

Safety Patrol

Dear Parents,

Safety Patrols are members of a special group chosen to watch over the safety of Bell's Crossing students. They represent the school and lead by example. It is an honor to be a patrol, and the actions the students portray should represent this honor. Patrols are expected to be role models at all times. With great responsibility comes great reward. Your child will be seen as a leader of our school.

Please have your child read the following expectations below and fill out the application on the back. All applications are **due back by Monday, May 23rd and should be returned to Mrs. B. in the library.**

- I understand morning patrol begins at 7:25 a.m. and afternoon patrol ends at 3:00 p.m.
- I understand I am to be at school ready to go by the above times.
- I understand that if I receive a disciplinary referral during the year, I may be removed from safety patrol.
- I understand I should be polite to parents, students, staff, and visitors in our school and should never put my hands on students or their backpacks.
- I understand my parents or guardians need to provide transportation to or from school if I am chosen as a patrol. **Bus riders may do a.m. patrol since the buses arrive at 7:15 a.m.**

Thank you for being a leader at our school!

Safety Patrol

application

Student's Name: _____
