APPENDIX III- CONFLICT OF INTEREST

I, _____ (Offeror), on behalf of myself and my company, and my sub-Contractors, if applicable, certify the following, under penalty of perjury, that to the best of my knowledge and belief:

1. No circumstances currently exist that create a Conflict of Interest in my performing the services required by the Solicitation to which I am responding or the Agreement to be signed if I am the successful Offeror in response to this Solicitation, and
2. I understand and acknowledge that my failure to disclose any affiliation or relationship that creates or may create a Conflict of Interest shall be deemed a material misrepresentation and sufficient reason for Offeror and Offeror's company to be disqualified, suspended, and/or excluded from participating in this and any future solicitation and procurements as well as removal from the Rock Hill School District vendor database. It may further result in termination of any contractual relationship with Rock Hill School District (District) and may be grounds for disciplinary action, up to and including debarment by the District, fines, penalties, imprisonment, or civil suit to be brought against Offeror or Offeror's company.
3. That to my knowledge, no employee or official of the District, nor any public agency or official affected by this Solicitation or the Agreement to be signed if I am the successful Offeror, has any pecuniary interest in the business of the Offeror's company or Offeror's sub-Contractor(s), nor does Offeror or Offeror's sub-Contractor(s) have any interest that would conflict in any manner or degree with the performance related to this Solicitation or Agreement.
4. I warrant that I and my sub-Contractor(s), if any, have not employed or retained any company or person other than a bona fide employee working solely for the Offeror's company or sub-Contractor(s) in order to solicit or secure an agreement with Rock Hill School District, as related to this Solicitation or any resulting Agreement, and that I and my sub-Contractor(s), if any, have not paid or agreed to pay any person, company, corporation, individual, or firm other than a bona fide employee working solely for the Offeror's company or Offeror's sub-Contractor(s) any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award of any Agreement.

5. I warrant and represent that my offer identifies and explains below any unfair competitive advantage I or my company or sub-Contractor(s) may have in competing for the Agreement to result from this Solicitation and any actual or potential conflicts of interest that may arise from my participation in this Solicitation or my receipt of an award. I acknowledge that the District intends by this statement to identify any and all potential conflicts of interest and unfair competitive advantages held by any Offeror, to prevent the existence of conflicting roles that might bias a Contractor's judgment, and prevent one Offeror or company from having an unfair competitive advantage over other Offerors.

The District, in its sole discretion, has the authority and responsibility to determine whether or not a conflict of interest or unfair competitive advantage exists, after a review of the relevant facts. I acknowledge and understand that if I or my company has an unfair competitive advantage or a conflict of interest; the District may withhold the award of this Agreement. Before withholding award on these grounds, an Offeror will be notified of the concerns and provided a reasonable opportunity to respond. Efforts to avoid or mitigate such concerns, including restrictions on future activities, may be considered.

List any Actual or Potential Conflicts of Interest below or check the box below to certify that none exists. Failure to fully disclose information may result in penalties and/or sanctions as outlined in #2 above.

Please check only one box below.

6. I warrant that should I become aware of an actual or potential conflict of interest involving my company or sub-Contractor(s), if any, in performing the services under the Agreement or responding to this Solicitation, I will notify the District immediately. I also warrant that should I become aware of any competitive advantage that my company or sub-Contractor(s) have in responding to this Solicitation or providing services under an Agreement related to this Solicitation, I will immediately notify the District of the discovery of a possible competitive advantage. I understand and acknowledge that this obligation to inform the District of the discovery of a conflict of interest or competitive advantage is a continuing obligation and extends throughout the Term of the Agreement for this procurement.
7. By signing this statement, I certify for myself and on behalf of my company and any of my sub-Contractor(s) that I have and will comply with, and have not, and will not, induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (Ethics Act). If I or my company or sub-Contractor(s) participate, directly or indirectly, in the evaluation or award of public Agreements, including without limitation, change orders, or task orders regarding a public Agreement, I shall, if required by law to file such a statement, provide the statement required by Section 8-13-1150 to the Purchasing Agent at the same time the law required the statement to be filed.
