WE WELCOME YOU!

Welcome to 4th grade! We are excited that your child is attending Cool Spring Elementary School this school year. We love teaching and are constantly looking for new ways to challenge students. It is our goal to provide engaging instruction that accelerate, innovate and transform students' thinking and discussion.

GREATNESS AWAITS!

We have high expectations for all students and will continue to support them to try new things and take risks. We desire to make a powerful and positive impact in your child's life, so let's work together to make that happen and the best year ever.

Yours in Education,
Ms. Walker, Ms. Jahed, Mrs. Patterson, Ms. Moore, and Ms. Jones

"I got this!", "You got this!", "We got this!" - Together!

Communication

We also believe that communication with parents is crucial to a successful year. Know that we are here with an open mind and willingness to listen to any concerns that might arise throughout the year. If you desire to speak with your child's teacher, please email, or use the Remind App.
