Biography

Mrs. Frazier

My name is Jessica Frazier and I teach third grade at Menlo Park. I have been teaching since 2000, and spent much of that time at Lincoln Park Elementary School. This is my eighth year at Menlo Park, and I have taught 2nd, 4th and now 3rd grade. I love teaching and truly enjoy coming to work each and every day. When I am not at Menlo Park, I love to run, read, spend time with my family, and I foster animals through a local shelter. I have fostered over seventy five kittens, cats, dogs and rabbits! I am married and have identical twin daughters who are juniors in high school.

Ms. Peters

My name is Sierra Peters, and this will be my 7th year as a full time teacher here at Menlo Park. I have taught 3rd grade mostly, as well as a 2/3 split class. I am very connected to Menlo, as my dad was a teacher here, and I even attended this school as a student from Kindergarten through 6th grade! My favorite part of teaching is connecting with students and getting them excited about learning. When I am not teaching, I enjoy art, baking, and spending time with my 2 dogs and 4 cats.

Mrs. Specht

Hi, I'm Lydia Specht, and I teach 3rd grade. I have college degrees from Belhaven University, the University of Utah and Portland State University. My husband is a native Oregonian, and we enjoy outdoor activities, such as biking and concerts. I have two dogs: Jackson and Toby. School and learning have always been a part of my life. I love a good book and a good joke!
