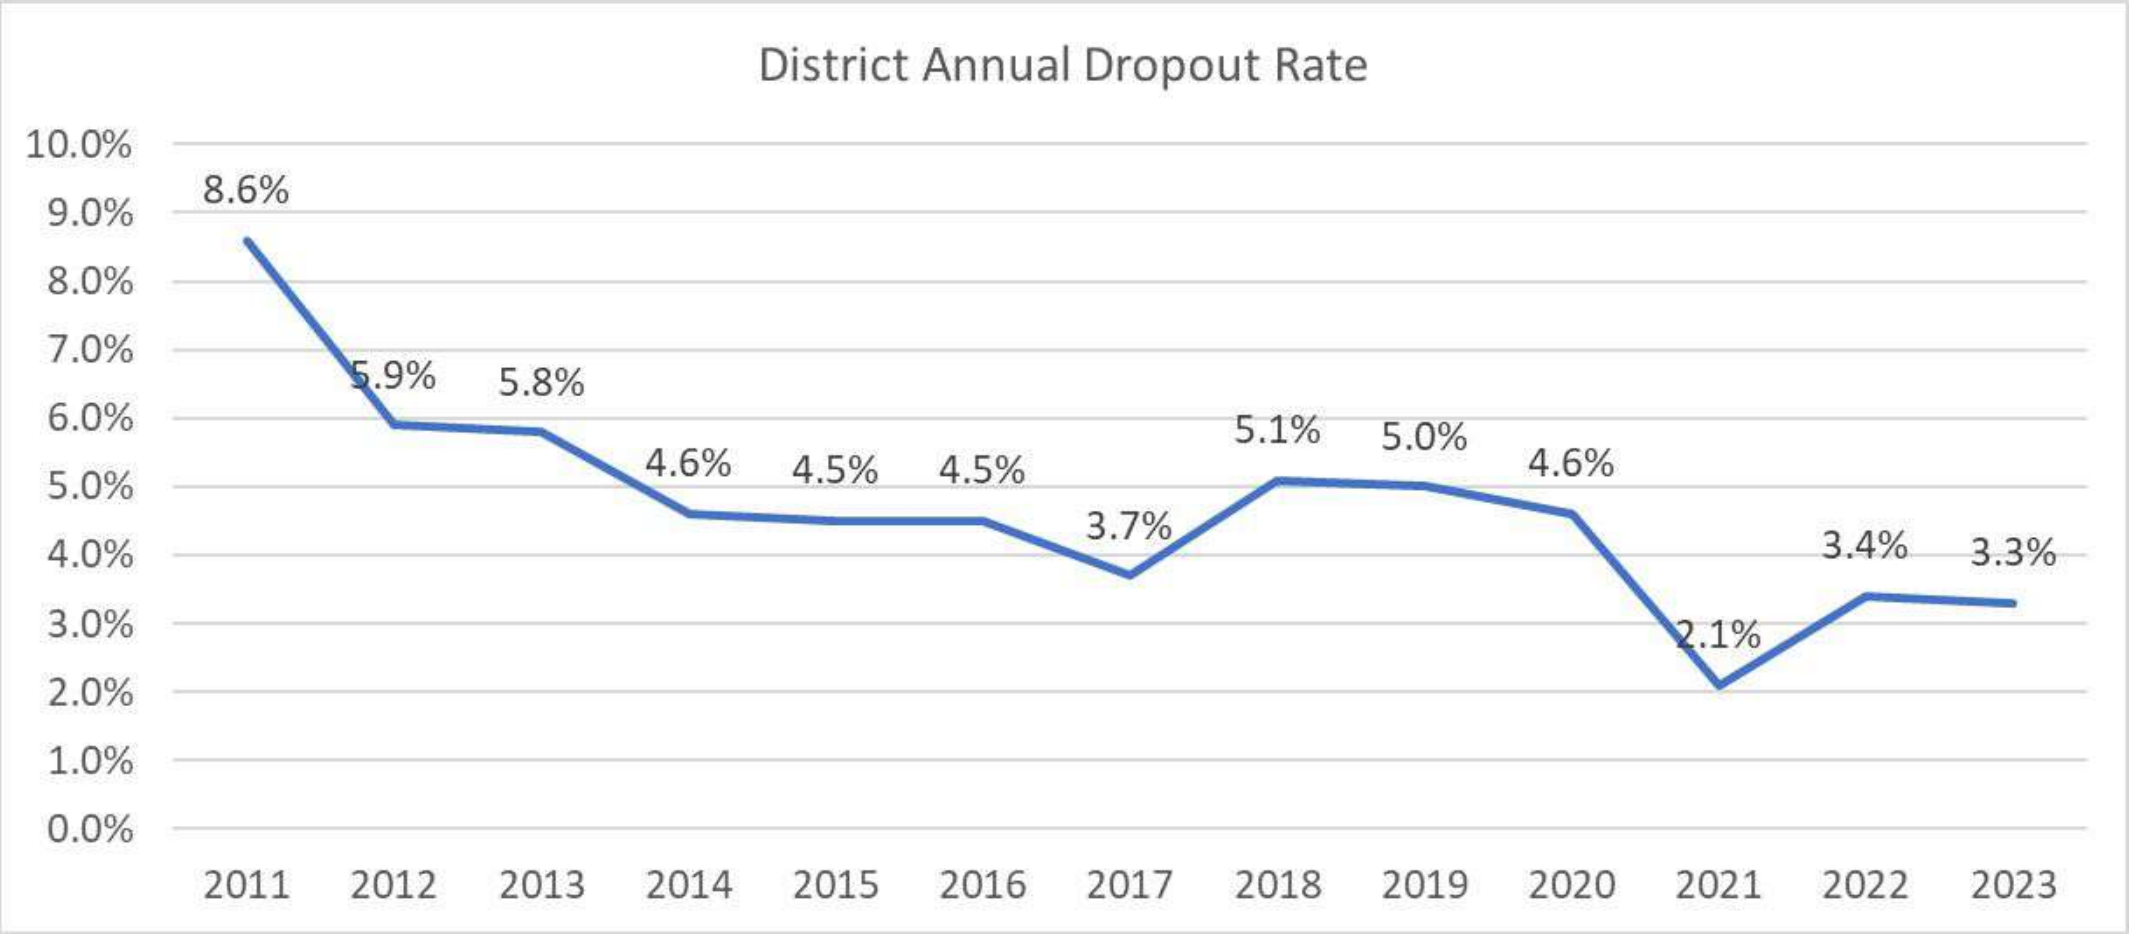

Students continue to persevere! Of the smaller number of students needing more than four years to graduate, the majority are choosing to stay enrolled and continue to work toward earning a diploma.

2 year lag: 2024 accountability calculations use the 2022 extended engagement rate.

Annual Dropout Rate

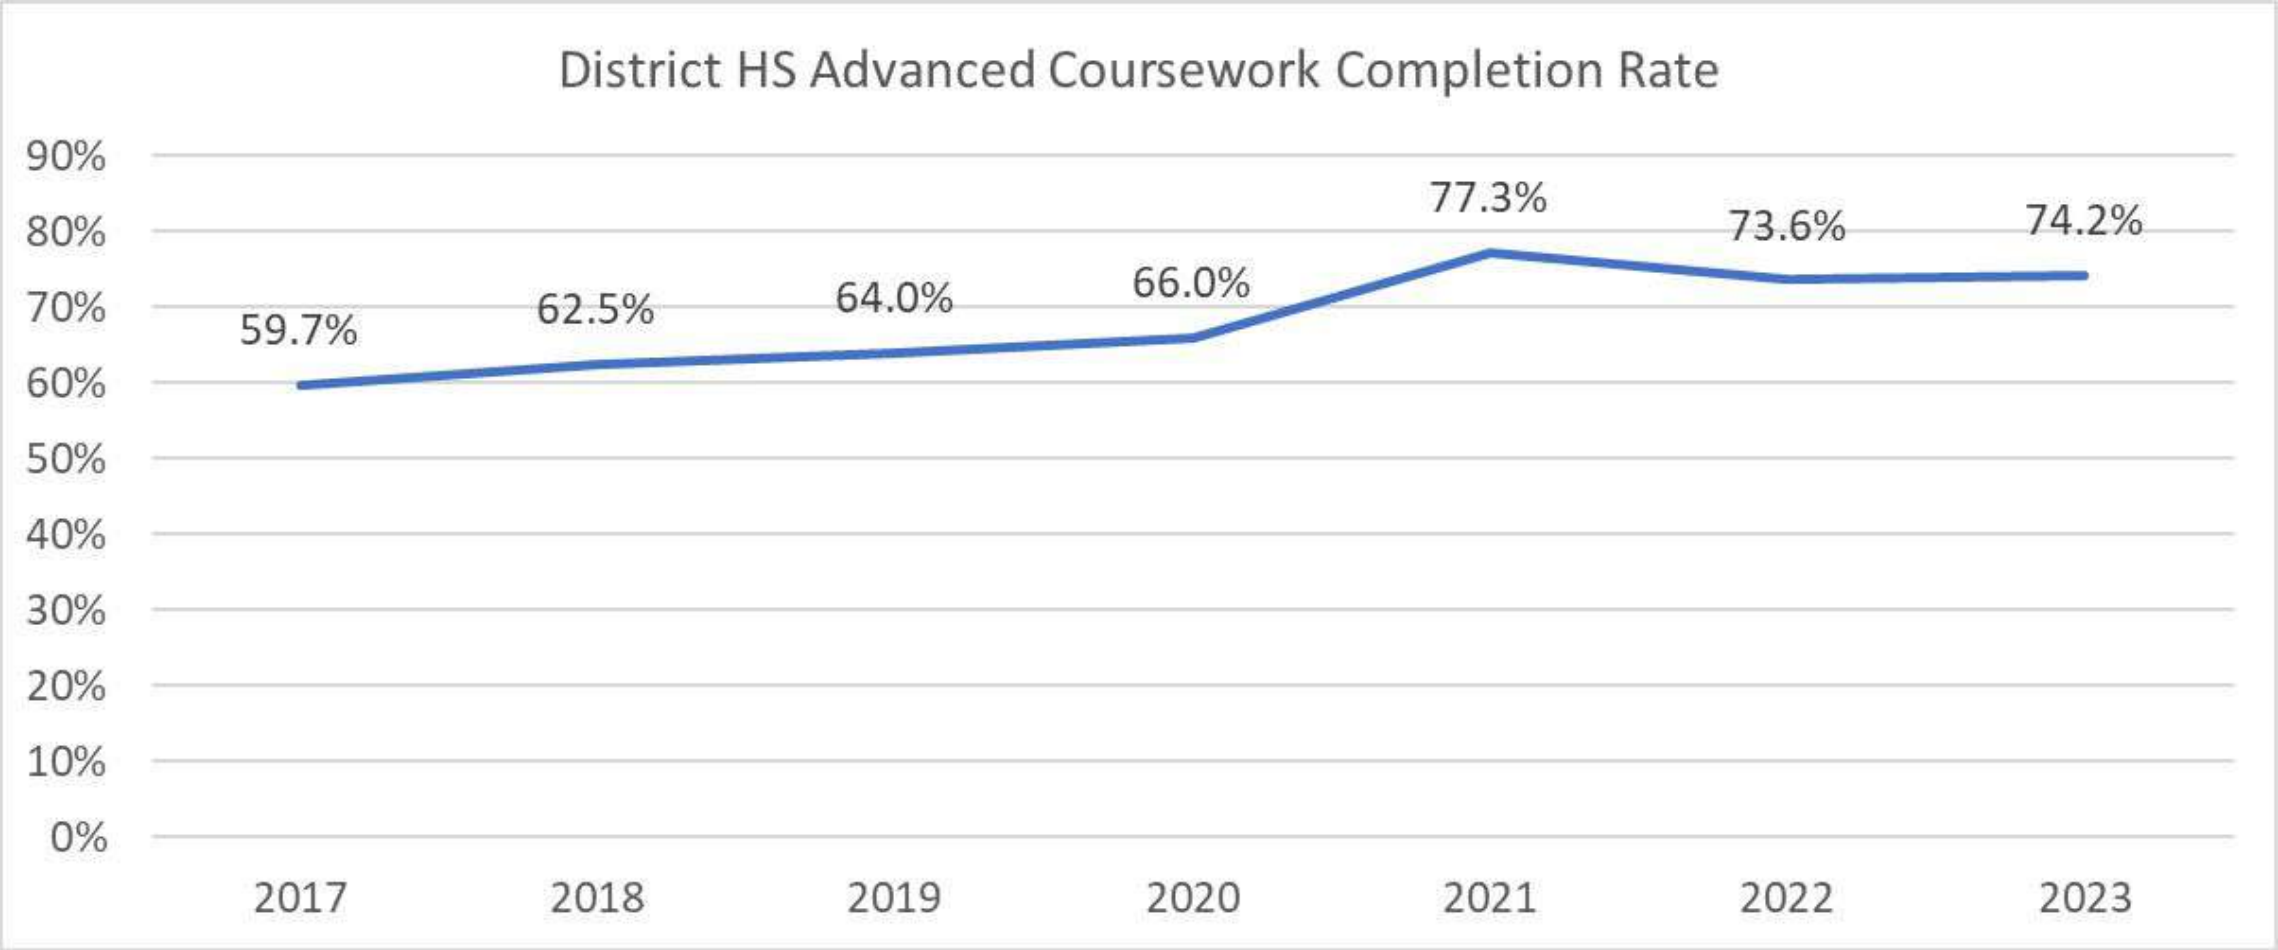

The annual dropout was stable from the previous year; just above 3%.

1 year lag: 2024 accountability calculations use the 2023 annual dropout rate.

Advanced Coursework Completion

The 2023 advanced coursework completion rate increased slightly to 74.2%.

1 year lag: 2024 accountability calculations use the 2023 advanced coursework completion rate.
