

Rating Rubric Summary Form

Observation: 1 2

The ***Observation Rating Rubric*** is intended to be scored holistically. This means that evaluators will assess which level provides the best *overall* description of the teacher. An evaluator will not rate a teacher separately on each individual statement within the rubric, but instead will assess the teacher's overall performance. This assessment should inform the planning of next steps.

The teacher and evaluator will sign the Rating Rubric Summary Form to indicate that the Holistic Rating of the lesson and the Overall Recommended Rating has been shared and discussed. The "Next Steps" section may be completed by the evaluator or may be completed collaboratively at the conference. If the Overall Rating is "Ineffective" comments must be included in the "Next Steps" section of this form. These comments will provide direction and focus to the teacher for areas of improvement.
