New Business

Event planning for May

1. SUPER TEAM DAY
2. Lhotka – We are running it this year. Thursday 5/27
 - a. Working on details to be similar to previous year but families won't be coming
 - b. If PTA wants to do popsicles, that is great. YES PTA WILL DO THEM
3. Due to covid, groups will be more separated but everyone is included.
4. New gym teacher has added a lot of fun new things
 - a. New games, dance party in the gym, etc.

4th grade send off – Eidsness:

1. Water blasters from 3rd grade

Retiring this year:

1. Karla Humbert, Gale Howard, Tammy Schmitz, Linda Polingo, Faye Teske

1st day of school supply orders

1. Now live for next year already!
2. Sending out notice to families

Amazon Smile - make sure everyone is using this!

1. What else can we do to support this? Already pushing info out and posting on social media

Box Tops

1. Now that they are electronic the numbers are down

Scotty B's Partnership

1. 20% back to PTA was his idea and so generous! He is a great partner for us!
2. Post on SM – good through the 30th

Culver's Partnership

1. Kari has an update: He had an idea for the week of May 17th – to have the kids sell tickets where one half entitles a car wash, and the other half is given to culvers cashier at checkout. We sell for \$11
2. They will come to the school to promote the event including the mascot and sell more tickets on site that day
3. We would sell tickets the week prior to the event. We keep \$1 and give the other \$10 back to them and then we get a % back from culvers (amount will depend on how much is spent).
4. Eidsness – we are not meant to be a profit maker for them, they should be a profit maker for us.
5. Seems like a big hassle for a very small pay off.
6. In for online ordering in place of the culvers night that we cannot do this year, but not interested in selling tickets and dealing with all of that.

Officers for 21-22 School Year

1. Voting for President, VP and Secretary in May.

Fall-Evereve night-Erica & Caroline are in charge-Megan will provide us with the contact information.

Go back to Carnival-so far we have raised \$250 from selling Kona Ice.

Coupon Calendar sales for next-need kids to provide artwork-or Ms. Hausladen said she would collect artwork. So far Betsy & Megan are on this, but we would like to have others involved.

Also, need to coordinate dates for next year's events and send to Karen before the fall, as is what ends up happening.

Scott Eidsness' final remarks-He said thank you so much to everyone who volunteered. It was a very successful event. Families and kids could not stop talking about how great of an event the Carnival was this year!!
