The Community 2000 Education Foundation is a 501(c)(3) charitable organization that provides college and technical training scholarships.

Community 2000 provides need-based scholarships, supporting residents of Charlestown, Hopkinton or Richmond going on to college or seeking additional technical training including students who attend charter or other private high schools. Students from towns other than Charlestown, Hopkinton or Richmond who attend Chariho are also eligible. Scholarship applicants must demonstrate at least a **modest level of financial need**.

Community 2000 scholarships are renewable annually for up to four years, thereby providing continued support throughout the undergraduate experience. In addition, students in selected degree programs that require more than four years may apply for a 5<sup>th</sup> and/or 6<sup>th</sup> year of support. In recent scholarship years, thirty plus scholarships have been given to a pipeline of college freshmen, sophomores, juniors and seniors.
