## Message from the Principal

Dear Parents and Students:

Welcome to Eagle Rock Elementary! We've spent the summer buzzing with excitement, getting everything ready for what promises to be another amazing year for all our students, parents, and teachers. Our mission is to provide top-notch education in a positive, safe, and nurturing environment. We're dedicated to fostering good character, discipline, and self-control in every student.

We're thrilled to partner with you, our wonderful families. We recognize that parents are a child's first teachers, and we are excited to continue this educational journey with you. With your support, our students will thrive. Parental involvement is one of the strongest indicators of lifelong success, and we encourage you to stay engaged by discussing school experiences, attending events, volunteering, participating in the PTA, and staying involved in all academic activities. Your support is crucial to your child's and our school's success.

This handbook is designed to be a handy reference throughout the school year. It outlines our purpose, mission, policies, and other information to help our school run smoothly. If you have any questions that aren't covered in the handbook, please don't hesitate to reach out to me.

Once again, welcome to what is sure to be an exciting and rewarding school year at Eagle Rock Elementary! We can't wait to work with you and watch each student soar!

### PHILOSOPHY AND OBJECTIVES

#### THE NATIONAL EDUCATION GOALS

- All children in America will start school ready to learn.
- The high school graduation rate will increase to at least 90 percent.
- American students will leave Grades 4, 8, and 12, having demonstrated competency in challenging subject matter, including English, mathematics, science, history, and geography; and every school in America will ensure that all students learn to use their minds well, so they may be prepared for responsible citizenship, further learning, and productive employment in our modern economy.
- American students will be the first in the world in science and mathematics achievement.
- Every adult American will be literate and will possess the knowledge and skills necessary to compete in global economy and exercise the rights and responsibilities of citizenship.
- Every school in America will be free of drugs and violence and will offer a disciplined environment conducive to learning.

#### GOALS OF PUBLIC EDUCATION IN VIRGINIA

The goals of public education in Virginia are based on the concept that educational excellence and equity are promoted by establishing a program that specifies a core of expectations for each and every student, supplemented with enhancement and specialization. Schools will be prepared to receive and educate each student such that:

1. all students will demonstrate competence in a core of knowledge that is critical to their understanding of the world in which they will live;
2. all students will develop a system of ethics and values reflecting individual and shared responsibilities for themselves and to the community in an increasingly global society;
3. and all graduates will be prepared to directly enter and continue in the skilled work force, or to enter and complete further academic and technical education.

Schools have a unique responsibility for achieving these goals and for making that a collaborative effort with families, businesses, and the community.

#### BOTETOURT COUNTY PUBLIC SCHOOLS MISSION STATEMENT

It is the mission of Botetourt County Schools to ensure that all students participate in quality learning experiences necessary to grow, to adapt and to meet the challenges of responsible citizenship in a changing global society.

### **DESIRED STUDENT RESULTS**

- Students will exhibit proficiency in the Virginia Standards of Learning.
- Students integrate knowledge using thinking and reasoning skills.
- Students communicate effectively through listening, speaking, and writing.
- Students develop personal and social responsibility.

### **STATEMENT OF PHILOSOPHY**

The County School Board of Botetourt County believes...

- that the way of cherished in the United States is founded on a great spiritual heritage, the ability of the people to govern themselves through representative government, and a recognition of the dignity and integrity of the individual.
- that the home, the church, and the school are basic institutions responsible for the development of our children.
- That to preserve the ideals upon which our country was founded and to meet the great challenges facing our country and the world today, it is imperative that we maintain a public school system that functions according to democratic principles and has as its primary objective the development of worthy members of our society.
- That school practices and policies evolve from knowledge of the nature of boys and girls, convictions regarding the environment most conducive to learning, and a commitment to the fundamental principles underlying our form of government.

The Eagle Rock Elementary faculty, staff, students, parents, and community are invited to provide input and feedback on the mission statement, school beliefs, and desired result of student learning. ## ACADEMIC INFORMATION AND INSTRUCTION

### **ASSEMBLY PROGRAMS**

During the year we will have a variety of assembly programs with both students and professionals participating. We usually contract for these assemblies and try to provide them with the help of the PTA. Assemblies are presented to reinforce the instructional program and motivate students.

### **FIELD TRIPS**

Field trips are designed to be useful extensions of the academic program and correlate with the Virginia Standards of Learning. Written permission from parents must be given before a student may go on a field trip. Students are not allowed to call home to get permission to go on a field trip. **SBP IICA & SBP IICA-BR.**

### **HOMEWORK**

Homework is the extension of activities begun in school by the student under the guidance of the teachers and continued at home. Being aware of the importance of reading skills for school success, we encourage daily reading for every elementary student. Working together, home and school can guide the student as knowledge is discovered and independence is achieved. **Homework requests** (for students who are absent due to illness) **should be made by 8:30 A.M.** Please allow the teacher 48 hours to collect this before coming to pick it up. This allows teachers the opportunity to collect the assignments without the loss of instructional time. **Parents may pick up their child's homework between 2:00 p.m. and 3:30 p.m. in the school office.**

### **INSTRUCTIONAL TIME**

Eagle Rock Elementary School has a 6 hour instructional day with an additional half hour for lunch. The principal, faculty and staff make every effort to eliminate interruptions and protect allocated instructional time. Please make sure students are on time (7:50 am) as repeated tardiness adversely impacts achievement. Be reminded that if students need breakfast they should arrive no later than 7:45am. **The morning bell rings at 7:50 reminding students to start their day. Any student arriving in class after that time will be considered tardy unless there is a bus delay.**

### **INSTRUCTIONAL PROGRAM**

The Botetourt County School Board shall develop and implement a program of instruction for grades kindergarten through 12 that is aligned to the Standards of Learning established by the Board of Education and that meets or exceeds the requirements of the Board of Education. The program of instruction shall emphasize reading, writing, speaking, mathematical concepts and computations, proficiency in the use of computers and related technology, and scientific concepts and processes; essential skills and concepts of citizenship, including knowledge of Virginia history and world and United States history, economics, government, foreign languages, international cultures, health and physical education, environmental issues and geography necessary for responsible participation in American society and in the international community; fine arts, which may include, but need not be limited to, music and art, and practical arts; knowledge and skills needed to qualify for further education, gainful employment, or training in a career or technical field; and development of the ability to apply such skills and knowledge in preparation for eventual employment and lifelong learning and to achieve economic self-sufficiency. **SBP- IKF**

### **MOMENT OF SILENCE / PLEDGE OF ALLEGIANCE**

The Botetourt County School Board recognizes that a moment of silence prepares students & staff for their respective day. Therefore, a moment of silence is observed each morning. The Pledge of Allegiance is recited each morning. No student is compelled to recite the pledge if the student or parent objects on religious, philosophical, or other grounds. Students who do not recite the pledge must remain quietly standing or sitting at their desks while others recite the Pledge of Allegiance. **SBP-IEA**

### **PUPIL EVALUATION AND REPORT TO PARENTS**

We believe that each child develops at a rate that is appropriate for him or her. Students have the opportunity to progress in direct relationship to their abilities and interests. Therefore, each student is evaluated on the basis of the capacity and potential of that individual. We believe that it is the basic responsibility of the school to see that students strive to do their best. However, we find that parent encouragement from the home provides an even stronger opportunity for success. This challenge provides students the opportunity to progress beyond traditional boundaries. Pupils are evaluated by informal and formal means. Teacher tests, observations, and standardized tests are used to measure pupil progress. You may see your grades at any time by logging on to the parent portal.

### **SCHOOL PARTIES**

Birth day parties at school are not allowed. If you wish, you may provide a snack at break in pre-school or at lunch in all grades. You may also want to consider participating in our "Books for Birthday" program. You can donate \$5.00 and your child will have a paperback book placed in his/her honor in the library. The students have a Winter Holiday Party and a Valentine Party. Distributing invitations for individual parties during school hours **is prohibited**.

### **STANDARDS OF LEARNING (SOL)**

All schools are required to provide a program of instruction that corresponds to the Virginia Standards of Learning for English, Mathematics, Science, and History/Social Science. Virginia SOLs and academic objectives by grade level will be sent home annually this can also be found on the Botetourt County Website or Virginia Department of Education website. SOL tests will be administered in the Spring of each year. SOL results will be used as one criterion for making decisions regarding promotion/retention See: <http://www.doe.virginia.gov/testing/>

### **RETENTIONS & PROMOTIONS:**

Promotions in grades K-5 are made annually based on the student's overall progress in achieving the standards established for each grade level. The teachers referring students for retention must meet the criteria set forth in policy and prepare the school's consideration form to the retention committee for consideration. Retention has serious implications and must be a last resort. **SBP IKF-SR2**

### **STUDENT FEES**

Students are not charged a materials fee. Each grade will be given a supply list at the end of the year. If you need assistance purchasing these items please let the school counselor or principal know and we will be happy to provide the necessary supplies.

### **TEACHER QUALIFICATIONS**

Parents may request information regarding the professional qualifications of the student's classroom teacher.

### **ACCEPTABLE USE -Computer System Agreement**

Students/Parents are required to complete an acceptable use form annually regarding the use of the Division's computer system. Students will be actively supervised using school division computers. During the first student's or class's use of the school network or Internet, the teacher or supervising staff person will outline and discuss in the Division Handbook.

## PARENT INVOLVEMENT

**We believe the parents are the most important teachers that a child has. In order to help your child be successful, parental support is needed. Through the cooperation of parents, teachers, and staff, the quality of education at Eagle Rock Elementary School will be better than ever. Parents are encouraged to join the PTA, volunteer in school, and become a part of the Parent Advisory committee.**

### **CALLS TO TEACHERS**

Teachers are glad to return a parent's call or an email at a time when they are not responsible for instructing and supervising students. Responses to communication could therefore take up to 24 hours. Work that should be sent home, could take 48 hours. Please respect the private lives of our teachers and refrain from late night communication. If you would like to talk with your child's teacher, please call the school and leave a message for the teacher to call you.

### **CONFERENCES WITH TEACHERS**

Two days of the school year are set aside as Parent-Teacher Conference days. A special effort will be made to schedule conferences for all parents who want to talk to a teacher on these days. Parents are also encouraged to request conferences with teachers any time during the school year when questions or concerns arise. Dates and times are on the school calendar and reminders will be sent home.

### **DAILY FOLDER**

Each day, students will bring home a folder containing homework, completed work and reminders of upcoming events. It is important that you look at the information in the folder daily and discuss the information with your child.

### **EDUCATIONAL RECORDS**

Individual educational records are maintained for each student, Grades PreK-5. The content of the Education/Scholastic Record is limited to data needed by the school to assist the student in his/her personal, social, educational, and vocational development and as his/her post high school placement. Parents may review these records by contacting the principal.

### **FUNDRAISING**

School sponsored fundraising activities, which involve elementary students in door-to-door solicitation, shall be prohibited. Some fundraising efforts are on behalf of the PTA and not the school, but they must adhere to the same prohibition of door-to-door sales.

### **PARENT - TEACHER ASSOCIATION**

Each parent is encouraged to be involved in the activities of both the school and the Eagle Rock PTA to maximize learning for children at Eagle Rock. We will add and provide more information which will be available on the website, under the PTA tab and on the school calendar. All meetings will begin at 7 pm and generally are held every second Tuesday of the month with a few exceptions. The PTA also has its own separate Facebook page for folks.

### **SCHOOL WEBSITE**

The school maintains a website to help parents and the community stay informed with what is happening at the school. The website includes the school calendar, homework, upcoming events at the school, and teacher links to instructional websites. The website may be accessed at [www.bcps.k12.va.us/eagle-rock/](http://www.bcps.k12.va.us/eagle-rock/)

### **VISITORS**

Upon entering the building, all visitors (anyone other than students or staff) are required to immediately stop at the table at the front door for further instructions! If allowed further access, a visitor's badge will be issued and must be worn while the visitor is in the school. Badges should be returned to the main office when the visitor leaves the building. Students from other schools are not allowed to visit in the classrooms or spend the day at school with Eagle Rock Elementary students.

### **VISITATION**

Normally, we are very happy for parents to visit the school so that they are familiar with our school program and to understand the methods by which their children are being taught. However, in order to avoid unnecessary distractions to class work, we request that a parent who wishes to speak to a teacher or visit a class contact the office so that the most convenient arrangement can be made. There will be plenty of opportunities in the evenings when parents will be able to attend school functions or events. **Parents are not to go directly to a teacher's classroom. In order not to disrupt instruction, all cell phones should be turned off or no ringtone when visiting in the school.**

## ATTENDANCE

### ABSENCES

**Parents are requested to contact the school by phone by 8:30 A.M. if their child will not be in attendance that day.** School Board policy complies with Virginia State Code requiring the school to notify you when your child is absent. Your call saves time for the school staff and keeps you from being inconvenienced at work. The following reasons shall be unacceptable for absences from class: a.) car trouble, b.) missing the bus, c.) personal business, d.) oversleeping, e.) needed at home, f.) working on a job, g.) other reasons deemed unacceptable by the principal. When your child is absent, please send a written excuse with the date of the absence(s) and reason. **Students with five unverified absences will be referred to Botetourt County School's attendance officer.** An unverified absence is one in which there has been no parental contact, either by phone or written excuse. Continued absences will also be reported to the attendance officer. An accumulation of 10 or more absences will REQUIRE a doctor's note or Court documentation to be excused. When a student accumulates more than 16 absences, they will be considered for possible retention. Every effort should be made to avoid absence from school. Although students can make up their missed work, there is no substitute for actually being in the class. Missing this valuable instruction time can lead to serious academic problems. **SBP JED, SBP JED-SR1**

### CHECKING OUT OF SCHOOL (PRIOR TO DISMISSAL AND AT DISMISSAL)

Any parent who wants to pick up a child during the school day and at dismissal (no matter what the purpose), must come to the school office to do so. If you wish to pick your child up in the car rider line then you will not be required to sign out. Students leaving school during the school day, including dismissal, must be signed out. Identification from any adult who comes to pick up a child and who is not recognized is required. We reserve the right not to release the child to anyone other than the custodial parent; in case of doubt, we will phone the custodial parent to confirm that someone else has been authorized to pick up a student. You will be given a form to complete listing individuals who have permission to pick a student up. Please be sure to complete those and turn them into the office.

### EARLY ARRIVALS

The school assumes no responsibility for supervision of children who **arrive at the building before 7:30 A.M.** The school is not equipped to supervise students prior to this time. Students must remain in the cafeteria until time for release to the classrooms.

### TARDINESS

A student arriving late to school (after 7:50 A.M.) will be required to obtain a tardy slip before going to the classroom. **A parent should come into school with the student and sign in the student.** If a student's bus is late, he/she will not be counted tardy. However, being late to school for any other reason will be shown as tardy on his/her attendance report. **Parents should make every effort to get students to school on time as instruction begins at 7:50 AM.** It is very important that children form at an early age the habit of always being on time. Help your child learn this valuable lesson by seeing that he/she arrives at school promptly. Students are encouraged to enter the classroom by themselves. This builds confidence in the child and prevents classroom distractions. Students who do not arrive at school on time miss important instructional time that affects academic progress.

**ELEMENTARY ATTENDANCE GUIDELINES FOR RECOGNITION AND PARTICIPATION IN SCHOOL EVENTS**

(this is subject to change )

**Acknowledging that attendance impacts a student's academic progress, students in elementary school will be recognized for the following:**

- (1) **Perfect Attendance:** The student is present for some portion of 180 days
- (2) **SOL Scores:** The top three highest scorers are recognized with each subject areas test.

A perfect score on a SOL test will also be acknowledged.

**If a student reports to school but is not present in the classroom, he/she will be counted absent. A student may not participate in an event before or after school if he/she is absent due to illness, is present at school for less than one hour, or leaves school early due to illness. A student may not participate in an event before or after school if he/she has in-school suspension or after-school detention. SBP JED-SK2**

## STUDENT CONDUCT

**This school will continually strive to guide the physical, mental, social, and emotional development of its students. The cooperation of the home is essential if we are to accomplish our goal. A child must have consistent patterns of desirable behavior and opportunities to practice them if he is to be prepared for a productive and rewarding life.** Each student has the right to expect an educational environment in which he or she can strive to achieve his or her intellectual potential. The student is expected to attend school regularly, be diligent in his/her studies and conduct him/herself in such a way that the rights and privileges of others are not violated. The student is expected to accept and demonstrate the obligation of good citizenship to help prevent problems from happening and help solve problems if they occur. All parents are expected to assume responsibility for the student's behavior and assist the school in enforcing student conduct and compulsory school attendance. Parents are also expected to maintain regular communication with school authorities, monitor and require daily attendance, and bring to the attention of the school authorities any problem that affects the student or other children in the school. It is the parent's responsibility to notify the school of any unusual behavior pattern or medical problem that might lead to serious difficulties.

**SBP JFC-R**

### **BULLYING PREVENTION PROGRAM**

BCPS has a bullying prevention program with the purpose of ensuring that each of our students remains as safe as possible in our school and can feel comfortable wherever they are throughout the school day. **Bullying means any aggressive and unwanted behavior that is intended to harm, intimidate or humiliate the victim; involves a real or perceived power imbalance between the aggressor or aggressors and victim; and it is repeated over time or causes severe emotional trauma. It can include cyber bullying. Bullying does not include ordinary teasing, horseplay, argument or peer conflict.** Students are made aware of behaviors that are considered to be bullying behaviors and what to do if these are observed. There are consequences in place for reported bullying behaviors. BCPS has developed a comprehensive protocol and educational components to address bullying in our schools

### **CLOTHING**

We encourage students to dress neatly and wear clothes that are appropriate for school. Clothing that draws comments from other students often causes unhappiness for the wearer. If the student's attire is thought to be disruptive, a private conference will be held with the student. **The following clothing is not permitted:**

- Hats/hoods, scarves/bandannas (without special permission)
- Tops exposing midriff or underclothing
- Pants or skirts etc worn low on hips so that bare skin or undergarments are exposed
- Spaghetti strap tank tops or tank tops with straps less than 1 inch wide
- Clothing displaying alcohol/tobacco logos, weapons or profanity or interpreted as vulgar, derogatory or violent
- Shorts or skirts should not be shorter than mid thigh
- Sunglasses or other permanently tinted glasses
- Bedroom slippers or pajama/lounging pants
- Holes in pants above the mid thigh

Please mark your child's clothing with name and grade. Please instruct your child to check the "lost and found" items in the cafeteria for any missing article. Parents are invited to do the same if they would like to try to find an item.

**SBP JFC-SR2 & Division Handbook**

## **CRIME LINE**

Students who have information regarding hazards, threats, or crimes may anonymously call Crime Line at 540-344-8500. Calls could bring cash rewards of up to \$100, which would be paid off school property to ensure confidentiality.

## **DISCIPLINE**

Teachers have the authority and responsibility to maintain discipline in the classroom. School/Division discipline policies are consistently enforced. When a student is having a problem the teacher may conference with the student, conference with the parent, use classroom disciplinary procedures, refer the situation directly to the building principal, or students may refer themselves for mediation.

**Focusing on RESPECT- Respect yourselves, others and the school which encompasses many of the expectations above.**

Failure to go by student expectations may result in loss of privileges, notice to parents, and referral to the principal and suspensions. The Botetourt County Public Schools Parent/Student Handbook can be found on the Division webpage. **SBP JFC, SBP JFCR & Division Handbook**

## **MONEY AND ITEMS BROUGHT TO SCHOOL**

Cell phones, electronic toys/games, ipods or electronic players must be turned off and kept in a backpack at all times. If students are caught using any of these items during the school day, including the bus ride, may be confiscated. Parents may elect, by notifying their child's school in writing, to have their child not participate in personal/social counseling. The counselor meets with children in classroom guidance, individually, and in small groups. In order to provide an effective program, the guidance counselor works cooperatively with the teachers, parents and students. If you have any questions concerning the guidance/counseling program, please contact the school. **(SBP IJ)**

## **YMCA AFTER SCHOOL CHILD CARE**

The Daleville YMCA will offer afterschool care at Eagle Rock for the 24-25 school year. All questions and concerns regarding this program should be directed to the Program Coordinator, Kambria Petro at [kpetro@ymcavbr.org](mailto:kpetro@ymcavbr.org) or call at 540-966-9622.

## CAFETERIA

Eagle Rock School serves nutritious meals every day. **Students eating breakfast should arrive at school no later than 7:45 a.m.** If your child is **tardy**, he or she will not be allowed to eat breakfast. Students should report directly to breakfast when they get off the buses each day.

***IF we have 1 hour delay, we will offer a small, simple breakfast on those days if your child needs to purchase one. The breakfast might consist of something like cereal, a breakfast bar or pop tart and milk/juice. Our lunches begin at 10:35 so in order to have lunch ready we need to keep it simple but also help our students start their day ready to learn. We will not be able to offer breakfast on 2 hour delay days!***

At this time, we do not permit parents or visitors with preschool students. To support your child's growth and independence, we ask that parents refrain from eating with their Pre-K students at school. Lunchtime is a key part of their routine where they develop social skills and relationships with peers, and having parents present can disrupt this process.

## CAFETERIA ACCOUNTS

### **STUDENT DROP OFF AND PICK UP**

Parents are requested to take extra care when driving on school property. Every effort is made to promote safety and prompt movement of traffic. Please be aware that it is unlawful to drive through bus lanes. There is no smoking allowed on school property, even in your own vehicle when in line to drop off/ pick up students.

**Students arriving at school by car should exit the automobile in the drop off area at the right of the building. Students should not be dropped off in the front parking lot and cross the bus lanes.** An adult should accompany students from this parking lot to the sidewalk.

Parents are asked not to wait in the building prior to dismissal as this impedes the safe and efficient dismissal of our students. Parents who do not utilize the car rider line must check into the office and sign their child out. Removing your child from the bus line without explicit permission from the office poses a security threat and is not allowed. We encourage you to utilize the car rider line and if you are unable to do so then you must sign your child out in the office and wait until they can be called to the office.

First dose must be administered at age 12 months (365 days) or older. Second dose of measles vaccine does not have to be administered until age four-six years (at entry to kindergarten) but can be administered at any time after the minimum interval between dose one and dose two. The minimum interval is one month (28 days). Since March 2008, a second dose is recommended, but not required, for school entry.

*Varicella* – All susceptible children born on and after January 1, 1997, shall be required to have a dose of chickenpox vaccine not earlier than the age of 12 months (365 days). Since March 2008, a second dose of Varicella (chickenpox) vaccine is recommended, but not required, before school entry.
