

Alignment to the Standards

The Mississippi Reading Fair is aligned to the Mississippi College and Career Readiness Standards (MS CCRS) for English, Language Arts and Literacy in History/Social Studies, Science, and Technical Subjects by:

- allowing the option of completing a reading fair project with an informational text or a literary fiction or non-fiction text in order to provide a balanced approach to the reading of texts. (See Appendices D and E.)
- including informational texts in order to promote the shared responsibility of reading across content areas. (See Appendix E.)
- creating elements of the project/storyboard that embody the skills and concepts embedded in the Standards. (See Appendices D and E.)
