3rd Grade “Introduction to Instrumental Music Night”
Tuesday, February 25, 2025
6:30 P.M. Nesaquake Middle School Auditorium

Dear Parents of 3rd Grade Students:

You are cordially invited by the Smithtown Central School District to participate in this year’s **“Introduction to Instrumental Music Night.”** This is a wonderful opportunity for both you and your child to become familiar with the instrumental music program. The evening presentation will take place on Tuesday, February 25th, at 6:30 p.m., in the auditorium at Nesaquake Middle School.

This is a family presentation where you will meet with several of the music department teachers, who will provide you a broad overview of the elementary and secondary music programs. In addition, high school students will demonstrate various band and string instruments, so as to provide you and your child with an opportunity to learn about their differences, qualities and the potential of performance.

Should you be unable to attend this presentation, please feel free to address your questions to the music teachers in your elementary school. In the upcoming weeks, presentations about the Band and Orchestra programs will also be held for the students at each elementary school.

I look forward to seeing you on **Tuesday, February 25th, 2025**, for what promises to be an exciting and musical evening.

Sincerely,

VICTORIA HARTMAN

Director of Fine Arts K-12
Smithtown Central School District
