

Fourth Grade Cardinals (Class of 2019)

We Are Looking Forward to a Great Year!!!

The year is off to a great start. Your child has been given a block one and block two teacher for which they either learn Math/Science or Language Arts/Social Studies. These groups are what we call flexible, meaning they may change based on your child's individual achievement/progress.

Currently we are studying multiplication properties, estimation/rounding and place value in mathematics. In Science we have begun our discovery of rocks and minerals. In Social Studies we are preparing for our trip to J.A. BizTown in October, where our students will get to experience how to operate business. In Language Arts our unit theme is Dollars and Sense. We have been developing our reading comprehension skills and are focusing on drawing conclusions, author's point of view and purpose. **Please encourage your child to study his/her notes every night.**

Our goal is 100% participation throughout our learning journey. We are looking forward to an excellent year as we "Inspire Futures with Endless Possibilities."
