#### Notes:

- Group 1: All students must have completed at least Honors English 2 before taking IB English HL-1
- Group 2: It is highly encouraged that students complete a 3<sup>rd</sup> year of a language before taking IB Language
- Group 4: Students who wish to take 2 Science classes will take 1 in 11<sup>th</sup> grade and the other in 12<sup>th</sup> grade
- Group 5: Algebra 2 Honors is the minimum pre-requisite for Math SL 1. Pre-Calculus Honors is the prerequisite for AP Calculus BC.
- Group 6: Unless an elective is offered for Group 6, students should plan to repeat classes in Group 3 or 4 for their Group 6 requirement.
