Step 1: Children

List all infants and children in the household, their school and grade if applicable, and birthdate. Attach an additional page if needed to list all children. Check the box if a child is in foster care (a welfare agency or court has legal responsibility for the child).

Step 2: Case Number

If any household member currently participates in SNAP, MFIP or FDPIR, write in the case number and then go to Step 4. If you do not participate in any of these programs, leave Step 2 blank and continue on to Step 3.

Step 3: Adult and Child Incomes / Last 4 Digits of Social Security Number

- Social Security Number/Total Household Members.** An adult household member must provide the last four digits of their Social Security number or check the box if they do not have a Social Security number. Report the total number of household members and ensure all household members are listed individually on the application in the child or adult section as applicable.
- Child Income.** If any children in the household have regular income, such as SSI or part-time jobs, list the total amount of regular incomes received by all children, and check the box for the frequency: weekly, bi-weekly, twice a month, or monthly. Do not include occasional earnings like babysitting or lawn mowing.
- Adult income.** Report the names of adult household members and income earned in this section.
 - List all adults living in the household not listed in Step 1, whether related or not, such as grandparents, relatives, or friends.
 - Gross Earnings from Work.** This is usually the money received from working at jobs where a paycheck is received. For each income, check the box to show how often the income is received: weekly, bi-weekly, twice per month, or monthly.
 - List gross incomes before deductions, not take-home pay. Do not list an hourly wage rate. For adults with no income to report, enter a '0' or leave the section blank. For seasonal work, write in the total annual income.
 - Are you Self-Employed or a Farmer?** List the net income per month or year after business expenses. Do not list the same income twice on the application. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
 - Any Other Gross Income.** List gross incomes before deductions from all other sources, such as SSI, unemployment, child support, public assistance, social security, rental income or annuities.

Step 4: Signature and Contact Information An adult household member must sign the form. If you do not want your information to be shared with Minnesota Health Care Programs, check the "Don't share" box in Step 4. Check all areas you would like to share for possible fee benefits.

Complete one application per household. Mail the completed application in the enclosed self-addressed envelope or turn in the school kitchen or office. You can also apply online at www.bloomingtonschools.org, select District, select Food Services, and select Application for Educational Benefits.
