Directions for Completing Sections Beyond High School

- Post-secondary Plan: Circle or highlight the plan or plans that you are interested in (college, military, or full-time work force). Please note that it is acceptable to circle more than one choice.
- Specific Institutions Considering: Enter the colleges, branches of military, or type of work you might be interested in pursuing.
- Anticipated Activities/Coursework: Enter majors considering, classes you might know about, programs, military levels or schools, or specific workplaces that might apply.
- Brief Summary of Your Plan: Briefly summarize what you will be doing that year, and what your overall goal is.
