

Culinary Arts

Jenkins

Ashanti Aldridge is the Star Student for Culinary Arts I Management program. Ashanti is being honored because she demonstrates the skills and attributes that employers value.

Not only is Ashanti a well-behaved student but she takes pride in all her assignments ensuring that everything is done correctly and on time, which is a result of her having the highest-class average (99.07%). She always shows interest and participates in class activities. On lab days no matter what her group's responsibilities are; she always assures that her group's duties are done and done to standard. She demonstrates all the ability to take initiative and enterprise for others to follow. When asked to do something Ashanti achieves superior results with minimum guidance. She is definitely someone I'd love to see in Culinary Arts II Management.

#AWESOMEJOB!

DIGITAL ARTS Burgin

- Niya King is the Star Student for the Digital Art and Design program for this month. Niya is being honored because she demonstrates the skills and attributes that employers value. Niya has demonstrated great workplace skills throughout the semester. She always arrives to class with a positive attitude on time every day. She shows great initiative in offering to help whenever needed to other students and the teacher. She is easy to get along with and listens effectively, asking questions when she doesn't understand. Niya represents what we look for in a Star Student with great communication skills and working well with others. Niya is a talented, hardworking and a courteous student. I am proud to nominate Niya King as a Digital Art and Design Star Student.

STAR STUDENT FOR DRAFTING

Jesus is the Star Student for Drafting. Jesus has shown amazing improvement in his work and has displayed exemplary workplace skills. He is always on task and takes great pride in his work. He asks questions when needed and strives to do his best work. The quality of work Jesus is producing has grown exponentially over the semester as he has worked on his drafting skills.

STAR STUDENT FOR Introduction To Teaching

Jake Morgan is the star student for Introduction to Teaching because he demonstrates so much passion and enthusiasm for working with children. He arrives to class on time each day and thoroughly enjoys being at school. He asks questions when needed and takes initiative. He always has something valuable to add to discussions. He is also a great representative for ATC on the Superintendent's Student Advisory Council. I have no doubt he will be an amazing teacher one day!

STAR STUDENT FOR COLLISION REPAIR

Noah Thompson is the Star Student for the Collision Repair and Refinish Program. Noah is a senior at Rock Hill High School where he is a member of the varsity football and varsity wrestling teams.

Dependability, reliability and intelligence immediately come to mind when speaking of Noah. His work ethic and attendance is absolutely amazing. He never complains about any assignment, he just does it. Noah is currently working a co-op at Hendrick Collision Center during 1st block and will continue this co-op 2nd semester 4th block until close. He gives 100% effort in class and at his co-op, just to learn all he can.

After graduation, Noah plans to enter directly into the workforce to pursue a career in the Automotive Collision Industry.

Thank you Noah for your hard work, dedication and work ethic. Congratulations on this achievement and keep up the good work.

STAR STUDENT FOR COSMETOLOGY

Marco Hernandez is the Star Student for the Cosmetology program. Marco is being honored because he demonstrates the skills and attributes that employers value.

Marco is very cooperative and is always the first student willing to help anytime someone needs assistance. Marco volunteered at our Christmas parade to represent the Cosmetology class and did an outstanding job. Marco has excellent attendance and when new techniques are being taught he doesn't get discouraged, he pushes through those challenging skill sets. I can't wait to see what his future will be in this industry!

Health Science 1 Robertson

- ▶ Kiera Kearse is the Star Student for the Health Science 1 program.
- ▶ Kiera is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Kiera is an exceptional student. She always comes to class prepared and ready to learn. She demonstrates initiative in the classroom, by starting and completing her assignments. She has the ability to problem solve and displays a positive attitude.

MEDIA TECHNOLOGY STAR STUDENT

Victoria Watson is the Star Student for the Media Technology program.

Victoria Watson is being honored because she demonstrates the skills and attributes that employers value.

Victoria is a dependable, hard working student who demonstrates excellent creative skills. Victoria places great attention to detail in her video production. She is always willing listen to and take constructive criticism and apply it to her work. When it comes to trying new techniques or leaning new skillsets, Victoria always meets these challenges with passion.

WELDING

- ▶ Devyn Crump is the Star Student for the Welding 2 program.
- ▶ Devyn is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Devyn Crump is a senior at Northwestern high school. He has completed all types of welds so far in the level two class. He remains on task and works hard throughout the class period. He has a talent for problem solving and is creative in his solutions. He's precise with his welding, and quick with learning from past mistakes. He has good time management and will consistently stay on task during the class period. He has helped me with many of my projects. He has gotten accepted to Tulsa welding school to get his welding degree. Good luck Devyn

CHINESE

- ▶ Carsen Gamerl is the Star Student for the Chinese program.
- ▶ Carsen Gamerl is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Carsen exhibits a positive outlook and attitude in Chinese class. He has kind, caring, and friendly character. He shows respect for teachers and peers.
- ▶ Carsen always seeks new challenges and takes responsibility for his learning. He always faithfully performs classroom tasks and remains an active learner throughout the class. He tackles Chinese assignments and tasks in an organized manner.
- ▶ Carsen sets an example of excellence in behavior and cooperation and conducts himself with maturity. He is also an active participant in class discussions, and always stays focused on the task at hand. Carsen expresses ideas clearly, both verbally and through writing.

CLINICAL STUDIES

George

- ▶ Katelyn Jackson is the star student for Clinical Studies. A South Pointe High school senior who is graduating in the top few in her class, Katelyn excels in academics. In addition she exhibits valuable soft skills. She has been consistently engaged in class, in labs and at clinicals. She works hard and self manages her time, never needing reminders of due dates and using her time wisely. She shows initiative both in class and at clinicals. Katelyn exemplifies quality in her work, attitude and ethic. A future physical therapist who will be much sought after by employers, she will soon rise to the top as an exemplary team member. Always willing to step in and help, she leads by example. It has been a privilege to have a small part in her education and development as she advances in her career in healthcare.

Health Science 2 Smith

Sumaya Minton is the Star Student for the Emergency Medical Services program.

Sumaya is being honored because she demonstrates the skills and attributes that employers value.

Sumaya is an excellent student who works hard everyday, and is able to lead by example in the class and lab. Sumaya has a plan for her future and will be a great member of the health science field.

Thanks Sumaya for being such a great young lady.

Power Engines

Zi'Darrius Caldwell is the Star Student for the Power Engine Technology program.

Zi is being honored because he demonstrates the skills and attributes that employers value.

Zi is my star student for his work ethic everyday in the lab and classroom. Zi is currently repairing several projects this semester and stays engaged every day. He does not take short cuts and completes assignments with pride.

Zi works very hard and works well with others. He completes his assigned work in Small Engines on time and enjoys class. Zi demonstrates skills learned in class every day. Great Job, Zi!

Marketing/Advertising Business Cluster

Gaziya McKee, a sophomore at SPHS, is the star student for the ATC Marketing Cluster program. Gaziya is being honored because she demonstrates the skills and attributes that employers value.

Gaziya is a sweet and talented student. Gaziya exhibits leadership and problem solving skills. She can multitask better than most students I know. Gaziya exhibits educational standards that all students should have on and off the basketball court.

Gaziya is easy to work with. She has a great personality, a bit quiet at times, is knowledgeable and very likeable. Gaziya is also dedicated when it comes to school work. Gaziya submits quality work all the time. Gaziya is flexible and adapts well. This skill along with her many other great qualities has convinced me that Gaziya will be a lifelong learner.

It is an honor and privilege to be Gaziya's teacher. She is a wonderful young lady. This is my first time being her teacher and I hope to see her again. I wish I had more students like Gaziya McKee. Congratulations Gaziya for being my star student and for a job well done.

Digital Arts Ms. Soto

Trinity Crump is the star student for the Digital Art & Design program. Trinity is being honored because she demonstrates the skills and attributes that employer's value. Trinity is always on task; she is motivated and works hard on her projects. When she doesn't understand something she asks a question and when someone else needs assistance she doesn't hesitate to help out. She is an amazing listener, a very generous person and easy to get along with. She has the ability to manage new technology with great creativity and perseverance; she is a an extremely talented designer and is always willing to try new tasks. I am proud to nominate Trinity as Digital Art and Design Star Student.

ELECTRICITY

- ▶ Josh Pilkington is the Star Student for the Electricity program.
- ▶ Josh is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Josh is an excellent student. He is in the Intro section of the program, but plans on returning for the next level. He is always the first student in class. Josh listens attentively and follows directions. He completes all assignments, both academic and lab, with an eye for detail. He is proud of the work he does, and rightly so. Any college or company will be lucky to get a young man like Josh.

Health Science

Neely

- ▶ Austin Wilkes is the Star Student for the Health Science program. Austin is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Austin has excellent social skills and interpersonal skills. He has great communication skills (verbal and nonverbal) and he interacts with others very well. Austin has great listening skills and respect for others. Based on Austin's academic achievement, there is no doubt that he is motivated. A leader is someone that has is assertive but nonaggressive, shows dedication, has integrity, creative, and open. Austin has all characteristics of a great leader and a desire to achieve. His inner core values are expressed by his behavior and his actions. I am impressed by Austin's quantitative skills such as; solving complex problems using critical thinking, ability to comprehend, analyze, and apply concepts effectively. Austin has the capability of tackling complex concepts in an organized manner. He has the willingness and desire to go the extra mile. Austin has demonstrated most improvement regarding grades.

Logistics and Distribution

Luther Jones is the Star Student for the Logistics & Distribution 2 program.

Luther is being honored because he demonstrates the skills and attributes that employers value.

It has been a pleasure to teach Luther. Every day, Luther comes to class prepared. He checks on the previous days' assignment, inspects the Lab and straighten up the stray material. Luther will seek out things to help with. His initiative and leadership of his peers are the qualities that employees are looking for.

CONSTRUCTION

Brittney Morris is the star student for the Construction Program this month.

Brittney is being honored because she demonstrates the skills and attributes that employers value. She is dependable with her attendance and punctuality. She is always focused on the task at-hand and demonstrates critical thinking and problem solving skills. Brittney puts great effort into each project she completes and takes pride in her work. Brittney works with initiative, and is always ready for the next task. She possesses excellent communication skills and is courteous among her team members. Brittney shows the willingness and eagerness to learn, and apply what she has learned into her life. Brittney will be a successful and welcomed member of the construction industry.

Congratulations Brittney!
