How should LEAs provide information to OSPI?

Each LEA will submit its responses to each checklist item using **an online form in Smartsheet.**

How does each LEA access the Smartsheet form?

To access the Smartsheet form, each LEA's primary point of contact will need to:

1. **Click on this [link](#)**, and
2. **Create a Smartsheet account** (if necessary).

Important! When you create your Smartsheet account, please use the same email address that you provided to OSPI.

How does each LEA complete the Smartsheet form?

The Smartsheet form **includes detailed instructions** for how to submit responses.

Depending on the item, you will be asked to:

- Answer questions,
- Upload documents,
- Provide web addresses, and/or
- Submit brief narrative responses.

IMPORTANT: Partially-completed forms cannot be saved, and so the entire **Smartsheet form must be completed in one session.**

Are there any tips or tricks to keep in mind?

Answering Questions:

- The form will adjust and add new questions based on your previous answers.

Uploading Documents:

- Smartsheet limits the number of uploads to ten separate files. If needed, combine some documents into single files (e.g., your LEA's 3210 and 3210P), or consider providing web addresses instead.

Providing Web Addresses:

- Please only provide publicly available web addresses.
- Please only provide full web addresses (e.g., <https://...>), **not** linked display text (e.g., click [here](#)).

Submitting Narrative Responses:

- Make sure to respond to all parts of the prompt.

How will an LEA know if its form has been accepted?

Once an LEA has successfully submitted its form, it will **receive a congratulatory message** acknowledging the Smartsheet form has been completed and sharing the next step of the process.

Who should an LEA contact for help?

LEAs should contact their ESD or the Equity and Civil Rights Office for technical assistance.
