Together we can Achieve Greatness!

## We Say, “Steeple”, You say, “Chase”!

Why do we say Steeple with the expectation  
that students will say Chase?

This is one way we build community and school  
spirit while also quickly getting the attention of  
all students.

Students know when they say Chase that their  
voice level needs to be zero(silent) so they can  
hear what is next.

**L— Lead with 7 Habits**  
**E—Exhibit Safety**  
**A— Act Respectfully**  
**D—Demonstrate Responsibility**

Family School Compact was developed collectively with Students, Parents, and Staff. We will review our compact each year and approve through our Site-Based Decision Council.

One goal at Steeplechase Elementary is working together with families toward a rewarding and successful school year. The Family School compact outlines the responsibilities of home and school to help all students build the foundation of lifelong learning.

The Family School Compact gives parents the opportunity to be involved in their child's education.
