Class of 2023

PREPARES FOR NEXT CHAPTER

The annual Northport High School commencement ceremony took place on a Friday night for the first time, an apt milestone for a group of young adults with such a lasting impact on the school community. The newest alumni overcame many obstacles to become some of the most successful scholars, athletes, musicians, artists, philanthropists and overall accomplished students.

The ceremony began with a welcome by the high school honor band as students proceeded into the auditorium while reflecting on their four years of hard work and determination that led them to this exciting moment.

Senior class president Maeve Carroll then took the stage to lead the crowd in the Pledge of Allegiance before Principal Rob Dennis took the stage. While addressing students and families in attendance, he thanked all the families and staff who have helped students reach this milestone. The Northport High School choir continued their tradition of

singing "Fields of Gold" before salutarian Dessa Kavrakis took the stage.

Dessa spoke of the important role that her family and Greek heritage has played in her success and the importance of finding balance in life. "These lessons can be learned from anywhere, in the classroom and absolutely beyond," she said.

"Hard work and focus do not imply a life devoid of balance. In order to enjoy the journey, you must take care of yourself physically, mentally and emotionally," she added.

Principal Rob Dennis spoke of time, and how it is both a gift and thief. He spoke directly to students, saying, "You are sitting here today as proof to your parents that time flies," before encouraging parents to remember how precious time

is and reflect on the many memories made in the years leading up to this moment.

Students then approached the podium one by one to receive their diplomas and mark the completion of four years of hard work.

Valedictorian John Dwyer then took to the stage to address his peers and spoke of the importance of appreciation. "As students, appreciation lies in the opportunities available to us. And the people who make our efforts to achieve worth it. Like the teacher who challenged you, or the classmate that made your day a

little bit better," he said.

John emphasized that appreciation, gratitude and kindness have the greatest impact on the world and people around you. "Gratitude is so valuable and easy to show. Everyone wants to feel appreciated and sometimes letting someone know what they mean to you is just what they need," he added.

Sam Rosenfeld-McMahon then led his peers in the tassel change, commemorating their final moments as high school students.

Congratulations to the Class of 2023!

CLASS OF 2023

Northport Class of 2023 Valedictorian John Dwyer graduated at the top of his class thanks to years of hard work and dedication to his studies. In addition to being a National Merit Scholar and International Baccalaureate Diploma recipient, John was captain of the varsity baseball team and credits the sport with having a tremendous impact on him, saying, "It taught me to work hard to improve myself." He will continue playing at the Massachusetts Institute of Technology in the fall where he plans to major in engineering with a focus on energy conversion.

.....

Northport Class of 2023 Salutatorian Dessa Kavrakis is both a committed academic student and musician. She credits her time with the Grammy Award-winning National Children's Chorus as having the greatest impact on her high school career, saying, "Working with world-class professionals, strengthening my vocal technique and meeting students from all over the tri-state area has fostered my love for the arts and has pushed me to pursue more experiences like it in the future." She is also an IB Diploma recipient and will be attending Harvard College and Berklee College of Music in the fall to major in both neuroscience and music.

.....

Charlotte Bingham has taken a multitude of high-level AP and IB classes while being involved in several extracurricular activities. She credits her involvement in marching band with having the greatest impact on her, saying, "Marching band taught me everything I know about leadership and persistence." She will be attending Syracuse University in the fall with plans to major in international relations in hopes of working in international security or diplomacy.

.....

Nicholas Crafa's various accomplishments throughout high school include excelling in several high-level AP and IB courses as well as being selected as a National Merit Finalist. He credits volunteering for a program designed to help special-needs kids play and socialize called Respite as teaching him "incredible lessons" as well as his time in Debate Club, which helped him develop his presentation skills. He will be attending Brown University in the fall and majoring in health and human biology.

.....

Ty D'Amico's high school career included a variety of AP and IB courses; however, he credits the baseball team with having the greatest impact on him. "Northport Baseball had the greatest impact because I made the most memories with my longest friends," he said. Ty will be attending Tufts University with hopes of pursuing a career in the medical field.

Top 10

Brooke Izzo was deeply involved in the science and technology departments, taking a multitude of AP and IB courses and being an active member of the STEM Club. She credits the STEM Challenge, organized by the STEM Club, as having the greatest impact on her, saying, “STEM is something that I enjoy and to see the children having fun with it too through the challenges that we created is very fulfilling.” She will be attending George Washington University on a full gymnastics scholarship while majoring in biomedical engineering.

.....

Zoe Meadows is a National Merit Finalist and two-time gold medal winner at the Long Island Math Fair. In addition to many AP and IB courses, Zoe was a captain of the Tigerette Dance team, which she credits with having the greatest impact on her due to the community involvement and wide opportunities to perform as part of the group. She will be attending Duke University in the fall to major in biomedical engineering and minor in dance.

Andrew Miller excelled as both a scholar and an athlete during his time at Northport High School. He was a member of the football and lacrosse teams and took a variety of AP and IB courses. Of his many activities, he credits Boy Scouts as having the greatest impact on him, saying, “It taught me the pillars of leadership and many useful life skills that I will carry with me through life.” Andrew will be playing lacrosse at the United States Military Academy at West Point and majoring in systems engineering.

.....

Todd Petry is a dedicated student who excelled in a variety of subjects throughout his time at Northport High School. In addition to taking a multitude of AP and IB courses, he credits the robotics team with having the greatest impact on his educational career. “Being a part of this team helped me, of course, develop countless technical skills, but we also faced a multitude of challenges. These difficulties eventually led me to further strengthen my communication/organization skills, overall leadership and resilience,” he said. Todd will be attending Worcester Polytechnic Institute to major in mechanical and robotics engineering.

Ella Piscatello excelled across a variety of subjects throughout high school, but credits musical theater with having the greatest impact on her, saying, “Musical theater has taught me the importance of authenticity and spontaneity – being real and present in the moment.” She has also taken many AP and IB courses and is the recipient of several awards and scholarships. Ella will be attending Brown University in the fall with hopes of becoming a playwright and performer.

Students of the Month

During each month of the 2022-23 school year, Northport High School seniors were honored at the district's Board of Education meetings for displaying strong leadership, hard work and dedication in specific academic areas. Each student, nominated by their teachers, was commended for their positive contribution to the high school and for being an exemplary role model for their peers. Department directors praised the awarded

students in front of the Board and shared videos highlighting each recipient's high school career, including their volunteer work, academic success and hopes for the future. Superintendent of Schools Robert Banzer and Board President Larry Licopoli awarded each student with a certificate for their achievement.

Congratulations to the following seniors on being recognized as Students of the Month during the 2022-23 school year:

Charles Friedman
Business Education Department

Emily Brunkard
Family and Consumer Sciences Department

Todd Petry
Mathematics Department

Francesca DeRosa
English Language Arts Department

William Bligh
Technology Department

Brooke Izzo
Science Department

Estefania Gudiel Ramirez
English as a New Language Department

Ella Piscatello
World Language Department

Kaitlin Zenyuh
Health Department

Ava Mir
Social Studies Department

Brandon Murphy
Physical Education Department

Anna Tumbarello
Fine Arts Department

Samantha Libbey
Performing Arts Department

Sebastian DiTucci
Career and Technical Education

A Bright Future Ahead

Congratulations to the fourth grade and eighth grade graduates of Northport-East Northport! Students beamed with excitement, curiosity and nostalgia as they finished their elementary and middle school careers and looked ahead to their next chapters.

The schools were filled with pride as each elementary moving-up ceremony welcomed families and teachers to celebrate the graduates. Current fourth graders expressed both fondness for their first schools and excitement for the opportunities that await them at the middle schools. Students received various awards and recognitions before stepping up to receive their certificates of completion.

Eighth graders from both East Northport Middle School and Northport Middle School also reflected on their time over the past three years, with a common theme of forming lifelong friendships through shared experiences and school activities. Many students also spoke of excitement for their freshman year of high school, where students will undoubtedly continue to build friendships, gain academic and extracurricular experience and shape their futures.

Congratulations once again to the future classes of 2027 and 2031!
