

FULL DAY FOUR-YEAR-OLD PRESCHOOL

THE BIRMINGHAM PUBLIC SCHOOLS EARLY LEARNING PROGRAM is committed to providing a nurturing and secure educational setting for young children and their families. In a safe, age appropriate, engaging environment, children learn and explore as they experience their world. Our play-based program encourages the development of each child's unique potential. The process enhances physical, emotional, social, creative, and intellectual growth. Staff, children, and families learn to value diversity and to foster individuality, self-confidence, love of learning and respect for themselves and others.

In preparation for Governor Whitmer's initiative, **PreK4All**, a free universal pre-k for all four-year-olds in Michigan, we are excited to offer an expanded option for children to enroll in full day 4-year-old preschool beginning in our school district for the 24/25 school year!
