Technology/Textbook Pickup Times

3rd Grade Technology & Resource Pickup

August 13th and 14th from 10:30 AM - 12:00 PM

All families will need to stop by the school to pick up technology and instructional resources. Be sure to place a sign in your windshield that includes your child's name, teacher's name, and grade level. This will take place in our carpool parking lot. **Parents will also need to sign a technology document for liability.**

Please complete our Google Form.

<https://docs.google.com/forms/d/1hgIPJ5v8TlqJHrZYTwrnk7iYKacunljzzRZBjfwGDZM/edit>

The information you provide will help us with communication throughout the school year. Please let your child's teacher know if any of the information needs updated at any time.

Instructions for Parent Square signup.

1. To sign up for ParentSquare, click the link https://www.parentsquare.com/join_school/new.
2. Please fill the form that populates to send a request to Mallard Creek Elementary School to add you to ParentSquare.

Canvas - What, Where, and How?

How do I access Canvas?

1. Go to the CMS website. Click on the “Students” icon (student with backpack).

2. You will now see “Student Portal”. Click “Access Canvas”.

3. You can now click the red circle “Canvas” icon. This is the same icon Your child will see when they log into NCEdCloud (Rapid Identity).

4. Now choose Student or Parent Login (Create a Parent Account).

Canvas - What, Where, and How?

How do I access Canvas support tools?

1. Once you are in Canvas, click the “Resources” icon.

2. Click the red “Distance Learning Canvas Guide” tab.

The “Canvas Video Guides” tab is also very helpful.

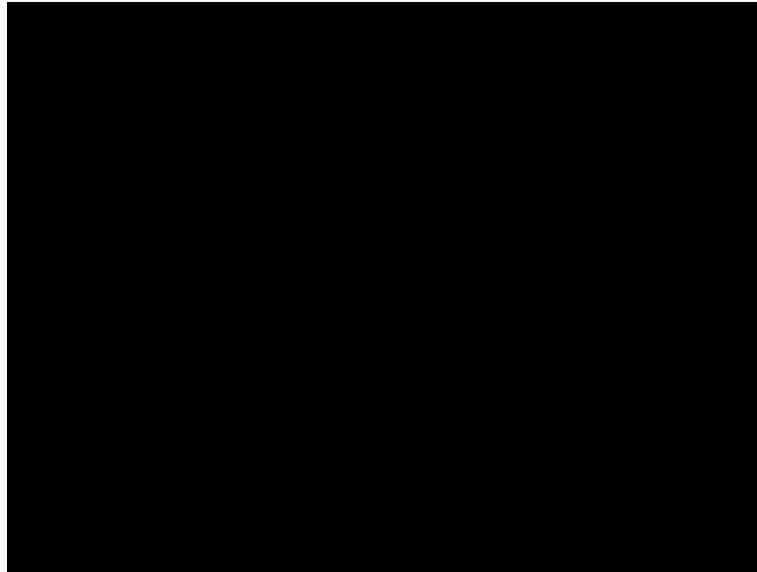

Canvas - What, Where, and How?

[How can I see my child's assignments and progress in Canvas?](#)

We will briefly review parent access using Parent Observer and the Canvas app. You can review the entire presentation when you use the “Distance Learning Canvas Guide” mentioned in the previous slide. You will also need access to your child's Canvas account if you want to create your Parent Observer account now.

Canvas - What, Where, and How?

Let's view your Parent Observer access!

What to do if Technology is NOT Working

In the event your child is unable to access remote learning on any particular day, (wifi down, unable to log into device, etc.) please send a Parent Square message or email to the teacher. The teacher will attempt to resolve the issue when feasible.

In the meantime your child can access assignments in any subject on Canvas, or complete any textbook, workbook assignments, chapter book reading, and/or assignments in writing journal.

PowerSchool - See Grades Online

To create a new PowerSchool parent account do the following:

1. Using your browser, go to <https://cms.powerschool.com/public/home.html>.
2. Click the Create Account tab
3. Click the Create Account button
4. Follow the instructions and enter your account information. To link one or more students to your PowerSchool account, obtain the student's Access ID and Access Password from your student's school.
