Schools*

Sachem Central School District

Sachem High School North

Dear Parents and/or Guardians of incoming 9th grade students:

You are cordially invited to attend our Curriculum Night at Sachem High School North on Thursday, January 9, 2025, from 7:00 – 8:30 PM.

We feel it is very important that we help assist you and your child with the numerous academic decisions that will need to be made in the near future. From experience, we know that academic decisions made by parents and students during their high school years have clear implications as students prepare for further educational & occupational goals after high school.

On Thursday, January 9th, incoming ninth grade students and their parents will be participating in a series of curriculum presentations in our Auditorium. Sachem High School North's chair-people and faculty will be discussing graduation requirements as well as course offerings. Parents and students will then be able to speak with teachers regarding elective courses in designated classrooms throughout the building. It is our hope to provide you with a better understanding of the various elective courses available for your child.

In preparation for this evening, please view department videos on our website prior to the presentation. Videos can be found on the Sachem North webpage under Departments- Course Offering Videos.

We look forward to seeing you and your child on Thursday, January 9th at 7 PM in the Auditorium at Sachem High School North. Please bring your Chromebook with you to the presentation so that you can input the elective courses that you are interested in.

Sincerely,

James Nolan

Principal
