HOWARD – WINNESHIEK COMMUNITY SCHOOLS

Our **vision** is to discover, develop and expand passions, creativity and strengths.

Our **mission** is to prepare and empower our students to think creatively, serve, contribute and succeed locally and globally.

Dear Parents/Guardians:

Your schools exist because of and for your children. You, as a parent, have a major interest in the kinds of experiences the school provides. In order to help your child grow academically, socially, and emotionally into a productive adult, it will take cooperation between you and the school.

It is important to your child's success that you are involved with what is happening at school. We strongly urge you to attend parent-teacher conferences, special school programs, visit school, and converse with your child about the daily routine at school.

This handbook has been prepared to help explain and clarify the procedures and policies in the middle school. We hope that it will be helpful to students, parents, and staff, and that it will allow us to work closely as we guide our students through their 6th, 7th, & 8th grade years. If you have questions, you may call the school building offices at any time.

Dear Student:

On behalf of all staff, welcome to middle school. We are here to provide assistance to you, so please feel free to ask questions or request help at any time. Every school must have policies, rules, and expectations in order for all students to function in an organized manner. Please read this handbook with your parents and become familiar with the written policies and procedures for your school. The key to achievement and success in school will be your desire to learn. Best wishes to each of you for an exciting and rewarding school year.

Sincerely,

Mr. Tyler Wedemeier, Middle School Principal

ATTENDANCE - GUIDELINES AND PROCEDURES (HWCSO Board Policy No. 501.3)

“A school district's primary obligation is the education of its students.”

“School districts may define by policy what are excused and unexcused absences. The determination of whether an absence is excused is made by the school, not by the parent.”

(In re Donald and Katherine Blaess, 4 D.P.I. App. Dec. 118 (1985).

Truancy is defined as a student who is not in their designated classroom without permission and/or not attending school for the minimum days established in the school calendar by the school board. Truancy is the act of being absent without a reasonable excuse. Truancy will not be tolerated by the school board. (School Board Code No. 501.10)

The Howard Winneshiek Community School District believes in positive school attendance, knowing that attending school has a huge impact on a student's academic success starting in kindergarten and continuing through high school. Parents/Caregivers/Guardians play a key role in making sure students get to school safely every day and understand why attendance is so important for success in school and on the job. Research proves that if a student is not in school (excused or unexcused) these absences have a major impact on their educational progress.

- *Starting in kindergarten and through 3rd grade, if a student is absent from school (excused or unexcused) more than 9 days per semester, it greatly affects their ability to learn to read.*
- *By 6th grade, absenteeism is 1 of 3 signs that a student may drop out of high school.*
- *By 9th grade, regular attendance is a better predictor of graduation rates than District Tests.*
- *Students can be chronically absent even if they only miss a day or two every few weeks.*
- *Attendance is an important life skill that will help your child graduate from high school, go on to college and also to keep a job.*

The Howard-Winneshiek Community School District's attendance policy will be reviewed at least every five years as required by 281-IAC 12.3(2). The attendance policy does not impose a disparate impact on students by virtue of race, color, national origin, gender, disability, religion, creed, sexual orientation, sexual identity, or socioeconomic status.

Compulsory Attendance Law; Excerpt 299.1, 299.2

It is the Parents/Caregivers/Guardians responsibility to get their child(ren) safely to school each day. Parents within the school district who have children over age 5 and under age 16 by September 15th, in proper physical and mental condition to attend school, will have the children attend the school district at the attendance center designated by the board. Students will attend school the number of days school is in session in accordance

with the school calendar. Students of compulsory attendance age will attend school a minimum of 1080 hours. This number was set previously by the school board. Students not attending the minimum days must be exempted by this policy as listed below or referred to the county attorney. Exceptions to this policy include children who:

- *Are attending religious services or receiving religious instruction*
- *Are attending an accredited nonpublic school*
- *Are receiving Competent Private Instruction*

It is the responsibility of the parent of a child to provide evidence of the child's mental and physical inability to attend school or of the child's qualifications for one of the exceptions listed above. The administration will investigate the cause for a student's truancy. If the administration is unable to secure the truant student's attendance, the administration should discuss the next step with the school board. If after school board action, the student is still truant, the administration will refer the matter over to the Howard County Attorney.

Parents/Caregivers/Guardians Responsibility:

Parents/Caregivers/Guardians are encouraged to call prior to 8:00 a.m. to report absences. It is the responsibility of the parent to notify the student's attendance center as soon as the parent knows the student will not be attending school on that day. Parents are encouraged to call the school each day if their child is going to be absent or tardy. If parents do not call, the school will attempt to contact the parents. We do have an answering machine on at all hours to take your messages. The HWCSD administration may request evidence or written verification of the student's reason for absence.

Student Absences - Excused School Board: Code No. 501.9

Regular attendance by students is essential to obtain the maximum opportunities from the education program. Parents and students alike are encouraged to ensure an absence from school is a necessary absence. Students will attend school unless excused by the administration of their attendance. Student absences approved by the administration are excused absences. Excused absences will count as days in attendance for purposes of the truancy law. The school reserves the right to determine whether an absence is excused or unexcused. Therefore, all absences, including excessive excused absences may be reviewed for legitimacy.

Administrators serve as Truancy Officers. The building administration, guidance counselors, Success Team members, school nurse, family case manager and/or other community human resource personnel may receive referrals of students who have an unusually high rate of absenteeism, including excessive morning absences/tardies. Students with questionable attendance records may also be referred to civil authorities. The Howard County Attorney may be notified for extensive unexcused absences. If a student is absent over half of the morning or half of the afternoon he/she is counted absent for that half day. These times for ½ day absent are as follows:

- Morning K-8; 1/2 day absent if arriving after/leaving before at 10:00 a.m.
- Afternoon K-8; 1/2 day absent if leaving before/arriving after 2:00 p.m.

Excused Absences:

- **Student Illness** - *after 3 days, a doctor's note must accompany the child upon return to the school district. If obtaining a doctor's note is a financial hardship, the family may bring their child to school and the school nurse will do a well-child check and the nurse will give their recommendation.*
- **Doctor Visits** - (Dentist, Orthodontist, Chiropractor, etc.) *Documentation of all doctor visits must accompany the student upon return to the school district for it to be considered as an excused absence.*
- **Legal Obligations** - *To be counted as an excused absence, a building administrator must be notified to verify the absence as excused.*
- **Family Emergencies** - *To be counted as an excused absence, a building administrator must be notified to verify the absence as excused.*
- **Recognized Religious Observances**
- **Bereavement/Funerals**

- **Family activities/vacation-** A parent communication with the administration prior to the activity/vacation is required for an excused absence.
- **School-Sponsored Activities** - Unexcused absences, skipping classes and tardies - may be taken into consideration for excusal
- **Post Secondary Learning Events/Activities** - Unexcused absences, skipping classes and tardies - may be taken into consideration for excusal.
- **Athletes/Student Activities:** A student who is absent during any portion of the day shall be ineligible to participate in any practices, games, contests, unless accompanied with a doctor's note or additional documentation upon return to school. The final determination for participation will rest with the building administration.

Truancy - Unexcused Absences (HWCSO Board Policy No. 501.10)

Regular attendance by the students at school is essential for students to obtain the maximum opportunities from the education program. Parents and students alike are encouraged to ensure an absence from school is a necessary absence. Students will attend school unless excused by the administration of their attendance center.

Students are subject to disciplinary action for truancy including suspension and expulsion. Suspensions from school (either in-school or out-of-school suspension) will be treated as school-initiated student absences and will not count toward the days absent. It is within the discretion of the administration to determine, in light of the circumstances, whether a student may make up work missed and receive credit because of truancy. It is the responsibility of the superintendent, in conjunction with administration, to develop administrative regulations regarding this policy. The administrative regulations will indicate the disciplinary action to be taken for truancy.

The school reserves the right to determine whether an absence is excused or unexcused. Therefore, all absences, including excessive excused absences may be reviewed for legitimacy.

- Chronic truancy will result in the collaboration of the Howard County Community School District, the Department of Human Services and/or the Howard County Attorney.
- Unexplained absences (those with no parent contact) will be unexcused.

Absences for reasons other than those listed previously will be unexcused. As defined by Iowa Code (In re Blaess, 4 D.P.I. App. Dec. 118), the final determination of an absence being excused or unexcused rests solely with the school.

Unexcused Absences include, but are not limited to:

- Truancy
- Skipping Class - skipped classes (including study halls and homebase) will result in the creation of an attendance contract and may include after school detentions and up to .5 ISS
- Haircuts
- Hunting
- Manicures
- Need to Rest/Sleeping In
- Tanning
- Concerts
- Pictures
- Personal Business without explanation/documentation
- Leaving school to eat lunch
- Preparation or participation in parties or other celebrations
- Absences (those with no parent contact) by the end of that same school day, will be counted as unexcused
- Parents reporting, "My son/daughter will not be in school today," or other ambiguous reasons

Additional work may be assigned to compensate for class time lost due to absences. However, the failure to

complete makeup work assignments within a reasonable time (typically two days for each day missed) may result in no credit for the assignment(s). Students must be aware the tests and assignments given upon return may not be the same as the rest of the class has already been given.

Absence Policy: Grades 5-8 Individual Class Periods are Monitored for Attendance:

- **At 5 Unexcused Class Period Absences**, a letter will be sent home addressed to the Parent/Caregiver/Guardian of the student, accompanied by a telephone call verifying attendance concerns.
 - Additional Positive Behavior Intervention Supports may be put in place to support attendance concerns
 - Student will be placed on the Success Team's Roster. Depending on student/family need, a variety of interventions will be considered at this time such as Home Visits, Check In/Check-Out, Mentoring Program or Attendance Contract
 - Truancy Law and next steps will be reviewed
- **At 8 Unexcused Class Period Absences**, a second Parent/Caregiver/Guardian letter is sent out with a meeting notice attached.
 - At this time, a Parent/Caregiver/Guardian meeting will be scheduled with Building Administration, along with staff members pertinent to the student's academic success
 - Attendance Behavior Intervention Plan will be written at this time. Additional Positive Behavior Intervention Supports will be put in place for Family/Student Success
 - Truancy Law and next steps will be reviewed
- **At 10 Unexcused Class Period Absences**, a third Parent/Caregiver/Guardian letter is sent out with a meeting notice attached.
 - At this time, a second Parent/Caregiver/Guardian meeting will be scheduled with the Building Administration and if deemed necessary, additional authorities may be invited, including but not limited to: DHS, County Attorney, or Juvenile Probation Officers. A formal contract will be written, outlining all consequences regarding truancy along with any additional support necessary for student attendance/academic success.
 - Students with excessive absences may be subject to the following consequences:
 - *Loss of assignment credit for days absent*
 - *The possibility that the loss of assignment credit may result in failure of the class*
 - *After-School tutoring sessions may be assigned to complete missing assignments*
 - *Summer School may be assigned to recover academic time lost*
 - *Student may lose School Driver's Permit privileges*
 - *Student may lose opportunity to apply for School Driver Permit*

Parent/Caregiver/Guardian referred to County Attorney's Office regarding Truancy Laws:

Iowa Attendance Law: (Iowa Code 299.5A)

"School Officers SHALL first attempt to find the cause for the child's absence and use every means available to the school to assure the child does attend. If the parent/guardian/custodian, or child refuses to accept the school's attempt to assure attendance, the truancy officer SHALL refer the matter to the county attorney for mediation or prosecution."

Iowa Attendance Law - Consequences for Truancy: (Iowa Code 299.6)

*"If a parent/guardian/custodian, is referred for prosecution and is found guilty for violating a provision of the code, the agreement, or for refusing to participate in mediation the consequences are: **1st Offense:** simple misdemeanor is punishable by:*

- a. Imprisonment not exceeding TEN DAYS
- b. A Fine, not exceeding \$100
- c. Community Service - 40 hours

Tardy Policy

It is the Parents/Caregivers/Guardians responsibility to get their child(ren) safely to school each day. Tardies

will be documented by each semester of a school year. A student is tardy when he/she is not in the classroom at the beginning of the class period after the second bell. If they have a legitimate pass from another staff member they are not considered tardy. If a student arrives more than fifteen (15) minutes after class, they will be marked absent. Tardy students must attend the remainder of the period to which they are tardy. The first unexcused tardiness to a class/study hall will be documented without a detention being issued. The teacher will continue to document tardies in the Student Information System and will assign the detention. If a student has 5 or more tardies in one class period, it will be documented as a Major Office Referral in the Student Information System. Detentions will continue to be served either before school or after school. If the student takes a school bus to get home, this will be taken into consideration when the detentions are served. Failure to serve detention may result in further disciplinary action.

ACADEMIC ELIGIBILITY POLICY (7th & 8th Grade Activities):

If at any Crestwood Middle School grading checkpoint, a student is not making progress in any class for which credit is awarded, the student will be placed on a "watch list" and have two weeks to improve their grade. The student will remain eligible for those two weeks. If at the end of the two week grace period, the student still has a proficiency rating of 1, he/she will become ineligible to dress for and compete in any interscholastic athletic, speech, or music contest or competition until he/she has a proficiency rating of 2 or higher.

The period of ineligibility will begin with the first school day following the two week grace period. If at the end of the two week grace period the student's grade is at or above a proficient rating of 2 for that class then the student will be removed from the "watch list".

The following dates will be used to determine academic eligibility for students in 7th-8th grade for the 24-25 school year:

1st Semester

Grade Check Extra - Academic Ineligibility

Tuesday, September 17th - Tuesday, October, 1st

Tuesday, October 22nd - Tuesday, November 5th

Tuesday, November 19th - Tuesday, December 3rd

Final Grade Check – Semester 1 Tuesday, December 19th

2nd Semester

Grade Check Extra - Academic Ineligibility

Tuesday, January 21st - Tuesday, February 4th

Tuesday, February 25th - Tuesday, March 11th

Tuesday, April 1st - Tuesday, April 15th

Tuesday, May 6th - Tuesday May 20th

Final Grade Check – Semester 2 Wednesday, May 23rd (*pending make-up days*)

The after school program is available for all 7th and 8th grade students to receive assistance with work completion, etc. Students on the "watch list" are encouraged to attend. Students who are ineligible must attend at least once per week unless other arrangements have been made between the teacher, student, and parent/guardian.

ACTIVITY PROGRAMS FOR MIDDLE SCHOOL (7th/8th) (HWCSO Board Policy No. 504.2; 504.8)

The extra-curricular activities (football, basketball, track, cross-country, wrestling, volleyball, baseball, softball and cheerleading) are those that are non-graded and are voluntary. The coach or supervisor of each activity will publish schedules, duties, procedures, standards, etc. Eligibility to participate in these activities is based upon behavior, academic performance, compliance with school rules and compliance with the district's Good Conduct Policy.

Co-curricular activities are graded and require some participation outside the school day (band, chorus). These activities include participation in regular meetings during the school day plus REQUIRED attendance at concerts, contests and summer band lessons. Special activities are non-graded, voluntary, and occur both within and outside of the school day (student leadership group).

Participation in the school activity program is a privilege, which carries certain responsibilities and obligations. Students who fail to fulfill these responsibilities or obligations may be dismissed from the activity. All students who participate in the activity program are under the guidelines established by the Board of Education in the school's Good Conduct Policy.

ALL 7/8 PRACTICES WILL BEGIN AT 3:25 AND END BY 5:30 P.M. THERE WILL NOT BE ANY PRACTICES ON DAYS WITH EARLY DISMISSALS OR WHEN SCHOOL IS NOT IN SESSION.

ACTIVITY TICKETS

All students have the opportunity to purchase activity tickets for high school athletic events. The tickets may be purchased before the start of the school year when fees are paid or at any time during the year from the building secretary.

AREA EDUCATION AGENCY (A.E.A.) *(HWCSD Board Policy No. 302.4)*

Keystone Area Education Agency 1, with its main office in Elkader, provides services, which include evaluation of special education, hearing screenings, or individual assistance to help the school make the most appropriate educational experience possible for your child. For more information regarding AEA services, please contact your building administrator or review on-line at <http://www.aea1.k12.ia.us>.

ASSAULT

Students who fail to abide by the student conduct policy and the administrative regulations supporting it may be disciplined. Disciplinary measures may include, but not limited to, removal from the classroom, detention, suspension, probation and / or expulsion. A student who commits an assault as defined in Iowa Code under section 708.1 against a school employee in a school building, on school grounds, or at a school sponsored function shall be suspended for a time to be determined by the principal. Notice of the suspension shall be sent to the board president. The board shall review the suspension to determine whether to impose further sanctions against the student, which may include expulsion. Assault for purposes of this section of this policy is defined as:

1. An act which is intended to cause pain or injury to, or which is intended to result in physical contact which will be insulting or offensive to another, coupled with the apparent ability to execute the act; or
2. An act which is intended to place another in fear of immediate physical contact which is painful, injurious, insulting or offensive, coupled with the apparent ability to execute the act; or intentionally point any firearm toward another or display in a threatening manner any dangerous weapon toward another.

BUS INFORMATION

Alternate Discharge Point

If you would like your child discharged at a point other than your driveway, obtain an Alternate School Bus Discharge Point form from your bus driver, school office, or at registration time. Complete and sign the form and return it to your bus driver or the Transportation Supervisor.

Parent's Responsibilities

While every precaution is taken to see that the children arrive at their destination safely, the cooperation of the parents is needed in this endeavor. Driving a bus is a difficult and responsible task and anything that happens on the bus to divert the driver's attention from his/her driving responsibilities endangers the safety of the passengers. It is, therefore, absolutely necessary that the children riding the bus conduct themselves in the best possible manner. It is the parents' responsibility to make sure that their children understand the "Rules and Regulations Governing Students Riding Howard-Winneshiek School Buses."

Rules & Regulations Governing Students Riding Buses At Any Time:

1. The bus driver will assign seats.
2. Be courteous, respectful and responsible to the bus driver and other riders.

3. Students will talk in a normal tone of voice with no profanity allowed.
4. Do not eat or drink on the bus and keep your area clean.
5. Violence and roughhousing are prohibited.
6. Remain seated when the bus is in motion.
7. Keep your hands and head inside the bus with feet on the floor at all times with the aisles clear at all times.
8. No items such as large band instruments, class projects, or large carrying bags will be permitted.
9. Do not destroy property. Destruction of property will be handed over to the proper authorities as "vandalism".
10. For your own safety do not distract the bus driver through misbehavior.
11. Riders are not to throw items in the bus, at the bus or out of the bus. If items are thrown out of the bus, the student will be charged with littering and handed over to the proper authorities.
12. Touching safety equipment such as emergency exit windows, rear emergency door exits and other items are prohibited.
13. All riders will return required forms filled out and signed by the parent(s) or guardian(s).
14. Most rules applied in the classroom also apply on the school bus.

MISBEHAVING ON THE BUS: PENALTY AT DISCRETION OF PRINCIPAL OR TRANSPORTATION DIRECTOR DEPENDING ON CIRCUMSTANCES MAY INCLUDE REMOVAL FROM BUS FOR 1 TO 10 DAYS OR PERMANENT REMOVAL FROM THE BUS BY FORMAL HEARING. SERIOUS MISBEHAVIOR ON THE BUS MAY ALSO BE CAUSE FOR PUNISHMENT UP TO AND INCLUDING SUSPENSION OR EXPULSION FROM SCHOOL. RIDING THE BUS IS A PRIVILEGE, NOT A RIGHT.

The bus driver has the ability to discipline a student and may notify the administration of a student's inappropriate bus conduct. Video cameras are in use on school buses for the safety of all students riding the bus. The content of the video tapes may be used to discipline students.

Special Requests for Bus Transportation:

Parents are asked to call the transportation supervisor (563-547-2341) if they would like to have their child ride a bus to a friend's home. In addition, all students need to have a written note, signed by a parent, guardian, or school official, and present it to the bus driver.

BICYCLES

Bicycles may be ridden to school in the fall and spring. It is the parents' responsibility to make sure their children understand and obey the traffic safety rules. Bikes are to be walked on and off the school grounds and parked in or near the bike stands. Riding of bikes during play periods is not permitted.

BREAKFAST PROGRAM

A breakfast program is available for all interested students before the start of each day. Families whose income qualifies them for free or reduced lunches, also qualifies them for the breakfast program.

CARE OF SCHOOL PROPERTY

It is the responsibility of all students and staff members to see that the school facilities and instructional materials are cared for properly. Anyone who defaces or deliberately destroys school property will be required to pay for the damage and may be subject to further disciplinary action.

CELL PHONE / ELECTRONIC DEVICES

NO CELL - FIRST BELL TO LAST BELL

CELL PHONES, Music Players, Smart Watches and Other Electronic Devices Policy

IMPORTANT – Every student is issued a school-owned MacBook Air.

Cellphones are to be kept on silent and unseen for the duration of the school day. Teachers may request students to leave their cell phones in their lockers or in a specific location in the classroom upon entering. Cell phone use is prohibited in restrooms or locker rooms.

It is recognized that cell phones and other electronic devices have value as educational tools, yet at the same

time can be major distractions to the educational process or other personal goals. Therefore, it is imperative that students use them in an appropriate manner at school, and that staff members not only teach them appropriate use but also hold them accountable when disruptions occur. Instructors may approve use of handheld technology for educational purposes in the classroom.

The phone in the K-8 office is available to contact parents, if students need to do so. If a parent wishes to have their student use a cell phone to contact them during the school day, this needs to be done in the school office with permission from the principal, a teacher, or coach.

Violations of this policy will result in:

- **First offense** – Warning to the student will be given with a reminder of expected behavior.
- **Second offense** – Confiscation of the cell phone or other device. It will be given to the principal or his designee and secured in the office for the remainder of the school day. The student will be able to pick it up at the end of the school day.
- **Third Offense** – Confiscation of the cell phone or other device. It will be given to the principal or his designee and secured in the office for the remainder of the school day. **Parents will be notified and required to come to school to pick up the phone.** Students must then turn the device into the office for **the next five school days** prior to the start of first period where it will remain secured until the end of each school day.
- **Fourth Offense** – Confiscation of the cell phone or other device. It will be given to the principal or his designee and secured in the office for the remainder of the school day. At that point, the student and a parent must meet with the principal and applicable teachers to discuss the matter. The student will be required to drop the phone off in the office prior to the start of the school day and leave it there for the remainder of the day for **a minimum of 10 school days**, and the student will receive **additional consequences for insubordination**.
- **Further Offenses** – The device will be given to the principal or his designee and will be secured in the office. Parents will be required to meet with the principal to determine next steps. The phone may be held in the office the remainder of the school year as contraband. The student may also be suspended for insubordination.
- **Note:** *A student who turns in a “dummy” phone and continues to use a phone, or one belonging to someone else, will be considered insubordinate and receive consequences under the behavior code.*

Cell phones, cameras or any other device capable of taking, transmitting, and/or storing photographic or audio images or recordings are not allowed to be used without the expressed consent of the other party. In addition, they cannot be used at any time in locker rooms or restrooms except under emergency conditions to seek assistance.

Students found to be using any electronic communications device in any way to send or receive personal messages, data, or information that would contribute to or constitute cheating on tests, examinations, or any other assessments shall be subject to discipline under the behavior code. Using a cell phone in any way during the school day in a manner that distracts another student or causes any kind of disruption is also prohibited.

The use of cell phones and other electronic devices on field trips and extra-curricular activities will be at the discretion of the teacher, sponsor, or coach.

CHAPTER 103 – CORPORAL PUNISHMENT, RESTRAINT, AND PHYSICAL CONFINEMENT AND DETENTION *(HWCS D Board Policy No. 503)*

State law forbids school employees from using corporal punishment against any student. Certain actions by school employees are not considered corporal punishment. Additionally, school employees may use “reasonable and necessary force, not designed or intended to cause pain” to do certain things, such as prevent harm to persons or property.

State law also places limits on school employees’ abilities to restrain or confine and detain any student. The law limits why, how, where, and for how long a school employee may restrain or confine and detain a child. If a child is restrained or confined and detained, the school must maintain documentation and must provide certain types of notice to the child’s parent.

If you have any questions about this state law, please contact your school. The complete text of the law and additional information is available on the Iowa Department of Education’s website: www.iowa.gov/educate.

CHILD ABUSE LAW

All school personnel are **MANDATORY REPORTERS** of **ANY** and **ALL** cases of **SUSPECTED** child abuse. The following people have been selected to respond to any allegations of student abuse by employees. Location of any sex offenders can be found at www.iowasexoffenders.com. If you suspect abuse, do not hesitate to contact one of the following investigators:

Crestwood Middle School

COMMUNICATIONS TO PARENTS - MONTHLY CALENDAR AND SPECIAL BULLETINS

A monthly calendar of events, lunch menus and newsletters is posted on the web site at <http://www.howardwinn.k12.ia.us>. Announcements for the Middle School are sent daily on the students' electronic device. Students are expected to read the announcements and to be responsible for information given. The announcements are also posted on the district web site at <http://www.howard-winn.k12.ia.us>.

CONFERENCES

Parent-Teacher Conferences are held in the fall and winter. A schedule is planned so that you, your child, and their teacher may have a formal meeting about the progress your child is making. The home and the school look at the child from different perspectives. Teachers need to know what parents are thinking and feeling about their child's school life, just as much as parents need to know what teachers are thinking about their children. Conferences promote a richer understanding of what the school is trying to do for the child. It is of utmost importance that a parent-teacher partnership be established with the sole aim of helping your child get the best education possible.

COPYING

At no time are students to copy the schoolwork of other students, UNLESS given permission to do so by the classroom teacher. It is not acceptable student behavior to turn in a classmate's schoolwork as if it were his/her own. Consequences will be reflected in the Discipline Matrix.

DISCIPLINE OF STUDENTS - MAINTENANCE OF ORDERLY CONDUCT

The educational process is enhanced only when there is maintenance of orderly student conduct. Students shall be expected to follow all rules and regulations designed for orderly conduct. All employees shall enforce these rules and regulations.

Students will be expected to conduct themselves in keeping with their levels of maturity at all times. Respect for the authority vested in all school employees, regard for public property, and consideration of the rights and welfare of all students should govern student actions.

All employees of the district share the responsibility for seeing that behavior of students meets the standards of conduct conducive to a learning situation. **The district is within their right to discipline students for actions outside the school day or premises when said actions affect the learning environment within the school.**

Discipline Matrix:

The discipline matrix serves as a basis and guideline of consequences that may be given to students as a consequence of inappropriate behavior. All factors will be taken into consideration when determining consequences. A description of infractions can be found [HERE](#). This is not meant to be an exhaustive list as situational circumstances will be taken into consideration. A brief description of the three types of infractions can be found below.

Crestwood Middle School Behavior Matrix (Fall 2023)

Teachable Moment	Minor	Major
Behaviors are brief in duration & don't interfere with instruction or learning. Typically self-correcting, but if left unattended, likely to persist <i>Team/Student Support Contact (if necessary)</i> Level 1: Redirect behavior w/ Expectation Level 2: Reflection Form	Behaviors cause a disruption to self and/or others' learning/safety <i>Parent contact from teacher</i> Level 1 = Removal to hallway w/ Reflection Form Level 2 = Office Referral	Behaviors present a threat to the structure and learning environment. Student is out of instructional control and unable to respond to adult direction or teaching <i>Parent contact from administrator</i> Level 1 = Office Referral Level 2 = ISS/OSS Suspension

Due Process

Every student has the right to due process based on the constitution of the United States when accused of some violation of school rules of conduct or behavior. Due process is afforded to guarantee that the accused student has a chance to present a defense, to explain the circumstances of the alleged improper actions, or attempt to prove innocence.

Out of School Suspension (*HWCS Board Policy No. 503.2*)

An "out-of-school suspension" or expulsion may be imposed upon students for behavior that substantially affects the efficient operation of the District. "Out-of-school suspension" means that a student is not allowed to attend school or participate in school activities during the suspension period.

Such behavior includes but is not limited to weapons possession, assault, possession of tobacco, alcohol or non-prescription drugs, harassment and bullying. Other behaviors detrimental to the smooth and efficient operation of the District are also included on a case-by-case basis. An "out-of-school suspension" of up to ten days may be imposed.

An "out-of-school suspension" may not be for a period of more than ten days without an opportunity to be heard by the Board of Directors, and, if a special education student is involved in a suspension of more than ten days, multiple suspensions totaling more than ten days, or an expulsion, requires a manifestation determination to decide whether the reason for the suspension is related to the individual student's disability and if so, to adjust the student's individualized educational plan accordingly.

An expulsion requires a meeting of the Board of Directors after recommendation by the Superintendent, at which time the student and his or her parents will have the opportunity to present evidence on the student's behalf and dispute the Superintendent's recommendation. The student and his or her parents will have the opportunity to obtain legal counsel prior to any such hearing.

Search & Seizure (*HWCS Board Policy No. 502.1*)

School authorities may, without a search warrant, search a student, and/or personal effects, student lockers, desks or work areas, or student automobiles based on a reasonable suspicion under the circumstances and in a manner reasonable in scope to maintain order and discipline in the schools, promote the educational environment, and protect the safety and welfare of students and school personnel. School authorities may also seize any illegal, unauthorized or contraband materials discovered in the search. Items of contraband may include but are not limited to nonprescription controlled substances, such as marijuana, cocaine, amphetamines, barbiturates, apparatus used for the administration of controlled substances, alcoholic beverages, tobacco, weapons, explosives, poisons and stolen property. The Howard-Winneshiek School campuses are drug free zones. The Howard-Winneshiek School District participates in a preventative program and partnership with the Howard County Sheriff's Office aimed at keeping illegal drugs off our campuses by employing drug-sniffing dogs in the high school parking lots, locker rooms, and student locker areas. Periodic, random inspections may occur throughout the school year. Possession of such items will be grounds for disciplinary action and may be grounds for reporting to local law enforcement authorities.

Reasonable suspicion may be formed by considering factors such as the following:

- eyewitness observation by employees
- information received from reliable sources
- suspicious behavior by the student and/or

- the student's past history and school record although this factor alone is not sufficient to provide the basis for reasonable suspicion.

A search will be permissible in its scope or instructiveness when the measures adopted are reasonably related to the objectives of the search. Reasonableness of a scope or instructiveness may be determined based on factors such as the following:

- age of the student
- the sex of the student
- the nature of the infraction
- the emergency requiring the search without delay.

Stealing:

At **no time** is it acceptable behavior for a middle school student to take and/or keep the property of others without their knowledge/permission. Stealing is a violation of school rules and the law. Students caught stealing will be subject to disciplinary action.

Swearing/Inappropriate Language

Swearing and/or inappropriate language WILL NOT be tolerated in the school setting at any time. Students are expected to follow standards conducive to a learning situation at all times. If a student uses this type of language he/she will be confronted and be informed that the inappropriate language must cease. If the student continues to use inappropriate language, appropriate disciplinary action will be taken, and a conference may be held with the parents.

DISTRICT MULTICULTURAL/NON-SEXIST POLICY

It is the policy of the Howard-Winneshiek Community School that there will be no discrimination on the basis of race, national origin, creed, age, sex, marital status or disability in its educational programs, activities or employment policies. It is also the policy of this district that instructional materials used reflect the cultural and racial diversity present in the United States and the variety of careers, roles and lifestyles open to women as well as men. Curriculum and teaching strategies will strive to reduce stereotyping and to eliminate bias on the basis of sex, race, ethnicity, religion, and disability. The Howard-Winneshiek Community School District offers career and technical programs in the following areas of study: 1. Industrial Technology 2. Family & Consumer Science 3. Agriculture 4. Business

DIVERSITY, EQUITY, INCLUSION GUIDELINES

This policy is not intended to prohibit expression of religious, philosophical, or political views, provided that the expression does not substantially disrupt the educational environment. Many behaviors that do not rise to the level of harassment, intimidation, or bullying may still be prohibited by other district policies or building, classroom or program rules.

Prevention

The Howard-Winneshiek Community School District will provide students with strategies aimed at preventing harassment, intimidation, and bullying. In its efforts to train students, the district will seek partnerships with families, law enforcement, and other community agencies.

Interventions/Discipline

Interventions are designed to remediate the impact on the targeted student(s) and others impacted by the violation, to change the behavior of the aggressor, and to restore a positive school climate. The district will consider the frequency of incidents, developmental age of the student, and severity of the conduct in determining intervention strategies. Interventions will range from counseling, correcting behavior and discipline, to law enforcement referrals. Any targeted offense based on racial/ethnic/religious/gender/sexual orientation or remarks that harass or intimidate may be subject to the following discipline. Additional punitive action may take place after the bullying investigation.

- First offense: 1 day (ISS) in-school suspension, Student calls parent.

- Second offense: 2 days (ISS) in school suspension. Parent Meeting with the Principal.
- Third offense: 3 day (OSS) out of school suspension from school. Parent meeting with the Behavior Plan Team.
- Fourth offense: 3 day (OSS) out of school suspension from school with 1 week of in school suspension. Parent meeting with Superintendent.

Retaliation is prohibited and will result in appropriate discipline. It is a violation of this policy to threaten or harm someone for reporting harassment, intimidation, or bullying, or participating in an investigation. It is also a violation of district policy to knowingly report false allegations of harassment, intimidation, and bullying. Students or employees will not be disciplined for making a report in good faith. However, persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline.

DRESS CODE FOR MIDDLE SCHOOL (HWCSD Board Policy No. 502.1)

The staff at Crestwood Middle School will interpret the dress code in the best interest of the entire student body. Students will be required to change if dressed inappropriately. Good judgment on the part of the students and parents should be the primary guide for proper dress at school. The administration reserves the right to make decisions on what is proper and what is not. Faculty members are permitted to specify a dress code for field trips or school activities outside of school. Students are expected to dress and groom themselves neatly in clothes that are suitable for school activities. Any clothing that is deemed distracting to the learning environment is prohibited. The following items of clothing are considered inappropriate:

- Clothing/accessories with inappropriate expressions, including drugs, tobacco, and alcohol related products
- Sleeveless shirts exposing the side of the body. Tube tops, halter-tops and backless tops are not permitted. Midsections are to be covered
- Undergarments (bra straps, underwear) are to be covered. Low-cut or ripped jeans that reveal student's undergarments/backside are not permitted.
- Shoes or sandals must be worn at all times
- Headgear such as hats/caps/bandanas/hoodies/stocking caps will not be worn in the building during the school day. Hats and caps must be removed as students enter the building and may be worn as they exit the building.
- headphones or earbuds are to be kept in the student's computer bag when not in use.
- Any accessories deemed unsafe (chains, jewelry) are not permitted.
- Sunglasses cannot be worn in school unless prescribed by a doctor.

DRILLS (FIRE, TORNADO AND LOCKDOWN)

Fire, tornado, and lockdown drills are held at regular intervals as required by law and are an important safety precaution. It is essential that when the alarm is sounded that everyone reacts promptly and clears/takes cover in the building by the prescribed route as quickly as possible. Each room has a chart posted indicating the appropriate shelter area. Classroom teachers will review specific instructions periodically to ensure that movement to designated shelter areas is a smooth and controlled operation. Students and staff must remain in place during a lockdown until an all clear is given by the principal or designee.

Teachers conduct practice sessions under guidelines developed for their building before building-wide drills are conducted. Planning ahead is important in most of the activities that we do. Planning ahead is also important for emergency situations. At Howard Winneshiek CSD, we have developed an emergency evacuation plan that will be implemented in emergency situations.

In an actual emergency, students may be forced out of the school quickly without jackets, hats, or boots. Having a pre-arranged location and plan available will do several things to reduce the trauma of an emergency evacuation.

The emergency plan will proceed in the following steps:

1. The school building will be evacuated as soon as the emergency situation occurs such as: fire,

bomb threat, etc.

2. Students will be escorted by staff members to emergency locations.
3. District administration and local emergency responders will be advised of the emergency situation.
4. Students will be assembled at the first available emergency location.
5. Bus transportation will be arranged through the district transportation director's office.
6. Parents will be able to pick up students in person.

EQUAL EDUCATION OPPORTUNITY (STUDENTS) *(HWCSO Board Policy No. 104; 500)*

It is the goal of the board to develop a healthy social, intellectual, emotional, and physical self-concept in the students enrolled in the school district. Each student attending school will have the opportunity to use it and its education program and services as a means for self-improvement and individual growth. In so doing, the students are expected to conduct themselves in a manner that assures each student the same opportunity. The board supports the delivery of the education program and services to students free of discrimination on the basis of race, color, sex, marital status, national origin, creed, religion, sexual orientation, gender identity or disability. This concept of equal educational opportunity serves as a guide for the board and employees in making decisions relating to school district facilities, employment, selection of educational materials, equipment, curriculum, and regulations affecting students.

EQUAL EMPLOYMENT OPPORTUNITY EMPLOYER - STATEMENT *(HWCSO Board Policy No. 401.2)*

Teachers may ask a few parents to accompany the class to act as chaperones. Each student must have a permission form completed and signed by his/her parents before participating in these trips. Students will conduct themselves on these trips in the same manner as in the classroom. Field trip volunteers must complete a criminal background check. This can be completed through the district office. This may take a minimum of 2 weeks to process

GIFTED PROGRAM

The district offers a program for qualified gifted students. This program was approved by the state so that students who are selected to participate must meet state-established criteria. The district has a teacher who teaches qualified gifted students in a variety of ways. Keystone Area Education Agency also provides assistance and consultant services to classroom teachers who have gifted students in their room. Further information can be found on the [District Website](#).

The student and his or her parents will have the opportunity to obtain legal counsel prior to any such hearing.

HEALTH OFFICE INFORMATION *HWCS D Board Policy No.)*

Illness and Injury:

In case of illness or injury of a student at school, the parent will be notified as soon as possible. Emergency or minor first aid will be administered. No child, sick or injured, will be sent home unless accompanied by an adult. If parents or their emergency telephone number cannot be reached and medical care is urgent, the school will assume responsibility for safe transportation to the doctor's office or the hospital. Every year during registration, parents are asked to complete emergency medical information to be used in the case of an illness or injury.

Students with a communicable disease will be allowed to attend school as long as they are physically able to do so and as long as their presence does not create a substantial risk that others will catch the disease. When the school nurse and administration decides that a student's condition poses a risk to other students, the student will be excused from school. No child will be excused to leave due to illness without first consulting with the school nurse. In order to prevent the spread of communicable diseases, parents should use their good judgment and the following guidelines in deciding to keep students home from school. **If your child has a fever of 101 degrees or higher, your child is not to be in school and should not return until fever-free without the use of Tylenol or ibuprofen.** If your child has vomited more than once, your child needs to be able to keep down a meal before returning to school. If your child has been to the doctor and given antibiotics, your child needs to be on the antibiotics for 24 hours before returning to school.

If a student is home with an illness or injury for three consecutive days or more, a doctor's note is to be turned into the office upon the student's return to school.

If a student needs to be excused or have an accommodation for PE class due to an illness or injury, a school nurse can grant an excuse for one class period. After one PE class excuse, a doctor's note is required for a continued PE waiver.

Immunization Law - IOWA CODE

This law requires that all children of school age have certain required immunizations in order to be allowed admittance into school. To be permitted attendance in school, one of four possible certificates must be presented to school officials: 1) Validated Certificate (all immunizations up-to-date), 2) Provisional Certificate, 3) Medical Exemption Certificate, or 4) Religious Exemption Certificate.

Health Certificates

7th and 8th grade students who wish to participate in athletics must have a physical examination by a licensed provider and provide proof of such an examination to the office each year. Physical forms are available from the school website, the school nurse, or athletic coaches. Any student enrolling in the district for the first time must also provide proof of a physical examination. These health certificates will be kept on file in the Crestwood Middle School health office.

Medication Policy- ALL MEDICATIONS MUST BE KEPT IN THE CMS HEALTH OFFICE

Over the counter drugs may be administered to students with written parental consent. Medicine must be in an original container labeled with the student's name, name of medicine, time of administration and dosage, and turned into the health office immediately upon arrival at school. A note from the parent or guardian **MUST** accompany this medication. The note shall request an authorized school personnel to administer the medicine in accordance with the prescription or parent request. If the medication is needed for more than 10 days, a medication administration form will need to be filled out.

Prescription drugs may also be administered to students with written instructions from a physician, dentist or other health care provider. It should be sent in a properly labeled container including the student's name, name of medicine, time of administration and dosage, name of physician, name and address of pharmacy, and date of prescription. All medicines should be turned into the health office immediately upon arrival at school. Please inform the school nurse of any medication changes throughout the school year.

Nurses and school staff will not dispense improperly or unlabeled medication. Any such meds will be returned with your child at the end of the day. If medicine is to be given at school for more than one day, you may request a second container from your pharmacy. Then medications can be kept at school until done rather than send the medication back and forth each day.

Whenever medications can be given at home, we encourage parents to give students their meds at home. For example, if medication is to be administered three times a day, we encourage parents to try to schedule meds at home before school, immediately after school, and at bedtime.

Food Allergies

The Crestwood K-8 building is PEANUT & NUT AWARE due to serious allergies in some students. Please do not bring any products to school containing peanut butter or peanuts. (NOTE: Sunbutter is made with sunflower seeds instead of peanuts and is nut free. This is an acceptable alternative to peanut butter, but please send a note letting staff know you are using this substitute so they don't confuse the two.)

Concussion Policy and Protocol:

The Howard Winneshiek Community School District will follow guidelines outlined by the Iowa High School Athletic Association Concussion Management Protocol, Iowa Code Section 280.13C regarding brain injury policies. If a Howard Winneshiek Community School staff member, coach or contest official observes any signs, symptoms or any behaviors consistent with a concussion or brain injury in a school activity (recess, in the classroom, during a competition or practice), the student shall be immediately removed from participation. If injury occurs during the school day, the student should be sent to the nurse's office, where the school nurse or other designee will assess the student for brain injury symptoms and notify parents/guardians. If it happens during a practice or game, the coach is responsible for notifying parents immediately, and notifying the athletic director and school nurse in a timely manner. A student who has been removed from participation shall not return to such participation until the student has been evaluated by a licensed health care provider trained in the evaluation and management of concussions and other brain injuries. A student must then receive a written clearance to return to participation from a licensed health care provider who is trained in the evaluation and management of concussions and other brain injuries.

Preseason baseline neurocognitive testing (Sway Impact Testing) will be done for all 7-12 athletes and may be repeated at the discretion of the athletic director, coaches, school nurse and administrative staff. This can and will be used during the school year to help identify the effects of an injury and the student/ player's readiness to return to school and/or activities.

Brain Injury Protocol during School Hours

1. A student will be sent to the school nurse for assessment after any bump, blow or jolt to the head which occurs during the school day.
2. The school nurse will observe the student for signs and symptoms of a concussion.
3. Classroom teacher will be notified and will consult with the school nurse if any signs or symptoms of concern are identified during class. Student's parent(s) or legal guardian will be notified of the injury and observations by the school nurse, or other designee during the school day, or by a coach if it occurs before or after school during an extracurricular.
4. If signs or symptoms of concussion are not present, the student may remain in school but should not participate in any sports or recreational activities on the day of the injury.
5. Student will return to school nurse immediately if symptoms of concussion occur at any time after the injury.

Brain Injury Protocol outside of School Hours

1. The student will be removed from activity immediately.
2. Assess and monitor for signs and symptoms of concussion.
3. Coach or sponsor must notify a parent/ guardian of the head injury right away, before the student leaves practice or event.
4. Regardless of whether or not a concussion has been diagnosed, a student athlete should never return to sports or activities on the same day a head injury occurred.
5. Coach or sponsor will notify the school nurse and athletic director if any student experiences a head injury during a practice or competition.

Return to Learn

Returning to school should be formed by the Concussion Management Team and determined based on each individual student's symptoms. A Return to Learn plan will be developed that may include adjustments such as no school or shortened school days, decreased assignments, and allotted rest periods. If symptoms reoccur after returning to school, brain activity should be decreased (rest time, school day lessened, etc.) Most students will improve within 3 weeks of head injury/ concussion; if not, a 504 plan should be considered. Students should be performing at their academic baseline (symptom-free) before returning to athletics. If concussion symptoms reappear at any time during return to learn and/or play, the student should cease activity and be re-evaluated by the school nurse and/or other healthcare Professional.

Return to Play

1. A student athlete should never return to play (competition or practice) on the same day of a diagnosed or suspected concussion.
2. A licensed healthcare provider (defined above) should evaluate the student on the same day the injury occurs.
3. A post injury SWAYtest should be completed by the student athlete.
4. A student may return to activity once they: are asymptomatic for concussion at rest, asymptomatic for concussion with exertion (physical and mental), and must have written clearance from a licensed healthcare provider. Clearance by a licensed medical professional is required by Iowa Code.
5. Once all criteria above are met, the student should gradually progress back to full activity following the step by step process outlined by their provider:

HOMELESS HWCSO Board Policy No. 501.18)

A student is considered homeless when he/she:

- Lacks a fixed, regular, and adequate nighttime residence or
- Shares housing (due to loss or hardship) or
- Lives in hotels, motels, campgrounds, emergency or transitional shelters, abandoned in hospitals, or awaiting foster care.

If a student is considered homeless, the student has the right to attend classes and participate fully in school activities. The student is also eligible to receive other necessary services.

If a student fits this description or has questions regarding this program, please see the guidance or

principal's office for more information and assistance.

HOMEWORK

An effort is made to allow time for our students to do most of their work at school. Some students who work more slowly or who find it difficult to accomplish much during study time will find it necessary to bring work home to finish assignments. Teachers, from time to time, may assign homework in the form of practice sheets or project work.

Homework Requests

Parents/guardians may request assignments from teachers for the days missed. Requests should be made by 8:30 a.m. on the day that the assignments are to be picked up so that teachers will have time to prepare the work. Materials will be available in the office by 3:30 p.m.

LASER PENS/POINTERS

Laser pens/pointers are not allowed on school grounds or at school sponsored events.

LOCKERS FOR MIDDLE SCHOOL *(HWCSD Board Policy No. 502.7)*

Hall lockers are assigned to each student. These locker assignments may not be changed unless approved by the principal or the guidance counselor. Lockers are to be kept clean and orderly and students are asked not to place any stickers either inside or outside the lockers. **If you wish to place a lock on your hallway locker, you must turn in a key or the combination to the office.** These hallway lockers are a part of the building, and, as such, are subject to search any time there is reason to believe that something of an illegal nature may be located there. If the student is available, he/she may be asked to be present along with a third party of legal age. If the student is not available or refuses to open the locker, a school official and another person of legal age may conduct the search and record the contents. It is not permissible for any student to be in any locker other than his/her own at any time. Students are asked to avoid leaving money or valuables in an unlocked locker.

LUNCH PROGRAM - HOT AND COLD

Our district participates in the National School Lunch Program, which means that in order to receive surplus foods and reimbursement on student meals, the requirements for a complete meal, hot or cold, must be met. We encourage everyone to participate in our lunch program. However, students may bring their own lunches and purchase milk if they wish. Sodas or carbonated beverages should not be sent to school. The lunch period should be a learning experience with teachers and cooks emphasizing the value of a balanced diet. Parents may deposit **any amount** of money in their child's account. Alternative lunch offerings may be implemented if negative balance is not remedied. Free or Reduced Lunch Applications can be completed online (link available on Howard-Winn website under Parents; Quick Links; Free & Reduced Meals) or a paper copy may be submitted to the building or district office. All students eat in the student center whether eating the school's hot lunch or a lunch brought from home.

Parents Eating Lunch at School

Parents are welcome to eat lunch a couple times during the year. Please contact the building secretary in advance.

MONEY AND OTHER VALUABLES

There is no reason for middle school students to bring large sums of money or other valuables to school as theft or loss may occur. If a student is found to have in his/her possession a large sum of money or other valuables, parents will be contacted to come to school to pick up the money or valuables. If these items are lost or stolen, it is the student's responsibility to locate them.

PETS

Permission must be obtained from the teacher and principal before pets are brought to school.

PORNOGRAPHIC MATERIALS

The bringing and disseminating of pornographic materials to school, even through social media is considered a serious matter. These materials will be confiscated, parents will be notified, and the appropriate process will be worked through. **The district is within their right to discipline students for actions outside the school day or premises when said actions affect the learning environment within the school.**

RELEASING OF STUDENTS FROM SCHOOL

Students cannot be released from school to anyone except a parent or legal guardian without written permission. If a child is to leave school in a way other than which he/she is accustomed to, he/she must have written permission. Going home with another student or staying in town are examples of children leaving school other than in the accustomed manner. If your child is ill, notification will come through the nurse's office. Your child will not be excused without notification from the school.

SCHOOL CLOSING

If weather conditions are such that school will be closed, starting late, or dismissing early, the announcements will be made on Twitter, Facebook, SchoolMessenger alerts, as well as posted on the school website, <http://www.howard-winn.k12.ia.us>.

SECTION 504

Under Section 504 of the Rehabilitation Act of 1973, Howard-Winn CSD has a duty to find and evaluate students who are suspected of having a disability, which is a physical or mental impairment that substantially limits a major life activity. If a child is suspected of having a disability, he/she may be eligible for a 50 plan. Please contact **Brenda Lentz, 504 Coordinator, at 563-547-2340.**

SPECIAL EDUCATION

This describes the education of students who have intellectual, physical, behavioral or emotional disabilities. Special education involves specially designed instruction tailored to the unique needs of each child. The federal law Individuals with Disabilities Education Act (IDEA) ensures services to children with disabilities. Testing and evaluation data are used to determine whether a child is eligible for the above mentioned program.

STUDENT RECORD POLICY (HWCSO Board Policy No. 506.1)

Parents of the school district have the right to review student records the schools maintain. Records are maintained in each principal's office of the school your child attends. Any parent wishing to inspect a record shall request permission from the guardian of records (principal) and an effort will be made to comply as soon as possible.

Reporting to Parents:

A progress report is available on PowerSchool at the end of each semester. Parents may wish to discuss their child's report card to develop a better understanding of the reporting system at Parent-Teacher Conferences. Grades are accessible to parents at any time by logging in to the PowerSchool parent portal.

STUDY GROUP

These sessions have been designed to teach study skills and help assist the students with the necessary make-up work. The sole purpose of the study group is to help the student get caught up and earn passing grades in all of their subject areas. We expect students to attend these study sessions unless we receive notice by phone call or note. **This is not a detention**, but a way to help students succeed. Students will be assigned to the study session for consistently not turning in work, for failure to maintain a passing grade, and because they have multiple absences.

TECHNOLOGY USE (HWCSO Board Policy No. 605.2)

All technologies provided by the district are intended for educational purposes. Students and staff members shall only engage in appropriate, ethical, and legal utilization of the District's technology, and internet access. Students' use of the District's technology, and internet access shall also comply with all District policies and regulations. Inappropriate use and/or access will result in the restriction and/or termination of this privilege and may result in further discipline for students up to and including expulsion and/or other legal action. The District's administration will determine what constitutes inappropriate use and their decision will be final. The IT staff may close a user account at any time as required. Administrators, faculty, and staff may request the IT staff to deny, revoke or suspend user accounts. Any user identified as a security risk or having a history of problems with computer systems may be denied access to the District's technology. The District's IT staff or other appropriate personnel will provide students and staff members with Internet safety instruction. For more information, see the [Howard Winneshiek Technology Department](#) webpage on the district website.

TOBACCO, ALCOHOL, & DRUGS (HWCSO Board Policy No. 502.9)

The use or possession of tobacco (including e-cigarettes), (smoking or chewing) and the use or possession or being under the influence of alcohol, other controlled substances or "look alike" substances that appear to be tobacco, alcohol, or controlled substances by all students on school property or at any school-related function is strictly forbidden. Violation of this rule will result in disciplinary action that may ultimately lead to expulsion. Such violations may also be reported to law enforcement authorities.

Students possessing any of the previously mentioned items will have them confiscated, parents will be informed, and appropriate disciplinary action will be taken.

TELEPHONE CALLS-INCOMING AND OUTGOING (HWCSO Board Policy No. 508.3)

Teachers and students will not be called from class unless emergencies arise. Students must obtain permission from their teacher before using the telephone. The telephone should be used by students only for letting parents know they are staying after school or whatever their teacher thinks is important. The best time to contact teachers is immediately before and after school. *Crestwood Middle School: 563-547-2300*

VISITORS (HWCSO Board Policy No. 904.3)

The Howard-Winneshiek Schools want parents / guardians to feel welcome in our school and to witness the engaging activities taking place in our classrooms. The safety of our students is of utmost importance. All visitors, including parents, are required to report to the office to sign in. A visitor, at the discretion of the principal, may be required to present a photo ID. If you choose to visit your child during class time, the following procedures apply:

- The teacher must be notified at least 24 hours in advance and approve the timeframe in which a parent intends to visit their student's classroom.
- This policy does not apply to those who, by law, are permitted to visit with children.
- Parents must sign in through the office. No person, other than the student's parent/guardian will be allowed to see the student without the parent / guardian's written permission or the parent / guardian being present.
- Classroom visits or observations are limited to 45 minutes per visit.
- Classroom visits or observations will be permitted as long as their duration and / or frequency does not

interfere with the delivery of instruction or disrupt the normal school environment as determined by the principal.

- Younger brothers or sisters are not allowed to visit school unless accompanied by their parents. Children who visit alone with one of our students must be similar in age to the student they are visiting.
- If you plan on eating lunch with your child please notify the office at least 24 hours in advance to allow the cooks to plan food amounts accordingly.
- Remember the first two and the last two weeks are not the best times to visit classes.

VOLUNTEERS

Parents are welcome to volunteer at school. There are many tasks, which volunteers can help with. Some parents choose to volunteer to do tasks at home while others come to school to volunteer. If you would like to share your time and talent with us, please talk to your child's teacher about volunteering or call the school office. We welcome your help. In-school volunteers must complete a criminal background check. This can be completed through the district office. This may take a minimum of 2 weeks to process. Volunteers must reapply every three years.

WEAPONS - DANGEROUS *(HWCSD Board Policy No. 905.3)*

Any object which could be used to injure another person and which has no school-related purpose will be considered a weapon.
