MASTER PLAN OUTLINE

I. EXECUTIVE SUMMARY

- A. The Osage County R-I School District is located in Chamois, Missouri along the Missouri River. The population at the 2020 census was 377.
- B. The current student population of the District is approximately 140 students and a staff population of 40. See Exhibit “A” for 6-Year Student/Teacher Population Change.
- C. The original District building was built in 1959 with multiple additions. The latest addition was the Technology Building in 1989.
- D. Exhibit “B” is a list of priorities in order of importance. This list is considered a “dynamic” list. It should be reviewed and updated on a continuing basis. The items listed were comprised from meetings with the Superintendent, the Board of Education and the Architect with use of the Facilities Report dated May 12, 2021.
