Summer Math Log 2024

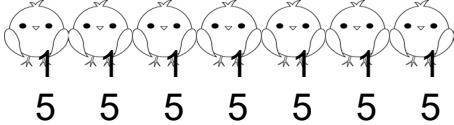

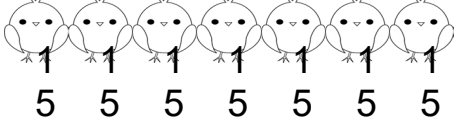

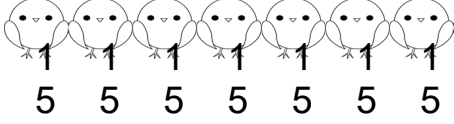

's 2024 Summer Math Log

As you work on Reflex Math, Frax Math and Redbird Math over the summer, complete the log below. Return the log to your classroom teacher on the first day of school in September. You will be acknowledged for your efforts.

Week	Reflex Math (for students entering grades 2-5)  You can access your account by logging into your Clever Portal and clicking on the Explore Learning icon. Directions: Shade in 1 circle for each day that you earn a green light in Reflex Math.	Frax Math (for students entering grades 4-5)  You can access your account by logging into your Clever Portal and clicking on the Explore Learning icon. Directions: Shade 1 star for each day you work in Frax.	Redbird Math  (for students entering grades 1-5) You can access your account by logging into your Clever Portal and clicking on the McGraw-Hill icon. Directions: Shade in 1 bird for each day that you complete 15 minutes or more in Redbird Math.

7/21-7/27			
7/28-8/3			
8/4-8/10			

- Reminders:** 1) Online programs will no longer be accessible starting in mid-August due to scheduled maintenance.
- 2) If you finish an operation in Reflex it may not switch to the next operation.
 If this happens, continue to get your Green Lights in the current operation.
- 3) If you forget how to access your Clever Portal at home, scan the QR code for instructions:
