REPORTING ABSENCES

LCSC recognizes that there are times when a student is unable to attend school. **Absences must be reported daily for all students.**

Reporting an absence:

If the student is ill or unable to attend school or login due to illness, a parent/gaurdian is to call the student's school to report the absence. A call is required each day the student is absent.

FEES + PAYMENTS

Parents and guardians can make payments for school meals and apply for free or reduced meals using Skyward Family Access. For a step-by-step payment tutorial, please visit **Parent and Family Resources** on our website.

Collection Services

LCSC has partnered with the Indiana Association of Counties TRECS Program. The program recovers unpaid school fees from Indiana State tax returns.

Educational Benefits + Assistance

Educational benefits applications are available through Skyward Family Access. Only one application per household is needed, and a new application must be submitted each year.

FOOD SERVICES

The U.S. Department of Agriculture is no longer providing free school meals. All families must apply to continue receiving educational benefits.

For assistance logging into Skyward, please contact your child's school.

HEALTH + IMMUNIZATIONS

Parents/guardians are asked to communicate all relevant student health information to their child's school nurse.

Immunizations

To view complete immunization information, please visit our website at www.leb.k12.in.us/health.

In accordance with Indiana State Department of Health guidelines, all immunization or exemption documentation (if applicable) must be submitted within 20 days of the start of school. Students who do not provide appropriate documentation will be excluded from school.

SCHOOL SUPPLIES

Supply lists for grades K-8 can be found online. Visit the school website > Academics > Supply Lists.

Students in grades 9-12 will receive specific information about required and recommended supplies during the first week of school. Students should plan to bring basic supplies: notebook(s), folder(s), and writing utensils.

TRANSPORTATION

LCSC will provide all eligible students with free transportation to and from the designated pick-up location during the school year. Bus stop location, time, and bus number will be available beginning August 2, 2024 by visiting www.leb.k12.in.us/elink.

In order to maximize our efforts to ensure student safety and minimize operational costs, students are not permitted to change authorized routes. Any change to routes must be approved by the Director of Transportation.

All students should be at their bus stop five minutes before the scheduled bus arrival.

Residency Verification

To ensure transportation (if eligible) by the first day of school, verification of address must be on file no later than Friday, July 26.

MyStop

MyStop provides GPS tracking information for our buses, and gives families more exact information about their child's bus arrival.

To use the app, download the free Versatrans MyStop app. Then visit our website for step-by-step setup instructions: www.leb.k12.in.us/mystop

The LCSC Transportation Department can be contacted at 765-482-1499 and opens at 6 a.m.

STUDENT TECHNOLOGY

LCSC is committed to creating the best learning experiences in a 1:1 environment.

Canvas

Canvas is the district's Learning Management System. It organizes course materials, grading, messages, and more.

iPads

Each student in kindergarten through 12th grade will receive a district-issued iPad and accessories for the school year.

The student who is issued a device and all equipment is responsible for that device. All device usage is in accordance with Board Policy 7540.03. Prior to taking home a district-issued device, all students must have a Student Device Use Agreement completed in Skyward. This is typically done during student registration.
