Peters Township High School
10th Grade Course Selection

1. Carefully study the COURSE DESCRIPTION BOOKLET and discuss your academic and career plans with your parents. The course description booklet and other scheduling information can be found on the Peters Township High School Counseling Services webpage under **Course Scheduling**. http://www.ptsd.k12.pa.us/CourseScheduling.aspx

2. Twenty-six (26.0) credits are needed for graduation. Courses that are a full year are worth 1.0 credit and semester courses are worth .50 credit. PE is the only semester-long class worth .25 credit. **Students are required to take two .25 credit PE classes before they graduate.**

3. Be sure to check prerequisites for all courses, which are listed both within the specific course description and in the prerequisite note on the PowerSchool scheduling screens. Your current grades and/or teacher recommendation may automatically open a course(s) for you to select. However, if you do not meet the prerequisites based on your current grade, please consult with your current teacher in that subject area.

To Request Courses:

● Log onto your PowerSchool account and choose the **Class Registration** Icon.
● Click on the **Edit** button (the **Pencil)**. A window will appear. Click to the left of the course which you would like to select. You can only register for courses in which you meet the prerequisites and/or were recommended.
● Click **Okay** when finished. A green check will appear if the request is accepted.
● For **Electives**, choose the number of electives that will fill your schedule. Elective credits fall into one of two categories: year-long or semester.
● Select **Alternative Courses**. These should also be selected carefully, as you may be scheduled for an alternative course due to a course cancellation or scheduling conflict.
● After all categories have been fulfilled, click **Submit**.
● You must select at least 6.0 credits, or you will not be able to submit your selections. You are encouraged to schedule more.
● Online scheduling will close on **March 13th.**
  Caution: The parent/student portal could time out after 45 minutes of inactivity**.**
