Individual Class availability for grades 5th-12th.
See catalog for more details.

Any information in this catalog is subject to revision as needed.

COME BLOOM WITH US AT SUMMER SCHOOL!!

WELCOME to Summer School 2024

Summer School is a valuable opportunity for students to be engaged in programs and activities that extend and enrich the existing curriculum. It is a continuation of the strong educational programming offered by the school district during the regular school year.

We are proud that our Summer School Staff are our own district educators who work successfully with our students throughout the regular school year. We value their experience and expertise. Offering excellent educational programs throughout the year allows us to fulfill our mission statement. **Dream. Believe. Achieve. *Inspire and engage every student, every day.***

Summer School Contacts:

Throughout the year, our Summer School team works to make sure students have an outstanding experience in our Summer School Program. The following individuals are available to you in regards to our Summer School program:

• **Katie Matthias**

Director of Student Learning
715-682-7080
kmatthias@sdak12.net

• **Jake Levings**

Summer School Principal
715-682-7085
jlevings@sdak12.net

• **Cheryl Tody**

Summer School Administrative Assistant
715-682-7089
ctody@sdak12.net

District website: *We will use the district website at www.ashland.k12.wi.us to provide you with complete information about summer school. Please take the opportunity to become familiar with it. The Summer School link can be found under the Our Schools tab and then click on Parents & Guardians to find the Summer School information . It is a good idea to check the website regularly for updated information. It is also recommended to check Skyward Family Access for class availability as this might change daily.*

Dates & Times of Summer School Classes

Summer School Schedule:

1. **June 17th through June 21st**
2. **June 24th through June 28th**
3. **July 8th through July 12th**
4. **July 15th through July 19th**

Choose your summer school schedule.

Classes will be held Monday thru Friday.

Classes for current year grades 4K through 4th will be held at the Lake Superior Elementary School.

Classes for current year grades 5th through 12th will be held at the Ashland High School.

High School Credit Recovery Classes:

AHS Summer Credit Recovery

It is important to us that all students in our district are successful, and leave our schools career and college ready. If your Ashland High School student is currently not on track with credits toward graduation, the best way to make up credits is through our summer school credit recovery program.

To register for AHS Summer Credit Recovery you/your student needs to connect with their AHS counselor to discuss a plan to get back on track with credits.

AHS School Counselors Contact information:

Debbie Eichman: 9th grade, deichman@sdak12.net 715-682-7089 x1029

Jen Kempf: 10th-12th grade, Last Names A-L jkempf@sdak12.net 715-682-7089 x1008

Nancy Larson: 10th-12th grade, Last Names M-Z nlarson@sdak12.net 715-682-7089 x1009

The meeting with your student's AHS Counselor will go over how many credits your student needs, whether or not they sign up for summer school credit recovery, and how that decision will impact their class schedule for next year. At that meeting the counselor can register your student for the summer credit recovery (CR) block(s) of their choosing in Skyward.

Each summer CR block runs 5 days per week for 3 hours & 15 minutes, either in the morning or afternoon, for two-weeks (see table below). Students can sign up for multiple CR blocks. This schedule is designed to provide students with the flexibility to sign up for the time(s) most convenient for them. The number of blocks your student needs will be determined during their meeting with their school counselor.

Please note that, while summer school is optional, once a student registers they **are required to attend in person**, "independent study" is not an option during 2024 summer school. Review the schedule options below; if you decide Credit Recovery Summer School is best for your student - inform their counselor which block(s) your student will register for.

Summer School Credit Recovery 2024

Summer School Credit Recovery Session 1 M-F, June 17th - 28th	Summer School Credit Recovery Session 2 M-F, July 8th - 19th	Summer School Credit Recovery Session 3 M-F, July 22nd - Aug. 2nd

- Lunch will be served from 12:25 to 1:30 pm. (Summer School Students will be scheduled a lunch time)
- Open and free to ALL children under the age of 18 years old.

After School Program

If you are interested in learning more about our Community After School Program, which would take place after Summer School from 3:15-5:15, please contact

Michael Van Uytven via email at mvanuytven@sdak12.net or directly 715-682-7827 ext. 4210. For your student to attend the after school program, they must be registered - this is not a drop-in program.

THINGS TO NOTE

- Welcome to the 2024 Summer School catalog
- If you have any questions please email Patti Larson at plarson@sdak12.net or call 715/682-7080.
- Classes will be held at the:
 - **Lake Superior Elementary School** for current year (2023-24) grades 4K through 4th
 - **Ashland High School** for current year (2023-24) grades 5th through 12th.
 - (unless noted differently in the Summer School catalog)
- Grade levels in catalog are the **current year (not next year's) grade level, (ie, if your child just completed 1st grade, they would still be considered a 1st grade student for Summer School).**
- Weekly Summer School classes start at 8:15 until 3:20
 - Full day includes:
 - 25 minute recess between 1st & 2nd class
 - 70 minute combination recess & lunch period
 - Elementary - Choose 1 Package per week to build your student(s) summer school schedule (Each package is considered full day/full week)
 - MS/HS - Choose from 3 classes per week to build your student(s) summer school schedule (These are not packages, they are individual class selections).
- All fees **must** be paid on or before the last day of registration-Monday, May 15th at 4:00 pm.
- Free summer breakfast program in the LSE Cafeteria from 7:45-8:05 a.m.
- Free summer Lunch program in the LSE Cafeteria from 12:25-1:30 p.m.
- Transportation arrangements for students living in Odanah - **See next page.**
- If your student decides not to attend, please call 715-682-7089 to cancel enrollment.
- If you cancel after the first day of school and there are class fees you may be billed for that class fee.
- Summer School Coordinating Staff:

Katie Matthias

Patti Larson

Jake Levings

Cheryl Tody

Transportation for Students Living in Bad River Area

Summer School Pick-up Times:

Birch Hill at the Community House - 7:15 a.m.

Odanah in the parking lot between the Casino & Grocery Store 7:30 a.m.

Summer School ends at 3:20 p.m.

Bus Departing LSE no later than 3:30 p.m.

Drop off in Odanah 3:40 p.m.

Drop off on Birch Hill 3:55 p.m.

Subject to change.

General Guidelines and Procedures

Class sizes are limited and will be filled on a first come, first served basis.

Some class sizes will not be able to be increased due pre-purchased supplies

Some classes will not be able to allow 'last minute' enrollments due to pre-purchased supplies.

Classes are open to all School District of Ashland students.

Unless there is a supply fee for consumable materials there is no cost for district residents.

Out-of-district resident fees are \$50 per class plus any special materials fee if applicable.

Attendance:

Except for emergencies, students are expected to attend all summer school classes. This program is funded through a formula that is based upon student attendance. If the student is not able to attend in the event of an emergency or illness, parents should contact the school office at 715-682-7089 by 8:00 a.m.

Students are expected to attend all of their summer school classes for the entire scheduled class time, so please schedule family vacations and other events accordingly. Students who do not come to the first and second day of class are automatically taken off the enrollment. Students are automatically dropped from summer school after the third absence. If your students decide not to attend, please contact Cheryl Tody at 715-682-7089 so that we can open up the class for others to attend.

SUMMER SCHOOL CLASS INFORMATION:

Class Cancellations: All classes/packages are tentative; contingent on staffing and enrollment. At the end of the enrollment period, if a class/package does not meet the minimum enrollment, all students in the class will be enrolled in a class/package that has space available and in a similar subject. Also, at the end of the second day of summer school, if a class does not have the minimum enrollment it will be canceled. Parents will be contacted if the class/package is canceled.

● Location/Room Assignments:

- **Lake Superior Elementary School** for current year grades 4K through 4th
- **Ashland High School** for current year grades 5th through 12th.
 - (unless noted differently in the Summer School catalog)

Materials: If applicable, are listed with each class description. Individual teachers may request additional supplies for the class and will notify you.

- **Registration:** Registration is online for all classes. Please read guidelines for this process which is provided in a separate section entitled “**Registration Information**”. **Registration dates are Monday , April 29th at 5:00 pm through Monday, May 15th at 4:00 pm.**

GENERAL INFORMATION AND EXPECTATIONS:

Cell phones: Students may possess cell phones while they are in summer school, but the telephones must be turned off and out of sight during class sessions unless the teacher is incorporating them into the class. They may be used at the start and end of the school day.

Student Conduct: Students are expected to follow the same school rules and standards of conduct which apply during the regular school year. Summer school staff will contact parents if behavior issues occur in the classroom, hallways, outside, etc. If problems continue, the student may be removed from the class and may lose the privilege of attending any summer school classes. There is no suspension, detention or in-school suspension during summer school.

The following behavior expectations supersede the regular school year policies and will result in automatic dismissal from summer school: Possession of any smoking or drug paraphernalia including cigarettes, rolling papers, lighters, etc. Swearing at a teacher or walking out of class. Any illegal activity including harassment or discrimination

Student Dress: Students are expected to dress appropriately for summer school, no swimwear or any other apparel which would detract from the learning environment. Students are required to wear shoes/sandals at all times. Hats are to be worn outside only.

Supervision: Please note that we will not have any supervision available to watch children if they are not participating in a class.

Transportation: The district does not provide transportation for its summer school program. Transportation of students to and from summer school is the responsibility of the parents/guardians. Students must be picked up immediately upon their final dismissal each day. Supervision is not available for students remaining after their last class.

The School District of Ashland reserves the right to cancel classes, add new classes, combine classes, change instructors, make modifications to the proposed class offerings or make any other changes needed to insure the fiscal integrity and/or educational excellence of the program.

Registration Information

Monday, April 29th at 5:00 pm through Wednesday, May 15th at 4:00 pm.

To register for classes go to the Ashland School District website: www.ashland.k12.wi.us
Click on Our Schools, Click on Parents & Guardians, Under Skyward Family Access click on Login.

Access

- Registration opens Monday, April 29th at 5:00 pm through Wednesday, May 15th at 5:00 pm. For access go to www.ashland.k12.wi.us. Click on Our Schools, Click on Parents & Guardians, Under Skyward Family Access click on Login. Directions for enrollment are listed later in this catalog. Students are enrolled in a class on a first-come, first-served basis.

Password

Use your regular Skyward Family Access password to register for summer school classes. If you do not know your Skyward Family Access password, contact your child's school administrative assistant and she will assist you to obtain your password.

Where to Register

Use any computer that has Internet access (your home, public library, etc.).

Schedule

To confirm your child's schedule, check schedule in Skyward Family Access.

Additional Information

- If "Add New" is not next to the package/class you want to register your student in, it means the class is not available.
- If there is a conflict between the packages/classes you will receive an error message.
- Classes fill on a first-come first-serve basis. When a class is full, it will close. There are no wait-lists. Please check back on-line, as sometimes students will cancel.
- If a package/class is canceled you will be notified and your child will be moved to another package/class for their grade level.

Adding or changing packages/classes

Contact Cheryl Tody at 682-7089 Ext. 1007 or ctody@sdak12.net

Step by Step Online Registration Instructions:

Go to the Website at www.ashland.k12.wi.us

Click on Our Schools, Click on Parents & Guardians, Under Skyward Family Access click on Login.

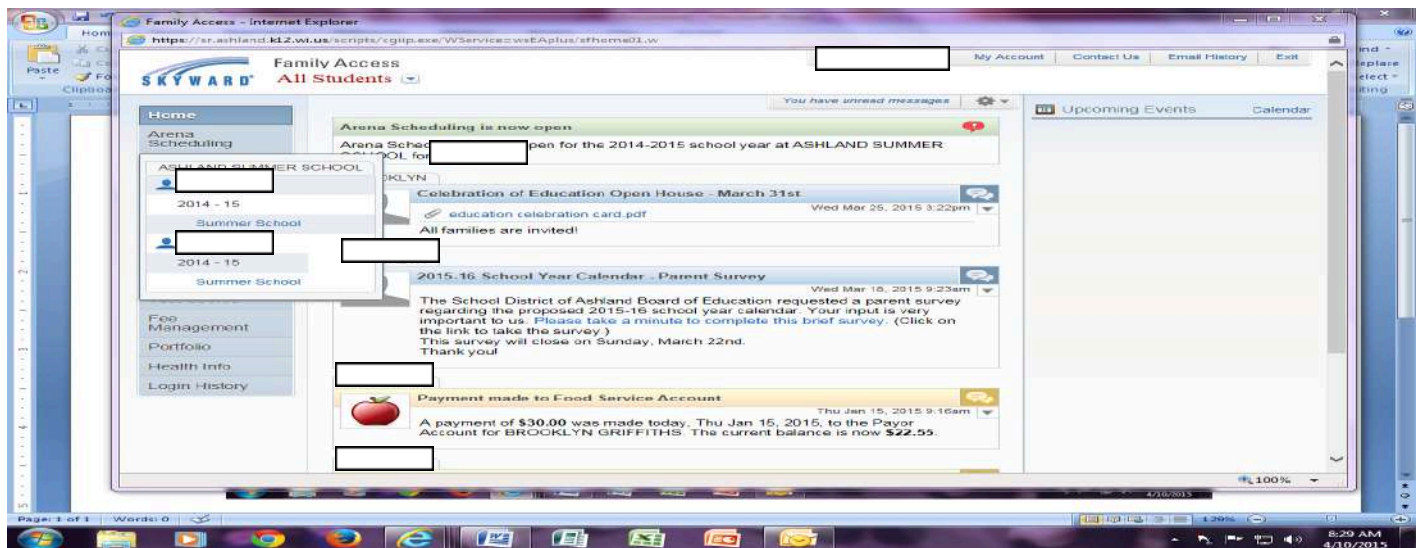

- Login to Family/Student Access

The screenshot shows the login interface for Skyward Family Access. At the top, there is a logo for the School District of Ashland with the tagline "EXCELLENCE IN EDUCATION". Below this is the Skyward logo and the text "ASHLAND SCHOOL DISTRICT". The login form includes fields for "Login ID:" and "Password:", a "Sign In" button, and a link for "Forgot your Login/Password?". At the bottom, there is a "Login Area:" dropdown menu currently set to "Family/Student Access" and a timestamp "05.18.02.00.04".

Type in your Skyward Family Access Login and Password (if you do not know your login and password you can call your child's school and talk to the schools administrative assistant).

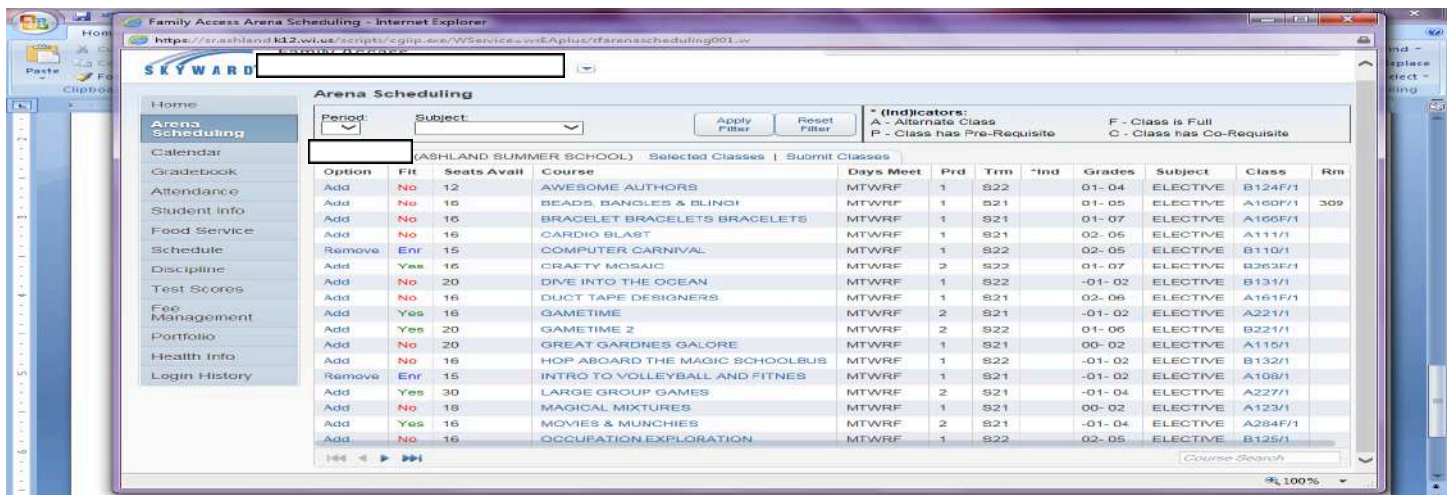

- Click on Arena Scheduling

- Click on Summer School for the student you are enrolling into summer school classes.
- Click on ADD next to the package/class you would like to enroll your student into.

- Enr will appear in the Fit Column. Your student is now enrolled in the package/class.
- If you change your mind, and do not want your student in that class, click on Remove
- To view the next page of available classes, click on the single arrow pointing right.

- To go back to the previous page, click on the single arrow pointing left

CLASS DESCRIPTIONS

<ADVENTURE WITH A PURPOSE!

Join us as we head outside to explore nature, practice mindfulness, give back to our community, and learn more about ourselves. Activities over the four weeks will range from hiking, kayaking, visiting a local farm, spending the day at the beach, and getting to explore some of the hidden gems in the Chequamegon Bay area. Service-learning activities may include volunteering at the animal shelter, helping with younger children at the elementary school, and supporting our elderly community. During our adventures, we'll also take a deeper look at ourselves—how we engage with each other and how we give back to our community. Don't worry if these activities are new to you! All skill levels are welcome and we'll learn together. This class is brand new and we promise it will be the most fun you've ever had at school! **Fee: \$10.00 - Payable at time of registration**

< ALL THE WORLD IS A STAGE = and now you too can be on it. Do you feel creative? Do you like to work on a team? Then this is the place for you. Together we will create a play unique to the group. We will learn the who, what, when, where and why of the characters in a story. At the end you will be able to be a character and act out a part of the play that you helped create!

< ANIMAL LOVERS = A class for those who love to learn and spend time with animals! We will spend our time learning about different animals, reading some great animal books, doing animal crafts, and even MEETING some cool animals! We will focus on horses, cows, goats, pigs, cats, dogs, and a few others. You will love our adorable animal guests!

< ANYONE CAN CODE = An introduction to the world of coding through the use of Beebots, Ozobots, Botley and Dot/Dash robots. Students will learn how to plan, input and test their robots and directions. Students will also have time to explore and plan their own robot ideas/ activities. The history of coding (kid friendly) will also be shared. Screenfree coding will be explored also. Students will use computational thinking, problem solving, programming concepts and digital citizenship. Students will express their creativity, communicate and problem solve all while having fun.

< AROUND THE WORLD = Have you ever wanted to travel to different places around the world? Now here is the change without ever leaving Ashland County. We will visit places like China, Italy and Egypt. Discuss and build major landmarks and try out the food from each country. I am looking forward to traveling with you and you don't even need a suitcase.

< ATHLETIC CONDITIONING = Speed development, Weightlifting, and Conditioning. Helping levels of athletes increase cardio respiratory endurance, strength, stamina, flexibility, coordination, agility, balance, accuracy, power, speed. This class will be held at the high school in the weight room.

< BABYSITTING & CHILD CARE COURSE = This babysitting course will help students provide quality care to children of all ages. The course includes topics such as choosing age-appropriate activities, basic child care, like bottle feeding, child behavior, leadership, professionalism, safety, starting a babysitting business and more! Students will gain the skills necessary to provide safe and responsible child care for children. Best of all, with successful completion of the course, you'll earn a Red Cross certificate that you can use to demonstrate your skills and build your resume. **Students must be 11 years of age at the start of the class to enroll.**

< BALLOONS, BEACH BALLS, & FITNESS = Enjoy having fun with movement! We will play games, run relays, and use the gym for whatever we like! Our goal will be a mix of fast paced games with quiet, calm, peaceful, breath catching activities in between. **Wear comfortable clothes and any gym shoes. No sandals please. Bring a water bottle if you have one.**

< BASKETBALL (All Grade Levels) = Summer is a great time to practice and improve upon basketball skills. This course is for all kids with varying skill levels. In this course, students will improve and develop their own individual basketball skills. Students/players will also help each other to be the best they can be focusing on teamwork. Through different drills and training students/players will be learning, developing, or improving upon the following skills: 1.)Dribbling 2.) Shooting 3.)Defense 4.)Rebounding 5.)Passing. **Wear comfortable clothes and any gym shoes. No sandals please. Bring a water bottle if you have one.**

< BE A BOOK COOK! THE ART OF BAKING & COOKING! = ½ cup of fun, 1 cup of imagination and a tablespoon of surprises....That is what you will encounter at Be a Book Cook . Come prepared each day to use your imagination as we bake and cook up treats for you, your family and friends to eat! Be amazed as you make cookies, cakes, pizza, breakfast items, ice cream and more! Each treat we make will be connected to a children's literature book. At the end of summer school you will have your own Be a Book Cook cookbook to take home! If you like to bake, cook, have fun and use your imagination this class is for you. Supplies: Bring an Art shirt/old t shirt that they do not mind getting messy. **Fee: \$5.00 - Payable at time of registration**

< BEGINNING WELDING

Youth welding camp allows students to explore a career opportunity in basic welding and welding fabrication. Students will learn workplace safety while exploring the field of Gas Metal Arc Welding. Students will learn basic print reading along with hands on GMAW welding skills. There will be a project to complete that the students will take home. Students will be supplied all safety personal protective equipment. Students will be required to wear long pants, and close toed shoes. (Jeans preferred)

< BLASTING OFF = EXPLORING OUTER SPACE = In this class we will learn about the planets in our solar system, along with the sun, moon, and other outer space topics (space travel, asteroids, comets, etc). We will have stories, activities, crafts, snacks all revolving around Outer Space.Bring your excitement for learning and be ready for a fun time!!

< BRACELETS, BRACELETS, BRACELETS = Welcome to the wide world of bracelets. From string to embroidery floss, glass beads to handmade paper beads, your wrists will never look better. Give them as gifts or keep them for yourself! **Fee: \$5.00 - Payable at time of Registration**

< BUILD IT! MAKE IT! CODE IT! PLAY IT! = This class will involve not only some coding activities but also STEAM activities and some make and take crafts also. Let's have some fun and learn at the same time. Stories will also be included. Students will not only be given challenges but will also be given the time to create and investigate with a variety of materials each day. Topics and projects may include: spinners, rainsticks, and some pony bead creations. **Fee: \$5.00 - Payable at time of registration**

<Card Games = The traditional deck of cards is convenient and easily assessable to learn an amazing variety of card games. Learn how to play solo and group games. Develop strategies while building skills along with cooperative play.

< **CARDBOARD CREATIONS** = Let your imagination go wild in this fun-filled Cardboard Creations Class! You will be putting your math and engineering skills to the test through drawing up design plans and collaborating with friends. From building vehicles to creating board games, the sky's the limit in this class. Sign up with an open mind and see the amazing things you can make! **Fee: \$5.00 - Payable at time of registration**

< **CHEERLEADING** = In this course your student will develop their team building skills and OREDOCKER SPIRIT! They will learn basic cheerleading motions, jumps and several cheers that our own AHS squad performs at football and basketball games!

< **CHEF IN TRAINING** = This nutrition and cooking class encourages kids to eat healthy meals and snacks and the importance of staying active through hands on learning activities. Children will learn basic cooking skills, good nutrition, healthy food choices, food safety, and the importance of physical activity. **Fee: \$5.00 - Payable at time of registration**

< **CIRCLE'S EVERYWHERE** = Join us for your favorite circle game activities and learn some new ones too! We will do some creative thinking, learning, and crafting about things that are circular (space? games? toys?). A calm, fun, creative classroom atmosphere with lots of possibilities.

< **CLASSIC RECESS GAMES** = Do you ever get bored at recess and wish you knew some fun games to play? This is the class for you! Learn classic games like 4 square, SPUD, Steal the Bacon, Pickle and some new ones too. Rainy day? No worries, we'll play your favorite morning meeting activities and other fun indoor games.

< **COME TRAVEL WITH ME** = Come travel the world with me! We'll explore and learn about a variety of places around the world. We will try different foods and create a project for each place. **Fee: \$10.00 - Payable at time of registration**

< **COOL, YUMMY SUMMER TREATS** = Come one, come all and let's make some yummy treats!! This is a course for beginner and intermediate chefs. You will make delicious, mouthwatering recipes. A new variety of culinary creations are on the summer menu such as s'mores on a stick, fruit smoothies, banana split bites, apple fritters, caramel popcorn, summer chocolate bark and fruit nachos to name a few. *Please be aware that food products used may contain traces of food allergens (soy, nuts, milk, etc). **Fee: \$10.00 - Payable at time of registration**

< **CRAFTING FUN** = Get your ideas together and work on crafts with other crafters - be creative and let your imagination flow. We will discuss different craft ideas and explore different crafting materials.

< **CRAFTING AND SUMMER FUN** = Learn new ways to step up your stenciling, stamping, and mixed media techniques with Simon to add an artistic flair to your cards! Don't be afraid to get messy as we share various hacks you'll want to use on your upcoming projects. These innovative techniques will leave you speechless as you use your stencils and stamps in ways you will just love!

< **CRAZY COOL COLOR CRAFTS** = In this class, we will make projects with all the colors of the rainbow. We will eat colorful snacks. We will play color games and read colorful stories. We will do new and different crafts than last year's class. Come and join our crazy cool color craft FUN! **Fee: \$10.00 - Payable at time of registration**

< **CROCHETING** = Beginning crocheting. **Fee: \$5.00 - Payable at time of registration**

< **EVERYDAY IS A HOLIDAY** = Christmas and New Years in June? Sure why not. Celebrate a different holiday every day full of crafts, snacks, and playing games. You will celebrate Halloween, Thanksgiving, Christmas, Valentine's Day, Cinco de Mayo, St. Patrick's Day, and enjoy a Fourth of July celebration! At the end of the class you will be taking home a calendar that you have created to remember each holiday. At the end of the class you will be taking home a calendar that you have created to remember each holiday.

< **FAIRY TALE FUN** = Children will have fun learning with some of their favorite fairy tale characters like Goldilocks, The Little Red Hen and The Three Little Pigs. Students will enjoy reading different versions of each story, creating crafts, cooking and completing STEM projects based on each story.

< **FOREST FUN** = Join us for exploring the outdoors with walking tours of the elementary school forest, outdoor field games, scavenger hunts, plant identification games, berry-finding, team building activities, map reading and nature-based art.

< **GAMES, GAMES, GAMES** = Hopscotch, Twister, Jump rope, Dominoes, Checkers, Jenga, and Card games just to name a few. Children can have fun while they interact, negotiate rules, take turns, correct and challenge each other; thinking and problem solving all the time. We will be outside and in.

< **GAMES & SOCIAL SKILLS** = Do you like to play games? Do you like to play outside? Then come join me this summer for a morning of games and fun. We will play old favorites and learn new games while becoming better teammates and making new friends.

< **GET DOWN & CRAZY ART** = Come and get messy while making fun art projects. Please make sure that you are wearing artist style clothing as some items may not wash out of your clothing. This class is so crazy that some of our projects will take place outside! **Supplies: Donations are welcome. Fee: \$5.00 - Payable at time of registration**

< **GETTING LOST IN A BOOK CLUB!**

Escape and take a journey into a good book this summer. We will meet different characters, explore different lands, and share this journey. The book will be chosen by you; the adventure is waiting. Let's get lost together.

< **GOING BUGGY** = Butterflies, ladybugs, dragonflies and bumblebees. We will explore the wonderful world of insects through stories, crafts and snacks.

< **GREEN THUMB GARDENING** = Students will learn about planting and maintaining a garden by getting their hands dirty in our school garden. They will learn about a variety of plants and how to help them grow. They will also get the opportunity to enjoy literacy activities related to gardening.

< **GUIDED DRAWING** = Guided drawings are step-by-step drawing lessons that a teacher leads the class in. The teacher walks students through a series of steps, adding parts to a drawing until it is complete. The steps are short and simple and include easy lines, shapes, and details. In the end, each student has the same drawing, though, of course, they each look unique.

< **HAPPY CAMPERS** = Who doesn't love camping and the great outdoors? We will be taking nature walks, doing camping and nature crafts, even making some camping treats. It will be camptastic!

< **IT'S A ZOO** = Love animals? This class is all about those furry creatures. We will be learning about all different types of animals, making animal crafts, listening to animal stories, making some animal inspired snacks and even doing some science related to animals.

< **KICKBALL** = Let's play kickball! We will use the gym to play the game, learn basic skills, talk about sportsmanship, stay fit and healthy, and mostly play kickball! **Supplies: Wear comfortable clothes and any gym shoes. No sandals please. Bring a water bottle if you have one.**

< **LOVE OF LEGOS** = Imagine, Create and build. Learn though the love of using legos. Your child will have hands-on learning experiences creating unique lego structures all promoting growth in imagination, fine motor skill, math and creative thinking.

< **MATH IS FUN** (Math Review for Elementary Students) = This class will provide your child with an opportunity to develop his/her math skills in a fun and engaging way. Each student will be supported to his/her level of readiness to nurture their success. This is a great opportunity to strengthen numeracy and problem-solving skills!

< **MAY THE FORCE BE WITH YOU** = Calling all Star Wars and space fans! This class will be filled with a little bit of everything from science experiments, movie watching, games, and crafts. This class is sure to be out of this world!

< **MOVIES AND MUNCHIES** = What do you get when you combine creativity, fun snacks and an interesting kid friendly movie? This class is what you come up with. Snacks will be simple and the recipe will be sent home also. The snacks and activities will correlate to the movie for that day. What a great way to learn and wind down! **Fee: \$5.00 - Payable at time of registration**

< **MOVIN N GROOVIN** = Students will be engaged in fun daily activities! Students will learn about good health habits and exercise. There will be a daily activity and will include minute to win it games, mindfulness, sports, games, and yoga. **Fee: \$5.00 - Payable at time of registration**

< **FORAGING/NATURE** = This class will be a combined nature and language class. The students will learn about edible plants as well as work on expanding some knowledge of how to use the language.

< **OJIBWE ART** = Students will create some art projects using language as the main language where the kids follow and listen to the instruction in ojibwemowin.

< **ONCE UPON A WHAT?** = A tale as old as time or is it? We will take a classic tale and rewrite it to fit the modern times of the 21st century. This will be a fun way to practice writing and using your own creativity to do it.

< **OOEY GOOEY FUN** = Come see just how ooey gooey this world can get! Students will explore slime and goo from all angles by making every type of slime and goo imaginable! Be ready for some messy fun! Please send your kiddos with an oversized t-shirt to protect their clothes! **Fee: \$10.00 - Payable at time of registration**

< **OUTDOOR ED & SAFETY—DNR (3 class times available. Each 1st period, 2nd period & 3rd period class is 4 weeks in length)** = This class will allow students (minimum of 11 yrs old) to gain a firsthand knowledge about working in the outdoors as a career as well as outdoor safety. Students will be introduced to using the outdoors as a topic for writing and will also be taught wildlife identification, habits, and habitat needs. Activities will include map reading, using a compass correctly, tree stand safety, archery safety, and firearm safety. Each student who participates will have the opportunity to complete their Wisconsin Hunter Education requirements. **This class is 4 weeks long. Supplies: Notebook & Pencils Fee: \$10.00 – Payable to instructor on first day of class to the Wisconsin Department of Natural Resources (only if student wants Hunter Safety Certification) ** Students who want Hunter Safety Certification must register with the Wisconsin Department of Natural Resources prior to the start of class to obtain a DNR Customer ID Number. To obtain a DNR Customer ID Number:** call the Wis. DNR customer service office at (888) 936-7463; 7a.m. to 10 p.m. M - F go to the DNR Satellite Center, 2501 Golf Course RD, Ashland WI 54806; 11:00 a.m. - 2:00 p.m. M - F, (715) 685-2900 or go to any business that sells Wisconsin hunting or fishing licenses.

< **PAPER AIRPLANES** = We'll make a ton of different types of airplanes, 2 different planes per day. We will have daily contests to see who can maneuver their planes the best! We will play airplane golf and have airplane relay races too!

< **PARTY IN THE USA** = Let's celebrate America's birthday while we learn about the history of the good 'ol USA! In this Party of the USA class we will read stories, sing and create crafts while learning historic facts about our country. Party on!!

<PHOTOGRAPHY 101 = Step into the world of photography! Take a variety of different pictures while learning different techniques to capture the world around you. Everyday there will be a new assignment focusing on the topics of composition, color, lighting, minimalistic photos and leading lines just to name a few. Please bring a camera, preferably not your cell phone.

<PLAYDOUGH = Enjoy the fun in making playdough and using playdough to increase your child's imagination, small motor and multi-sensory experiences.

<POKEMON MATH = Use the pokemon cards to create math problems, addition and subtraction with regrouping and for those who feel they need an additional challenge can try some multiplication.

< READING IS FUN/READING BOOST = (Reading Review for Elementary Students) = This class will provide your child with an opportunity to develop his/her reading skills in a fun and engaging way. Each student will be supported to his/her level of readiness to nurture their success. This is a great opportunity to strengthen key skills for reading and cultivate a love for literacy!

<Ready to Rock ELA 9 = Prepare for your transition to high school by previewing the essential skills and routines you'll need to thrive in your freshman English class.

<RECKLESS WRITING = Discover the magic of creative and collaborative writing with no rules and loads of imagination.

< SCIENCE IS FUN = We will explore the world of science through simple experiments and stories. We will build boats, do some planting, learn about volcanoes as well as other fun topics of interest. Just bring a pair of safety glasses/goggles, crayons and a notebook and let the adventures begin. Supplies: Safety goggles, 24 count crayons, regular size notebook (wide ruled).

< SCRAPBOOKING = Do you have lots of pictures on your iPad? Get them printed and do something with them and create a scrapbook. The first part of this class, we will be learning scrapbooking techniques and making lots of cool pages. The other half we will be creating other crafts from jewelry to decorations for your bedroom. **Supplies: Pad of scrapbook paper (any size), 2 rolls of scrapbooking tape with dispenser, photos (if you have some but not required).** **Fee: \$10.00 - Payable at time of registration**

< SENSORY FUN = Have fun creating and manipulating a variety of multisensory activities using all 5 senses.

< SNACKS & STORIES I = Sit back, relax, and enjoy as you listen to some of your favorite authors like Dr. Seuss, Eric Carle, and Mo Williams. After listening to the story of the day we will create a snack and project related to the story. **Fee: \$5.00 - Payable at time of registration**

< STEM SCIENCE = What is STEM for the younger learner? It is a world of creativity, imagination, problem solving, science, technology, engineering, math and art, all rolled into one. Students will be given challenges and come up with their own solution to the problem on their own, with a partner or in a small group. Is it possible to drop an egg from 10 feet without breaking it? How much weight can a paper structure hold?

Students will also have the opportunity to explore, create their own challenges and create their own designs. Students will also learn about some great inventors and scientists. Activities will be hands on and kid friendly, along with fun. A few materials used include LEGOS, robots, building blocks, gears, magnetiles and books. Join us to learn and explore.

< STEM SCIENCE FOR THE YOUNGER ENGINEERS = Can you design a bridge that will hold the

most weight? Could you build the tallest tower with spaghetti and mini marshmallows? Or design your own maze out of straws. This is just the beginning. Along with designing and building items to complete challenges, students will also learn about some of the scientific concepts behind these challenges. Scientists will also learn some basic coding and practice with a variety of robots. Let's have some fun and challenge ourselves.

Fee: \$5.00 - Payable at time of registration

< STORYBOOK ADVENTURES = Enjoy the love of books and stories creating a fun and relaxing experience sharing stories.

< SUMMER BAND JUMP START (5th Grade only)

- **Who:** Open to students who completed 5th grade the previous June and enrolled in band for 6th grade
- **When:** August 12 -21
 - Monday - Friday; week one / Monday - Wednesday; week two
 - Students are scheduled for one hour per day depending on the instrument they play
- **Where:** AMS band room
- **ONCE YOUR STUDENT IS SIGNED UP - A TIME WILL BE PROVIDED.**

< SUMMER MIX= Enjoy games, outside activities and learning about all things Summer!

<Summer Snackin' = Stay in summer mode by creating some new, delicious summer snacks! Come join us for an introduction to basic cooking, baking, and even no bake foods. Each day we will test out a new recipe and find creative ways to enjoy summer foods. Come to class hungry and ready to snack! And, of course you will get to take the recipes home with you to show your friends and family what you can create.

< TANGLE WITH ZENTANGLES = Zentangle is a beautiful art form that connects doodling with patterns. A Zentangle is an abstract and unplanned, yet structured drawing that doesn't have to be anything but a design. Come and learn about creating radial designs, meaningful signs using pens, and simple patterns. Using pencils, markers and other drawing tools to create beautiful works of art.

< UNDER THE SEA = Our oceans are full of beauty and wonder, a separate world waiting for us to explore. We will become ocean explorers this summer and learn about the mysteries of the oceans! We will research different ocean animals through books and videos and create amazing ocean animal crafts. Through fun filled ocean games, experiments, and arts and crafts we will become experts on our oceans!

< VOLLEYBALL & FITNESS = Come and learn the basics of volleyball with beach balls, balloons, and volleyballs. Girls and boys will be participating in age appropriate games. A goal will be to teach fitness that is fun and lifelong. **Supplies: Wear comfortable clothes and any gym shoes. Bring a water bottle if you have one.**

< YARD GAMES = Up for a little friendly competition? Come join us for yard games. We will be learning the rules to yard games like ladder golf, bocce, bean bag toss to name a few. After we have learned the rules and had some time to practice we will set up a tournament to challenge your classmates.
