- We recommend that you communicate with your child’s teachers and/or counselor when selecting courses for the 2022-2023 school year. Consider courses that will provide your child a challenging and successful educational experience. Students who score below the 50th percentile on EOC/EOG tests may be subject to administrative schedule changes for academic reasons.
- *As a reminder: We will only make changes to schedules for errors on the part of the school or if the student needs the class for graduation.*
