

MONARCH SUMMER READING

It's SLIME-time to Read!

Take slime-time to read books this summer! We are tracking HOW LONG you read! There are different checkpoints to reach and earn small prizes. This will make it so everyone is reading the same amount of time, no matter how easy or difficult the reading level of the book might be. Try to read for 10 hours this summer! (That's only 20 minutes every other day, or 10 minutes a day! You can do it!)

Keep track of how long you read (OR how long someone reads to you!), by coloring in the squares on the reading log. You can also use the app "Reading Time" to track how long you are reading. Complete a reading log, and submit to the library. If you use the "Reading Time" app to track your reading time, it will let you print out a reading log; you can submit that instead. Completed forms are **due by Friday, August 23, 2024.**
