

JOHN C. DIMMER AND MARILYN J. DIMMER SCHOLARSHIP

Qualifications

1. You must be a graduate of a high school in Clover Park School District.
2. You must be a citizen of the United States.
3. You must enroll as a full-time student in a four-year college or university (as defined by your college or university).
4. Your eligibility will be judged on your scholastic ability, your potential, and your talent. Preference shall be given to students who pursue studies in economics, business, mathematics, physics, or natural sciences.
5. Students receiving an appointment to any of the United States service academies or who are awarded four-year ROTC scholarships from any of the services will not be eligible for this award.
6. There shall be no discrimination as to sex, race, religion, national origin, or economic circumstances in the granting of this award.
7. Awards are renewable for up to three years of consecutive school attendance and are dependent upon meeting the qualifications for renewal.
